1. **ASU: Approve appointments with tenure.**

Presenter: Dr. Donald Topliff  
Presentation Time: 2 minutes  
Board approval required by: Section 04.02, Regents’ Rules; ASU Operating Policy 06.23

**RECOMMENDATION**

The chancellor concurs with the recommendation of the president that the Board of Regents approve granting tenure to the following faculty of Angelo State University concurrently with their appointments.

Tony R. Mullis, Ph.D., new professor and chair, Department of Security Studies and Criminal Justice, College of Arts and Humanities, effective August 24, 2017. Dr. Mullis was formerly a tenured professor in the Department of Military History at the US Army Command and General Staff College at Redstone Arsenal, Alabama.

Dale B. McDonald, Ph.D., new associate professor of mechanical engineering in the David L. Hirschfeld Department of Engineering, College of Science and Engineering, effective July 31, 2017. Dr. McDonald was formerly a tenured associate professor at Midwestern State University.

**BACKGROUND INFORMATION**

The faculty members whose names appear above have been judged by the appropriate committees and administrative personnel as worthy of academic tenure and appointment as Associate Professors and Chairs, Professor, or Dean. The procedure established by OP 06.23: Tenure and Promotion Standards and Procedures has been carefully followed.

Approval of these individuals brings the number of tenured faculty at Angelo State University to 144. After these appointments, the percentage of tenure-track faculty who have been awarded tenure will be 68 percent. The number of full-time non-tenure or non-tenure track faculty is 104.
2. **ASU: Administrative changes at the department level.**

Presenter: Dr. Don Topliff

Presentation Time: 2 minutes

Board approval required by: Section 04.11.1, *Regents’ Rules*

**RECOMMENDATION**

The chancellor concurs with the recommendation of the president that the Board of Regents approve the following administrative changes at the department level within the Division of Academic Affairs at Angelo State University effective September 1, 2017.

**Archer College of Health and Human Services**

Create the Department of Social Work in the Archer College of Health and Human Services to be effective September 1, 2017.

Change the name of the Department of Psychology, Sociology and Social Work to the Department of Psychology and Sociology in the Archer College of Health and Human Services to be effective September 1, 2017.

Create the Department of Health Science Professions in the Archer College of Health and Human Services to be effective September 1, 2017.

**BACKGROUND INFORMATION**

The proposed administrative change to establish the Department of Social work results from the significant enrollment growth in the Social work program in both undergraduate and graduate numbers over the past 4 years. The program will benefit from becoming a standalone department. The proposed new department will provide appropriate oversight for the Social work curriculum, faculty hires and tenure/promotion decisions, program budgets and other administrative functions. Current year costs as well as those for FY18 have been budgeted. No new costs will be incurred as the current program director will become the Department Chair and office support already exists.

The proposed administrative change to rename the Department of Psychology, Sociology and Social Work to the Department of Psychology and Sociology results from the proposed creation of the Department of Social Work. No additional personnel or budget will be required due to this change.

The proposed administrative change to establish the Department of Health Science Professions results from the establishment of a Bachelor of Science in Health Science Professions. This degree program was approved by the Texas Higher Education Coordinating Board, effective August 29, 2016. Enrollment in the program has exceeded 100 students in the first year and will benefit from
becoming a standalone department. The proposed new department will provide appropriate oversight for the Health Science Professions curriculum, faculty hires and tenure/promotion decisions, program budgets and other administrative functions. Current year costs as well as those for FY18 have been budgeted. No additional costs will be incurred as the program director will become the Department Chair and office support already exists.

These proposed administrative changes meet all conditions for automatic approval identified by the Texas Higher Education Coordinating Board.
3. **TTU: Approve granting of tenure.**

Presenter: Dr. Michael Galyean    Presentation Time: 2 minutes
Board approval required by: Section 04.02, Regents’ Rules; TTU Operating Policy 32.01

**RECOMMENDATION**

The chancellor concurs with the recommendation of the president that the Board of Regents approve the granting of tenure to the following faculty concurrently with their respective appointments to Texas Tech University effective September 2017:

Venkataraman (Venky) Shankar, Ph.D., professor and chair of the Department of Civil, Environmental and Construction Engineering, Edward E. Whitacre Jr. College of Engineering. Dr. Shankar was most recently a tenured professor of civil and environmental engineering at Penn State University.

Jon Webb, Ph.D., associate professor, program in addiction recovery studies in the Department of Community, Family and Addiction Sciences, College of Human Sciences. Dr. Webb comes to TTU from East Tennessee State University where he was a tenured associate professor of psychology.

Alan Zabriskie, Ph.D., associate professor and director of choral studies, School of Music, J.T. and Margaret Talkington College of Visual and Performing Arts. Dr. Zabriskie most recently held the position of associate professor with tenure at the University of Central Missouri.

**BACKGROUND INFORMATION**

The faculty members whose names appear above have been judged by the respective department faculty, appropriate committees and administrative personnel as worthy of academic tenure conferred with their respective appointments to Texas Tech University. University procedures (OP 32.01) for
recommending tenure of qualified members of the faculty have been carefully followed.

Approval of these individuals will bring the number of full-time tenured faculty at Texas Tech University to 797. After these appointments, the percentage of tenure-track faculty who have been awarded tenure will be 73.3.
4. **TTU: Approve text, installation and location of plaque for Dr. Guy Bailey, former president of Texas Tech University.**

Presenter: Dr. Lawrence Schovanec
Presentation Time: 3 minutes
Board approval required by: Section 12.03, Regents’ Rules

**RECOMMENDATION**

The chancellor concurs with the recommendation of the president that the Board of Regents approve the installation, location, and the following text of a plaque recognizing the tenure of Guy H. Bailey, the fifteenth president of Texas Tech University.

Guy H. Bailey  
Fifteenth President  
Texas Tech University  
2008 – 2012

Guy H. Bailey became the fifteenth president of Texas Tech University in August 2008. Under Dr. Bailey’s leadership, Texas Tech’s reputation as a national research university was significantly advanced. During his tenure, Texas Tech met the benchmarks that provided access to the State of Texas National Research University Fund. Texas Tech also experienced record graduation rates and enrollment, and research expenditures increased by nearly $90 million. He served on the Board of Directors of the NCAA and the Executive Committee of the Board of Directors of the Big 12 athletic conference. Dr. Bailey, who holds bachelor and master’s degrees in English from the University of Alabama and a doctorate in English from the University of Tennessee, is an expert on language variation and change, with special emphasis on the English of Texas and the American South. Prior to coming to Texas Tech, he was Chancellor of the University of Missouri-Kansas City and held administrative appointments at the University of Texas at San Antonio, the University of Nevada, Las Vegas and the University of Memphis and Oklahoma State University.

The plaque will be situated on the wall of the breezeway of the Administration Building, alongside the recognition plaques of previous presidents of Texas Tech University, and will conform in composition and style to the other recognition plaques.
BACKGROUND INFORMATION

Section 12.03, Regents’ Rules, requires Board approval of the text, installation and location of plaques recognizing the tenure of former presidents of Texas Tech University.

Per Section 12.03, Regents’ Rules, plaques recognizing former presidents of Texas Tech shall be prepared and installed following a period of five years from the time of the president’s leaving office. Dr. Bailey resigned from the office of President of Texas Tech University effective August, 2012. The appropriate date for installation of the plaque recognizing his tenure will be September 15, 2017.
5. **TTU: Approve honorific naming of the Vietnam Archives.**

Presenter: Dr. Lawrence Schovanec  
Presentation Time: 2 minutes  
Board approval required by: Section 12.05, Regents’ Rules

**RECOMMENDATION**

The chancellor concurs with the recommendation of the president that the Board of Regents approve the naming of the Vietnam Archives, located within the Vietnam Center, as the “Sam Johnson Vietnam Archives,” in honor of U.S. Congressman Sam Johnson. Appropriate signage for the archival material will specify the approved name.

**BACKGROUND INFORMATION**

Congressman Sam Johnson is a native of Texas, a decorated veteran of the Vietnam War, and has served in the United States House of Representatives for 26 years. During his 29-year career as an officer in the U.S. Air Force, Representative Johnson flew combat missions in both the Korean and Vietnam Wars. After being shot down over North Vietnam, he endured nearly seven years as a Prisoner of War in Hanoi, including 42 months in solitary confinement. Following his distinguished military career, Representative Johnson started his own home-building business in North Dallas and served in the Texas State legislature. A decorated combat veteran and war hero, Mr. Johnson retired as a Colonel and was awarded two Silver Stars, two Legions of Merit, the Distinguished Flying Cross, one Bronze Star with Valor, two Purple Hearts, four Air Medals, and three Outstanding Unit Awards.

As a member of Congress and as part of his legacy and longstanding support for Texas Tech University and the Vietnam Center and Archive, Representative Sam Johnson was instrumental in securing earmarked Congressional funding that helped to build and grow the Virtual Vietnam Archive. This online archive of Vietnam War materials is the largest of its kind in the world. Currently providing access to seven million pages of digitized military records and historical materials, the Virtual Vietnam Archive hosts approximately two million search sessions each year by researchers in more than 150 countries. The Virtual Vietnam Archive has been used by a wide range of researchers, scholars, documentary film makers, teachers, and students as we continue to learn about the Vietnam War. It has also been used by various U.S. government agencies in providing lessons learned for more contemporary conflicts and in accounting for the more than 1,600 U.S. personnel still listed as missing from the war.

Section 12.05, Regents’ Rules, requires Board approval of “[a]ny naming in honor of one or more individuals, foundations, corporations or other entities that is not specifically addressed in Sections 04.11, 06.06 or 08.05, Rents’ Rules, . . . before said designation can be announced.”
6. **TTUHSC: Approve conferral of emeritus appointment.**

Presenter: Dr. Steven L. Berk  
Presentation Time: 3 minutes  
Board approval required by: Section 04.01.2, Regents’ Rules, and HSC OP 10.12

**RECOMMENDATION**

The chancellor concurs with the recommendation of the president that the Board of Regents approve to confer the title of professor emeritus to Roland Patry, Dr.P.H., FASHP for his long and faithful service to the School of Pharmacy ("SOP") and the Texas Tech University Health Sciences Center ("TTUHSC") on both Amarillo and Dallas campuses.

**BACKGROUND INFORMATION**

A letter of recommendation was submitted by the Chair of Pharmacy Practice to the Dean of the SOP. The SOP Faculty Affairs Committee considered the recommendation and gave its approval to confer the emeritus appointment.

Roland Patry, Dr.P.H., FASHP received a bachelor of science degree in Pharmacy from the University of Connecticut, College of Pharmacy, in Storrs, Connecticut in 1970. He received a Master of Science degree at the University of Houston, College of Pharmacy, in 1977 and went on to earn his Doctorate in Public Health from the University of Texas, School of Public Health, in Houston, TX in 1984.

Dr. Patry is a University Distinguished Professor in the Department of Pharmacy Practice of the School of Pharmacy of TTUHSC. He was one of the founding faculty of the Texas Tech School of Pharmacy and has served TTUHSC in various roles for more than 20 years. He started as Executive Associate Dean of the School of Pharmacy, followed by just over 10 years as Chair of the Department of Pharmacy Practice and for the last 4 years he has served as Regional Dean of the School of Pharmacy in Dallas. He has been a stalwart of the Pharmacy Management Division of the School since its inception, serving in many courses and helping to create the original curriculum.

He also deserves credit as the person who put the School of Pharmacy Pharm.D./MBA program together with the Rawls School of Business, Texas Tech University. He deserves special credit for building the School’s business program, including its institutional pharmacies and associated practice contracts. Dr. Patry has brought honor to the University through all his excellent service to the School as well as his leadership in major pharmacy organizations, such as the Texas Society of Health Systems Pharmacists where he served as President. In all of his work, he has performed at extremely high levels with performance evaluation scores at the highest levels. Dr. Patry retired on August 4, 2017.
7. **TTUHSC: Approve the consolidation of PhD degrees in Lubbock.**

Presenter: Dr. Tedd Mitchell  
Presentation Time: 2 minutes  
Board approval required by: Section 04.09.1, Regents’ Rules; HSC Operating Policy 60.11 and Chapter 5, Subchapter C, THECB Laws and Rules

**RECOMMENDATION**

The chancellor concurs with the recommendation of the president that the Board of Regents approves the consolidation of the PhD in Communication Sciences Disorders and PhD in Rehabilitation Sciences within the School of Health Professions into a PhD in Rehabilitation Science program and authorizes the submission by the executive vice president for Academic Affairs to the Texas Higher Education Coordinating Board and the Southern Association of Colleges and Schools Commission on Colleges seeking their approval for such a program.

**BACKGROUND INFORMATION**

The demand for rehabilitation science faculty is high and new faculty scholars (educators and researchers) are needed to support the projected growth of the rehabilitation professions in Texas and across the United States. According to the Texas Workforce Commission, athletic training, audiology, occupational therapy, physical therapy, and speech-language pathology employment will increase by 27-37% by the year 2024. There will likewise be a need for more faculty to educate students in these rehabilitation science professions. Two very successful and specialized PhD programs currently exist at the Texas Tech University Health Sciences Center (“TTUHSC”) in Lubbock to address these specific needs. The current recommendation is to consolidate these two programs into one PhD program in order to combine faculty and administrative resources, increase enrollment, enhance collaborative research opportunities of faculty and students in the unified PhD program, improve alignment with similar programs nationally, provide a better name recognition of the program, and increase the number of graduates from the consolidated program when compared with each program considered separately.

The existing PhD programs in Communication Sciences and Disorders (81 hours) and Rehabilitation Sciences (88 hours) will be consolidated into one **PhD in Rehabilitation Science** (86 hours) program with concentrations in Communication Sciences and Disorders (“CSD”) and in Movement Sciences and Disorders (“MSD”). The consolidated program will consist of a common set of core courses, two concentrations in CSD and MSD, and doctoral dissertation. A supervised research project and qualifying examination for admission to candidacy will also be required. There are no similar programs in Texas. The consolidated program will not result in an increase in costs over the individually administered programs.
The consolidated program will continue to serve the missions of the university, school, and department by providing students the academic preparation needed to conduct research and disseminate knowledge that is vital to the education of future rehabilitation professionals and the care of their patients.

**COSTS and FUNDING**

There are no additional costs associated with the consolidation of the two PhD programs. All costs associated with the consolidated program are recurring costs and are outlined in the table below. Total recurring costs of $925,041.00 are expected over the initial five years of the program. Funding to cover these recurring costs include, formula funding, board authorized tuition and other student fees.

BACKGROUND INFORMATION

Section 05.01.01, * Regents’ Rules, requires the Code of Professional and Academic Conduct be approved by the Board of Regents.
9. **TTUHSC: Approve naming future School of Public Health.**

    Presenters: Ms. Lisa D. Calvert & President Tedd Mitchell
    Board approval required by: Section 06.06.1, Regents’ Rules

**RECOMMENDATION**

The chancellor concurs with the recommendation of the president that the Board of Regents approve the naming of Texas Tech University Health Sciences Center’s (“TTUHSC”) Department of Public Health—future School of Public Health—as the “Judy Jones Matthews School of Public Health.” However, until accreditation is received and the Board of Regents approves establishment of the School of Public Health, the program will be known as the “Judy Jones Matthews Department of Public Health.” The donor concurs with the naming of this academic program. Appropriate signage for the academic program will specify the approved name.

**BACKGROUND INFORMATION**

In 2014, Hendrick Medical Center (“Donor”) committed $25 million to Texas Tech University Health Sciences Center, with the support of the Abilene community—including the Dodge Jones Foundation and the Dian Graves Owen Foundation—to establish an accredited School of Public Health in Abilene, Texas. Donor’s commitment included the development and construction of a building to house the future TTUHSC School of Public Health, which was accepted by the Board of Regents at the May 2017 meeting. The donation was valued at $15,287,000, including the Donor’s actual project costs and an approximate value of the unimproved land located at 1650 Pine Street, Abilene, Texas, per Taylor County Appraisal District’s 2016 valuation. In addition to this generous gift-in-kind, Donor pledged $10 million in cash to support the TTUHSC’s operation of the School of Public Health, of which Donor has completed over fifty percent (50%).

Per the Development Agreement executed between Donor and TTUHSC on August 18, 2014, Donor reserved the naming rights to the future School of Public Health—subject to the approval of the Texas Tech University System Board of Regents. Donor has requested that the future School of Public Health be named Judy Jones Matthews School of Public Health, upon accreditation status. Donor understands the accreditation status will take time; therefore, in the interim, Donor requests that, until accreditation is obtained, the program be known as the “Judy Jones Matthews Department of Public Health.” The department will be housed in the Graduate School of Biomedical Sciences.

Hendrick Medical Center is a longtime supporter of Texas Tech University Health Sciences Center, providing substantial monetary support of the School of Nursing, School of Pharmacy and proposed School of Public Health. The future School of Public Health has been made possible through private donations, most
notably through the generous donations of Hendrick, as well as the strong support of the Abilene community. Graduates of the future School of Public Health will become qualified experts in managing data and providing important and timely health-related resources to communities in need.

Judy Jones Matthews was a longtime supporter of the Abilene community, Hendrick Medical Center and the Texas Tech University Health Sciences Center’s efforts in Abilene. Co-founder and president of the Dodge Jones Foundation, Ms. Matthews was named one of two “Abilenians of the Millennium,” as well as Citizen of the Year, in 2000. Ms. Matthews was a key supporter of the initiative to bring Texas Tech University Health Sciences Center to Abilene, who’s generosity and support resulted in an impact of over $23 million for the benefit of TTUHSC’s Abilene programs. Ms. Matthews passed away November 17, 2016, at the age of 97, leaving behind a legacy of philanthropy throughout the Abilene community.

Regents’ Rules 04.11.3 AND 06.06.1 require board approval of the naming of a “school, college, department, center, institute, or other academic unit or program” within the Texas Tech University System.

--- The Board’s Academic, Clinical and Student Affairs Committee shall recommend to the Board “strategic planning processes and initiatives for the TTU system.”

--- The major duties of the Chancellor include “preparing a recommendation to the board for a strategic plan with clear, quantifiable (where applicable) expectations for the TTU system, revised periodically, setting forth recommendations for capital expenditures, and the allocation of other financial resources.”

On February 23, 2017, the Board conducted a strategic planning session at which it considered and discussed the strategic plans of Angelo State University and the Texas Tech University Health Sciences Center.

On May 18, 2017, the Board conducted another strategic planning session at which it considered and discussed the strategic plans of Texas Tech University, the Texas Tech University Health Sciences Center at El Paso, and the Texas Tech University System Administration.

At the conclusion of the second strategic planning session, it was determined that, at its meeting in August 2017, the Board would:

1. be presented a summary of the discussion points from the two strategic planning sessions; and
2. consider adoption of a set of major policy initiatives that should be pursued.

NOTE: Following consideration of the above items by the committee, the Committee Chair will present the Committee Report to the full Board of Regents for its consideration on Friday, August 11, 2017.
1. **TTU: Approve a gift-in-kind with naming and a project to install a Chemical Process Pilot Plant.**

   Presenter: Mr. Michael Molina & Ms. Lisa D. Calvert   Presentation Time: 5 minutes
   Board approval required by: Sections 06.01.2.b and 08.05.1, Regents’ Rules

**RECOMMENDATION**

The chancellor concurs with the recommendation of the president that the Board of Regents authorize the chancellor or the chancellor’s designee to (i) accept a gift-in-kind of personal property valued at $1,212,000; (ii) name the property the “Morrow Energy Pilot Plant”; (iii) proceed with a project to install the chemical process pilot plant in the exterior fenced yard outside the Chemical Engineering Lab building with a total project budget of approximately $1,600,000; (iv) report project to the Texas Higher Education Coordinating Board; (v) complete the contract documents; and (vi) award a construction contract.

The skid-mounted chemical process pilot plant will be constructed and donated by Paul Morrow with Morrow Renewables, LLC., following the Board of Regents’ approval of acceptance of the gift. Installation costs of approximately $365,000 will be funded from available TRIP funds provided by the Edward E. Whitacre Jr. College of Engineering. The donor concurs with the naming of this pilot plant. Appropriate signage for the exterior laboratory will specify the approved name.

The chancellor further recommends that the president be authorized to negotiate and execute any and all agreements with city, state, and county agencies, utility companies and other entities required to successfully complete the project.

**BACKGROUND INFORMATION**

The Department of Chemical Engineering requests approval for the acceptance and installation of a chemical process pilot plant, as constructed and donated by Morrow Renewables, LLC. The pilot plant will be installed in the exterior fenced yard north of the Hazardous Chemicals Storage Building and west of the Industrial, Manufacturing and Systems Engineering (“IMSE”) Building and the Chemical Engineering Annex. It will be associated with a process control room in IMSE #105. There is a door which leads from IMSE #105 directly out to the proposed location of the pilot plant.

The pilot plant will provide chemical engineering students with the unique experience of operating and trouble-shooting a facility with industrial-quality equipment, instrumentation, and control. The pilot-scale size will introduce complexity not encountered in the conventional bench-top experiments used in academia and will provide a realistic range of operating conditions. The equipment will be used as the core of our unit operations laboratory course, CHE 4232, and will be used in other courses, including process safety and process
design, as well as to introduce freshmen to chemical process units. We will also use the pilot plant as a recruiting tool, because although several other such facilities exist in the United States, for example at Michigan Tech, the pilot plant will differentiate our program from others in the state and region and will provide students with a unique hands-on experience.

Morrow Renewables, LLC ("Donor") is a limited liability company formed under the laws of the State of Texas. Donor is a member of The Engineering Key Society and has given $45,000 to benefit the Edward E. Whitacre Jr. College of Engineering, to date. This will be Donor's largest gift to Texas Tech University.

Section 06.01.2.b, Regents’ Rules, requires the approval of the Board for the acceptance of restricted gifts and grants over $250,000, including gifts-in-kind.

Texas Tech University Operating Policy 02.03.2(d) also requires approval of a gift-in-kind of personal property if the gift has been appraised or valued at $250,000 or more.

This gift meets the minimum 50% threshold for facility naming as verified by the vice chancellor for facilities planning and construction.

Section 08.01.4.b, Regents’ Rules, states the physical plant shall bear responsibility for management of minor construction projects.

Section 08.05.1, Regents’ Rules, state that the board shall approve the naming of all buildings, auditoriums, rooms, laboratories, streets, athletic fields, landscape features and other facilities within the Texas Tech University System.

Also, Section 08.05.1.a, states an individual, foundation or corporation wishing to expand the facilities of the TTU System may have an area named after the donor provided 50% of the designated area and/or equipment therein is provided by donor.

The vice president for administration and finance and chief financial officer has verified the source of funds for installation.
2. **TTU: Approve title and grant authority related to bequest of property by Frances Mayhugh Holden, deceased.**

Presenter: Mr. John Huffaker 
Presentation Time: 3 minutes
Board approval required by: Section 06.01.2.b, Regents’ Rules

**RECOMMENDATION**

The chancellor concurs with the recommendation of the president that the Board of Regents authorize President Schovanec to take any actions, enter into and conclude any negotiations, and execute any documents necessary to: (i) accept title to real property (“Property”) granted to Texas Tech University by testamentary bequest of Frances Mayhugh Holden, deceased (“Decedent”); (ii) retain some or all of the Property; and (iii) effective after the expiration of 10 years from the Decedent’s date of death, elect to sell, convey, transfer to another party, or otherwise dispose of any or all of the Property.

**BACKGROUND INFORMATION**

Frances Mayhugh Holden died on August 20, 2007. Decedent’s Last Will and Testament and Codicils (collectively, “Will”) were admitted to probate in the Estate of Frances Mayhugh Holden, Deceased (“Estate”), in the County Court of Lubbock County, Texas (“Court”) in Cause No. 2007-772,721. In her Will, Decedent bequeathed the Property to Texas Tech University. The Property consists of three residential properties located in Lubbock County, Texas, described as follows:

1. Block 7, Lot 2, University Place Addition to the City of Lubbock, bearing the municipal address 3103 20th St., Lubbock, TX 79410;

2. Block 7, Lot 3 and the east 20 feet of Lot 4, University Place Addition to the City of Lubbock, bearing the municipal address 3105 20th St., Lubbock, TX 79410 (subject to parking and access easement as described in Stipulation Agreement, Cross-Conveyance and Easement recorded in the Official Real Property Records of Lubbock County, Texas, at Vol. 3463, Pages 168-178); and

3. Block 7, the east 20 feet of Lot 7 and the west 30 feet of Lot 6, University Place Addition to the City of Lubbock, bearing the municipal address 3111 20th St., Lubbock, TX 79410.

Under the terms of the Will, the Property was granted to Texas Tech University subject to a transfer restriction: the bequest was “conditional” and would lapse if the University elected “to sell…or otherwise dispose of [the Property]” within ten years following the Decedent’s date of death.
In contemplation of the resignation of the long-serving co-executors of the Estate, in May 2015, at the request of the University, the Board enacted a motion to “…authorize President Nellis to …accept title to [the Property] granted by testamentary bequest [Frances Mayhugh Holden, deceased]…”. Following that Board meeting, however, the Court accepted the resignation of the initial co-executors of the Estate and appointed a successor executor. Subsequent to the May 2015 Board action, the successor executor has worked to complete the Estate filings that the initial co-executors had left unresolved. Because no Estate inventory had been filed, the independent administration of the Estate was not closed, and record title to the Property remained in the name of the Decedent. In May 2017, the successor executor filed, and the Court approved, an inventory. The successor executor will issue a distribution deed to the University, and the University intends to accept that deed following a title and survey analysis.

In addition to granting the President the authority to accept the Property and to retain some or all of the Property, the proposed motion would grant the President the authority to negotiate with potential purchasers and convey the Property by sale if the President believes such an option to be the most viable and reasonable disposition of the Property. The President’s authority to elect to sell, convey, transfer to another party, or otherwise dispose of the Property would be effective only after the expiration of 10 years from the Decedent’s date of death.
3. **TTU: Approve amendment to the Lease Agreement with the Ronald McDonald House Charities® of the Southwest.**

Presenters: Mr. Michael Molina and Dr. Lawrence Schovanec
Presentation Time: 5 minutes
Board approval required by: Section 07.12.3.d, Regent’s Rules

**RECOMMENDATION**

The chancellor concurs with the recommendation of the president that the president be authorized to negotiate and execute an amendment to the Lease Agreement (“Agreement”) between Texas Tech University ("TTU") and Ronald McDonald House Charities® of the Southwest, Inc. formerly known as Family House, Inc., a Texas nonprofit corporation ("RMHCS") to (i) grant RMHCS a ground lease on an additional 82,633.32 ± square feet (1.897± acre) tract of land surrounding the 1.125 acre tract currently leased to RMHCS on which the existing Ronald McDonald House facility is located to facilitate the construction of a parking lot, future building expansion and parking lot, and site enhancements, all at the sole cost of RMHCS with plans subject to TTU’s approval and the approval of Texas Tech University System Facilities Planning and Construction; (ii) note the RMHCS’s name change as a result of two amendments to the RMHCS Articles of Incorporation and various other updates to the Agreement, such as, insurance requirements and construction standards; (iii) the lease term will correspond with the existing lease expiration date of September 10, 2033; (iv) option to extend an additional term of twenty-five (25) years on terms consistent with the Agreement; and (v) RMHCS’ consideration for the additional land the sum of Ten Dollars ($10.00) plus non-cash consideration in the form of RMHCS providing and maintaining, at its sole cost, perimeter landscaping acceptable to TTU to enhance the site.

The original ground lease was for a 49,005 square feet (1.125 acre) tract of land and the additional 82,633.32 ± square feet (1.897 ± acre) request will result in a total 131,638.32 ± square feet (3.022 ± acres) tract of land leased to Ronald McDonald House Charities® of the Southwest, Inc.

**BACKGROUND INFORMATION**

In September 1984, the Board approved a 49-year Lease Agreement between Texas Tech University and Family House, Inc., a Texas nonprofit corporation, for “approximately 1.5 acres of land” to facilitate the construction of the Ronald McDonald House. The actual amount of land leased under the Agreement was determined by a survey to be 1.125 acres. The Agreement was executed on September 11, 1984 and expires September 10, 2033.

In February 2001, the Board approved reserving an additional 2 acres within the Land Use Plan of the TTU Campus Master Plan for the future Ronald McDonald Expansion.
In September 2005, the Board received a report on RMHCS intent to expand its facilities in the future. At that time, it was agreed an action item would be presented to the Board when the request for additional land was justified.

On June 19, 2017 the Governance Committee of the Ronald McDonald House Charities® of the Southwest, Inc. approved moving forward with a proposed parking lot project to the east of the existing building. RHMCS will pay all costs associated with planning, constructing and maintaining the proposed construction. TTUS will be provided final architectural, engineering, and landscaping plans for review and approval.

Regent’s Rules, Section 07.12.3.d, requires Board approval of contracts that involve a lease of land and/or improvements for more than four years or a commitment of funds for more than four years.

1. **TTUSA, TTU, ASU, TTUHSC and TTUHSC El Paso: Approve FY 2018 operating budgets.**

   Presenter: Mr. Gary Barnes  
   Presentation Time: 15 minutes
   Reports approval required by: Section 07.04.2, *Regents’ Rules*

**RECOMMENDATION**

The chancellor recommends and concurs with the recommendation of the each respective president that the Board of Regents approve the FY 2018 operating budgets for Texas Tech University System Administration, Texas Tech University, Angelo State University, Texas Tech University Health Sciences Center, and Texas Tech University Health Sciences Center at El Paso.

In addition, it is recommended that the Board appropriate the fund balances of income generating accounts for specific activities usually supported by the accounts unless otherwise appropriated by the Board.

**BACKGROUND INFORMATION**

The Board is required to approve on or before September 1, 2017, an itemized budget covering operations for the ensuing fiscal year.

The FY 2018 budget has been prepared on the basis of funds appropriated by the 85th Legislature, Regular Session, including estimated local income.

The State Auditor has requested that all fund balances be appropriated by the Board of Regents or be classified as unreserved or unallocated. It is our opinion that it would be best for the Board of Regents to appropriate fund balances for the activities usually supported by the accounts unless otherwise appropriated by the Board of Regents.
2. **ASU: Authorize president to execute a contract with Reliant Energy, Inc.**

Presenter: Mrs. Angie Wright  
Presentation Time: 3 minutes  
Board approval required by: Section 07.12.1.h, *Regents’ Rules*; 07.12.3.a, *Regents’ Rules*

**RECOMMENDATION**

The chancellor concurs with the recommendation of the president that the Board of Regents ratify the president’s execution of a contract, as amended, with Reliant Energy Retail Services, LLC. (“Reliant”) to provide electrical energy services at Angelo State University (“ASU”) through 2021.

**BACKGROUND INFORMATION**

The electrical grid and deregulated energy market in San Angelo, and most of Texas, is managed by the Energy Reliable Council of Texas (“ERCOT”). As a result, ASU may obtain electrical power on a competitive basis.

On January 15, 2015, ASU published a Request for Qualification (“RFQ”) to obtain the services of an energy brokerage and procurement firm to assist with obtaining an electrical energy provider. After rating the responses received for the RFQ, ASU’s evaluation committee selected Noresco, LLC, as the best value vendor of such services. On April 15, 2015, Noresco LLC, published a request for proposal (“RFP”), on ASU’s behalf, to obtain an electrical energy provider. After a review of the proposals submitted in response to the RFP, ASU selected Reliant as its retail electrical energy provider. On April 28, 2015, ASU signed a contract with Reliant expiring May 31, 2018. The initial contract with Reliant simplified ASU’s billings and invoices, and resulted in a cost savings because it was both a cheaper rate and eliminated nodal fees that had been charged by the previous provider.

In May of 2017, Noresco LLC, noting reductions in the retail power market, contacted ASU with the opportunity to obtain even better pricing from Reliant at the rate of 3.288 cents per kwh. In the San Angelo electrical market this cost is but one component of the invoiced price. ASU estimates that its invoiced cost under the new agreement will total approximately 5.3 cents per kwh, which includes the 3.288 cent power price. Considering the fluctuating price of electricity and the limited amount of time the rate would be valid, ASU signed an amendment with Reliant in order to guarantee this low rate through May 31, 2021 via a three-year extension of the agreement. The total cost savings per year under this new rate will be approximately $200,000.

Section 07.12.3.a *Regents’ Rules*, requires Board approval on contracts in excess of $1,000,000 over the term of the contract.
Section 07.12.1.h *Regents’ Rules*, allows for Board approval via a ratification of contracts executed under other provisions.
3. **TTU: Authorize president to execute contract with Troon Golf, LLC.**

Presenter: Ms. Noel Sloan  
Presentation Time: 5 minutes  
Board approval required by: Section 07.12.3.d(1)(b), Regents’ Rules

**RECOMMENDATION**

The chancellor concurs with the recommendation of the president the Board of Regents authorize the president or his designee to approve and execute a contract with Troon Golf, LLC (“Troon”) to provide golf facility management services for the Rawls Course at Texas Tech University (“TTU”).

**BACKGROUND INFORMATION**

The president of TTU recognizes the need for operations management services for the Rawls Course at TTU to include staffing, equipment, amenities, marketing, routine maintenance, and repairs services for the complete operation and maintenance of the Rawls Course (“Services”).

**Current Management.** Troon has managed the Rawls Course since May 29, 2009 with continual growth in revenue. Golf fee revenues have grown from $1,016,285 in FY 2010 to $1,423,641 in FY2016 resulting in a 40% increase in golf fee revenues.

**Procurement.** TTU issued a Request for Proposal (“RFP”) on January 26, 2017, seeking competitive responses from qualified vendors to perform Services, and selected Troon as the most qualified operator, and possessing the best overall value to TTU.

**Contract Key Terms**

**Term and termination.** The initial term of the contract begins October 1, 2017 and expires on May 31, 2021. The contract will renew for up to eight consecutive one year periods unless either party delivers written notice to the other at least 180 days prior to the expiration of the initial term or then current renewal period. In addition to termination for breach, the contract allows for TTU to terminate without cause if TTU provides at least 30 days written notice to Troon between December 1 and December 31 during any contract year. If TTU terminates without cause, TTU is responsible for management fees and other fees due Troon under the contract terms for the period prior to termination, but TTU would not owe any penalty or termination fee.

**Financial agreement.** TTU will pay Troon:
- A Management Fee equal to 3.5% of Gross Revenues for each fiscal year, to be calculated and paid monthly. The total annual Management Fee will not exceed 3.5% of that fiscal year’s Gross Revenues.

- An Incentive Management Fee equal to (i) twenty (20%) of the first $100,000 of Net Operating Income (NOI) for each fiscal year, and (ii) ten percent (10%) of the NOI in excess of $100,000, to be paid annually, provided, however, an Incentive Management Fee shall only be paid by TTU to Troon if the NOI for a fiscal year exceeds $0.00.

- A fixed fee of $57,500 for Centralized Services, as defined under the contract, to be paid annually. The fixed fee is subject to change based upon mutual agreement but will otherwise be increased or decreased, depending on the CPI-W (Consumer Price Index for Urban Wage Earners and Clerical Workers, a standard index published by the Bureau of Labor Statistics on a monthly basis, which reflects cost adjustments) change during the preceding fiscal year.

- If agreed upon in an amendment to the contract, TTU will pay Troon up to $20,000 per fiscal year as a fixed fee for corporate sales and marketing services to market the Rawls Course.

**TTU Facility Account.** TTU will provide sufficient funds in a facility account to pay for Rawls Course facility operations and TTU must at all times during the term of the contract maintain a minimum balance of $75,000. Upon expiration or termination of the contract, Troon will, within 10 days, refund to TTU any funds held in the facility account.

**Capital Replacement funds.** Troon will allocate 1.5% of Gross Revenues each fiscal year to a separate Troon account for funding Capital Replacements, as defined in the contract. TTU will approve expenditures funded by this account.

Section 07.12.3.d(1)(b). Regents’ Rules, requires Board approval on contracts that involve a commitment of funds or other resources for more than four years.
4. **TTU: Authorize president to execute consultant contract with Anthony Knerr & Associates, LLC d/b/a AKA Strategy.**

   Presenter: Ms. Noel Sloan
   Presentation Time: 5 minutes
   Board approval required by: Section 07.12.4.e, Regents’ Rules

**RECOMMENDATION**

The chancellor concurs with the recommendation of the president of Texas Tech University that the Board of Regents authorize the president or his designee to approve and execute a contract with Anthony Knerr & Associates, LLC d/b/a AKA Strategy ("AKA") to provide consulting services related to the strategic planning initiatives of the university and its U.S. News and World Report rankings.

**BACKGROUND INFORMATION**

Founded in 1990, AKA is a strategic consultancy that has an established and deep understanding of research universities and advises major universities and other leading nonprofit organizations on important strategic issues.

AKA’s services are needed to align the university’s national ranking with its progress over the past four years and to enable the administration to effectively lead the university’s strategic planning initiatives while informed about current trends and assessment factors that drive numerical ranking.

AKA will conduct research and interviews on site at the university and deliver a formal report that contains a summary of its findings and recommendations for action.

The university has selected AKA as uniquely qualified and possessing the best overall value to the university to provide consulting services since AKA previously performed similar services for the university in 2013 that the Board of Regents approved in December 2012. The current services must take into account the earlier assessment, using compatible methodology.

The estimated consulting fee is $38,500. The university will also reimburse AKA’s actual travel, lodging, and out-of-pocket expenses related to the services provided. The contract will be effective upon approval by the Board of Regents and will expire on December 31, 2017.

Section 07.12.4.e. Regents’ Rules, requires Board approval on consulting contracts with an initial consideration in excess of $25,000.
5. **TTUHSC: Approve contract for Acute Care General Surgery & Trauma Services.**

Presenter: Penny Harkey  
Presentation Time: 3 minutes  
Board approval required by: Section 07.12.3.a. *Regents’ Rules*

**RECOMMENDATION**

The chancellor concurs with the recommendation of the president that the Board of Regents approve a contract with Covenant Health System for Texas Tech University Health Sciences Center (“TTUHSC”) to provide Acute Care General Surgery & Trauma Services at Covenant Medical Center's Lubbock location.

**BACKGROUND INFORMATION**

To expand health care services at Covenant Medical Center and enhance the relationship between Covenant Medical Center & Texas Tech Physicians Surgery, the Covenant Health System desires TTUHSC employed physicians to ensure the availability of Acute Care General Surgery and Trauma Services coverage for the provision of care and treatment of patients who do not have a primary care provider on the medical staff of the hospital. TTUHSC expects the contractual arrangement (CON1702586) to provide enhanced value to Texas Tech Physicians and patients served while expanding educational opportunities for TTUHSC medical students and surgery residents. The services will require 5 FTE surgeons, a Division Chief appointed from among the surgeons, a clinic to ensure continuity of care at Covenant Medical Center utilizing two residents and two advanced practice providers, and office space adequate for staff. It is expected that incremental implementation of this service will occur in September 2017, beginning with an aggressive regional and national recruitment effort in the preceding months. Pending board approval the term of the contract will be for three years, ending July 31, 2020.

Expected annualized recurring value: $2,589,100

Section 07.12.3.a. *Regents’ Rules*, requires Board approval of contracts in excess of $1,000,000.
6. **TTUHSC: Authorize the president to execute a contract with the Department of Veterans Affairs.**

Presenter: Ms. Penny Harkey  
Presentation Time: 3 minutes  
Board approval required by: Section 07.12.3.d, Regents’ Rules

**RECOMMENDATION**

The chancellor concurs with the recommendation of the president that the Board of Regents authorize the president to execute a contract with the Department of Veterans Affairs (West Texas VA Health Care System) (“WTVAHCS”) for Texas Tech University Health Sciences Center’s (“TTUHSC”) Department of Ophthalmology to provide on-site ophthalmology and retinal services.

**BACKGROUND INFORMATION**

TTUHSC has provided on-site patient services to eligible beneficiaries of the WTVAHCS since FY 2000. This arrangement has been mutually beneficial for the VA, TTUHSC and veterans by strengthening VA healthcare in our region and providing continuity of care at the VA Medical Center in Big Springs as well as to support resident education. This is a renewal contract (CON1698902) to continue providing on-site ophthalmology and retinal services for patients at the VA facility located at 300 Veterans Blvd, Big Spring, TX 79720. The estimated annual value is listed below over the term of the contract. The VA retains unilateral right to exercise 4 one-year option periods.

7. **TTUHSC, TTUHSC El Paso and ASU: Authorize the presidents to execute contracts with GCA Education Services of Texas, Inc. & ABM Texas General Services, Inc.**

Presenter: Ms. Penny Harkey  
Presentation Time: 3 minutes  
Board approval required by: Section 07.12.3.a. *Regents’ Rules*

**RECOMMENDATION**

The chancellor concurs with the recommendation of each respective president that the Board of Regents authorize the presidents to approve and execute contracts with GCA Education Services of Texas, Inc. (GCA), and ABM Texas General Services, Inc. (ABM), to provide custodial and related services at Texas Tech University Health Sciences Center (TTUHSC), Texas Tech University Health Sciences Center El Paso (TTUHSC EP) and Angelo State University (ASU).

**BACKGROUND INFORMATION**

GCA Education Services of Texas, Inc. and ABM Texas General Services, Inc., have historically provided quality custodial services to TTUHSC, TTUHSC EP, and ASU for a variety of operations including clinical, academic, research and auxiliary space. Current active custodial contracts with each provider expire on August 31, 2017, requiring the establishment of new service agreements.

In accordance with state procurement standards, TTUHSC, TTUHSC EP, and ASU conducted a joint custodial services solicitation (RFP 739-SL1644837). After appropriate due diligence, the evaluation committees at each institution recommend award based on best value considerations to GCA and ABM for specific locations as outlined in Table 1. Each contract will be for a 2 year initial term with 5 additional 1 year extensions at the unilateral option of each institution.

Section 07.12.3.a. *Regents’ Rules*, requires Board approval of contracts in excess of $1,000,000.

Protection of classified information is regulated by the Federal Government. Federal regulations regarding security matters provide a means for the Board of Regents to delegate responsibility for the protection of classified information to a Managerial Group. The alternative to a managerial group is for the Board to retain this responsibility under conditions established by federal regulations and which will require Board members to obtain a security clearance for access to classified information. Most universities elect to establish managerial groups.

To operate with a managerial group, the Board, by federal regulation, must exclude themselves from possessing a security clearance and instead appoint officials of the university to act as the managerial group.

With the appointment of the most recent regent, the Board of Regents must update its statement of exclusion to meet the requirements of federal regulations.

g. **TTUHSC: Authorizing the transfer of land under the lease-purchase agreement between TTUHSC and TTU to provide the site for a VA Clinic.**

Board approval required by: Section 07.12.3.d. Regent’s Rules

The request is to approve the transfer of land under the lease-purchase agreement between the Texas Tech University Health Sciences Center ("TTUHSC") and Texas Tech University ("TTU") to provide the site for a VA clinic. This request has been approved administratively by the president and the chancellor and is recommended for approval by the Board of Regents.

**BACKGROUND INFORMATION**

The United States Department of Veterans Affairs ("the VA") has issued a pre-solicitation (VA 10115NO194) for the procurement of a long-term lease for the construction of a community-based outpatient medical clinic for specialty outpatient care to be operated by the VA. The VA has approved a 14.5022 acre tract out of the 640 acres of Section 21, Block A owned by TTU (TTU Site) for the site of the VA clinic.

The Board previously authorized TTU and TTUHSC to enter into a lease-purchase agreement for the TTU Site.

Pursuant to the passage of SB 1033 and new Section 109.0541, *Texas Education Code*, the Board may execute a conveyance of real property that is part of the original main campus of Texas Tech University in Lubbock, Lubbock County, to Texas Tech University Health Sciences Center under terms and conditions that the board determines are in the best interest of both institutions. The transaction must be in the form of an agreement and appropriate conveyancing documents between the two institutions.

On August 11, 2016, in order to accommodate the process for development of the VA Clinic, the Board of Regents approved a lease purchase agreement between TTU and TTUHSC (the “Lease-Purchase Agreement”). Under the Lease-Purchase Agreement, TTU agreed to lease the TTU site to TTUHSC pending approval of a sale of the site to TTUHSC for a price of $3,810,000. Upon approval by the Board of Regents, TTUHSC will purchase the TTU site in accordance with the Lease-Purchase Agreement. The TTUHSC vice president and chief financial officer has verified that institutional funding is available. TTU shall convey the TTU Site to TTUHSC via special warranty deed. Proceeds will be used by TTU to support scholarships.

In the event that after the transfer (i) the VA Solicitation is canceled, (ii) the VA Solicitation is awarded for a site other than the TTU Site, or (iii) the TTU Site is no longer under consideration by the VA for the VA clinic pursuant to the Lease-
Purchase Agreement, TTU shall have the option to re-acquire the property, for the price of $3,810,000, unless otherwise agreed upon by the institutions and approved by the Board of Regents at such time.

Section 07.12.3.d., Regent’s Rules, requires Board approval on a sale or purchase of land.
h. **TTUHSC: Approve naming of the Panhandle Clinical Simulation Center in Amarillo.**

Board approval required by: Section 08.05, *Regents’ Rules*

The request is to approve the naming of the Panhandle Clinical Simulation Center in Amarillo as the “SimCentral / Texas Tech University Health Sciences Center at Amarillo.” Appropriate signage for the facility will specify the approved name. This request has been approved administratively by the president and the chancellor and is recommended for approval by the Board of Regents.

**BACKGROUND INFORMATION**

In May 2016, the Board of Regents approved construction of the 20,485 gross square foot Panhandle Clinical Simulation Center on the Amarillo campus with a total budget of $9,750,000. The building will consist of a state of the art computer/software system for the in-patient, simulation and observation rooms. Also, there is a large classroom and two smaller classrooms, both with required support spaces.

The purpose of this facility is to improve patient safety, save patient lives and to provide better methods for medical, nursing, allied health, and healthcare education and training. With the increase of class sizes, programs will be able to train future health care providers and meet the shortage of both nursing and allied health in the area. As envisioned, the Panhandle Clinical Simulation Center at Texas Tech University Health Sciences Center (TTUHSC) Amarillo, will promote effective use of space and personnel while facilitating the development of discipline specific competencies and promoting inter-professional collaboration, communication, teamwork, and research.

Section 08.05.1, *Regents’ Rules*, states that the board shall approve the naming of all buildings, auditoriums, rooms, laboratories, streets, athletic fields, landscape features and other facilities within the Texas Tech University System.

The new Texas Tech University System Office building would be sited at the intersection of the Texas Tech Parkway and the Marsha Sharp Freeway. The new facility would provide office, conference, support and public space for the system offices, including space for Board of Regents’ public meetings. Approximately 200 employees would be housed in the new facility.

Since the establishment of the TTU System, the various offices have been spread throughout three buildings; on- and off-campus. The proposed Citibus contract renews the long standing agreement, extends the term by one year and sets the rates for bus services as follows:

**Term and termination.** The contract extends services for one year, beginning September 1, 2017 and ending on August 31, 2018. TTU may terminate the contract with 30 days prior written notice.

**Cost.** TTU will pay $53.06 per hour for Citibus services, for a maximum total of $1,931,464.12 for on-campus services and a maximum total of $1,746,814.25 for off-campus services. These rates represent a 0% increase from the existing contract.

TTU may request additional services on an as-needed basis for an additional amount.

**Original contract and subsequent approvals and extensions.** The original item is VII.B.1.f. in the minutes of the August 17, 2004, Board of Regents meeting, with subsequent renewals reported as information items to the Board of Regents on August 12, 2005, August 11, 2006, August 10, 2007, and August 8, 2008. Purchasing contracts are procured and executed in compliance with Texas Education Code §51.9335 as well as the *Regents’ Rules* and TTUS component Operating Policies and Procedures.

Section 07.12.3.a, *Regents’ Rules*, requires Board approval for contracts that total in excess of $1,000,000 over the entire term of the contract, unless a different consideration is specified by this policy.

Section 07.12.4.a specifies such a different consideration by providing, “…contracts that involve a stated or implied consideration that total in excess of $1,000,000 over the entire term of the contract but the per annum amount is less than $1,000,000 shall be approved by the chancellor or president, as appropriate.”

However, Section 07.12.3.c provides that, for all purchasing contracts that exceed a total value of $5,000,000 over the life of the contract (even if the annual amount is less than $1,000,000), the Board must be provided:

1. verification that the solicitation and purchasing method and contractor selection process comply with state law and TTU System policies; and
2. information on any potential issue(s) that may arise in the solicitation, purchasing, or contractor selection process.

The attached table shows: (1) purchasing contracts that exceed $1,000,000 per year for which Board approval is required; and (2) purchasing contracts that exceed $5,000,000 over the life of the contract for which the special reporting is required.

BACKGROUND INFORMATION

TTUHSC and Covenant Health System have been operating under annual renewals of an affiliation agreement for resident funding since 1992 (CON597030 92177). Each subsequent renewal has afforded TTUHSC opportunity of additional placements and resident salary increases. With Covenant Children’s Hospital joining the Covenant Health System the parties redrafted the agreement. The affiliation agreement was executed and effective July 1, 2017, with an expected annualized value of $2,813,809.

The purposes of this agreement with Covenant Health System are:

1. To provide terms and conditions, and determination of disbursement rates for residency program placements, program director services, and GME administrative overhead;
2. To describe the responsibilities of the Parties as it relates to residency assignments, educational activities, assignments, and leave; and
3. To describe the fiscal procedure Covenant Health System requires for the monthly disbursement of payment.

This request has been approved administratively by the president and the chancellor and is recommended for approval by the Board of Regents.

**BACKGROUND INFORMATION**

TTUHSC and Covenant Health System have been operating under annual renewals of an affiliation agreement for physician services since 1992 (CON597030 92177). Each subsequent renewal afforded the parties the opportunity to modify the services and compensation. With Covenant Children’s Hospital joining the Covenant Health System the parties redrafted the agreement. The affiliation agreement was executed and effective July 1, 2017, with an expected annualized value of $4,782,636.

The purposes of this agreement with Covenant Health System are:

1. To provide terms and conditions, and monthly compensation rates for services provided by TTUHSC physicians;
2. To describe the responsibilities of the Parties as it relates to coverage and medical specialization of physicians; and

q. **TTUHSC El Paso: Authorize the president to execute contract with Texas Department of State Health Services.**

Board approval required by: Section 07.12.3.a, *Regents’ Rules*

The request is to authorize the president to approve a psychiatric services agreement with Texas Department of State Health Services. This request has been approved administratively by the president and the chancellor and is recommended for approval by the Board of Regents.

**BACKGROUND INFORMATION**

Texas Department of State Health Services (“DSHS”) is an administrative agency within the executive department of the State of Texas with a state facility located in El Paso, Texas, El Paso Psychiatric Center (“EPPC”).

EPPC and Texas Tech University Health Sciences Center at El Paso (“TTUHSC El Paso”) will continue to collaborate to provide psychiatric services to an underserved area and enhance educational training through a required resident rotation. Services will also service for child and adolescent patients and forensic evaluations.

TTUHSC El Paso will contract with DSHS to provide their services at EPPC beginning in September 2017. The current one year contract value is $881,828 and the total revenue contract value over the initial two year term is $1,763,656. The term of the contract will be for two years with four (4) additional one (1) year renewals. If renewals are exercised, the value of the contract over the four renewal years would be $3,687,760.

Section 07.12.3.a, *Regents’ Rules*, requires Board approval on contracts that involve a stated or implied consideration that totals in excess of $1,000,000 over the term of the contract.
r. **TTUS: Approve extension and amendment to contract with New England Pension Consultants (“NEPC”).**

Board approval required by: Section 07.12.4.e, Regents’ Rules

The request is to approve an amendment to the contract with New England Pension Consultants (“NEPC”) for investment consulting services, and to extend the term for up to two one-year periods as allowed for in the original contract. Services include advising the Investment Advisory Committee (“IAC”) and the Chief Investment Officer (“CIO”) in regard to investment policy, asset allocation, investment manager searches and selection, and other matters concerning the System’s investments. This request has been approved administratively by the chancellor and is recommended for approval by the Board of Regents.

**BACKGROUND INFORMATION**

Texas Tech University System (“TTUS”) issued a Request for Proposal (“RFP”) on August 7, 2012 seeking competitive responses from qualified vendors and selected NEPC as the most qualified and possessing the best overall value to TTUS.

The initial term of the contract was approved by the Board of Regents in August of 2013 for a three-year period ending in 2016. That original agreement authorized up to three one-year extensions. The first contractual extension was approved by the Board of Regents in May 2016. The Board approved the extension to June 30, 2017 but the date should have aligned with TTUS’s fiscal year end on August 31, 2017, as contemplated under the original contract. The sentence in question should have read as stated below and this correction has been administratively approved by the chancellor. The contract extension will be effective as of July 1, 2016 and will end on August 31, 2017.

Presently, the amended contract with NEPC contains two parts:

The first part increases the annual contract amount by $100,000, total $625,000, to be effective September 1, 2017. TTUS will reimburse the vendor’s actual travel, lodging, and out-of-pocket expenses related to the services provided. The second part allows for the contract to be extended at the same total annual cost for the remaining two one-year extension periods. September 1, 2017 to August 31, 2018 and September 1, 2018 to August 31, 2019.

This contract will be funded with the management fee defined in the SITIF and LTIF Investment Policy Statements that is assessed against the SITIF and LTIF to support the offices responsible for managing the funds.

Section 07.12.4.e., *Regents’ Rules*, requires Board approval on consulting contracts with an initial consideration in excess of $25,000 and prior to the execution of all modifications that increase the consideration of such a contract.

STATEMENT OF ACCREDITATION

The Texas Tech University Health Sciences Center is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award baccalaureate, masters, doctoral, and professional degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of the Texas Tech University Health Sciences Center. The Commission should be contacted only if there is evidence that appears to support the institution’s significant non-compliance with a requirement or standard.
PART I. FOREWORD
A. General Policy

1. The mission of the Texas Tech University Health Sciences Center is to improve the health of people by providing educational opportunities to students and health care professionals, advancing knowledge through scholarship and research, and providing patient care and service.

The following institutional goals are broad, measurable priorities that will enable TTUHSC to fulfill its mission:

- Train competent health professionals and scientists
- Increase externally funded, peer-reviewed research, especially NIH-funded research, and research focused on aging, cancer, and rural health
- Improve access to quality health care for the TTUHSC’s target populations
- Prepare health professions students for an increasingly diverse workforce and patient population
- Provide leadership in the development of partnerships and collaborations to improve community health
- Operate the TTUHSC as an efficient and effective institution

2. A University, like any community, must have regulations and/or standards by which its members abide and procedures by which its components function. The standards should provide order and an atmosphere conducive to intellectual and personal development. This Student Handbook, the TTUHSC Operating Policies and Procedures, and the individual School’s catalogs are intended to serve these purposes in the interest of all components of the Texas Tech University Health Sciences Center.

3. The University has a responsibility to maintain order within the University community and to discipline those who violate its standards, rules and/or policies. Enrollment requires students to share this responsibility. Students agree to abide by the standards, rules and policies set forth in this Student Handbook, the TTUHSC Operating Policies and Procedures, and the individual Schools’ catalogs and any other official University publications. Registered student organizations are required to follow all of these standards, rules and policies.

4. The Texas Tech University Health Sciences Center (TTUHSC or the University) reserves the right to change, modify, amend, or rescind, in whole or in part, this Handbook at any time without prior notice. This Handbook supersedes all previous editions. The provisions of this Handbook do not constitute a contract, express or implied, between any student or faculty member and Texas Tech University System, TTUHSC, or the TTUHSC School of Medicine, School of Health Professions, School of Pharmacy, School of Nursing, or the Graduate School of Biomedical Sciences. (See updates at www.ttuhsc.edu/studentservices)

B. Tobacco-Free Environment

1. According to the United States Surgeon General, tobacco use is the single largest preventable cause of premature death and disability. Tobacco users are at substantially increased risk for a number of cancers, cardiovascular disease, and lung disease. Environmental smoke can cause discomfort and disease in non-smokers. Institutions with smokers suffer from lost productivity, conflict, and plant deterioration (HSC OP 10.19).

2. As a health care institution, TTUHSC is committed to the establishment and enforcement of a healthier tobacco-free environment. TTUHSC OP 10.19, Tobacco-Free Environment Policy, includes regulation and assessment.
C. Authority

1. The authority to enact and enforce regulations of the University is vested in the Texas Tech University System Board of Regents. The responsibility for enforcing regulations and imposing penalties is delegated to the Chancellor and/or the President of the University and any University officials the President designates.

2. All references to the Chancellor and/or President of the University, the Executive Vice President for Academic Affairs or designee shall be interpreted to include persons designated to act on behalf of these officials.

D. Policy on Non-Discrimination

The University brings together, in common pursuit of its educational goals, persons of many backgrounds and experiences. The University is committed to the principle that in no aspect of its programs shall there be differences in the treatment of persons because of race, color, religion, national origin, age, sex, disability, genetic information, status as a protected veteran, or any other legally protected category class or characteristic, and that equal opportunity and access to facilities shall be available to all. Non-discrimination is observed in the admission, housing, and education of students and in policies governing discipline, extracurricular life and activities. For more information, visit www.ttuhsc.edu/HSC OP 51.01, Equal Employment Opportunity Policy and Affirmative Action Plan.

E. University Name, Documents, and Records

The use by any person or organization of the University’s name in connection with any program or activity, without the prior written permission of the Office of the Vice Chancellor for Institutional Advancement, or any unauthorized use of University documents, records or seal is prohibited. See TTUHSC OP 67.01, Publication Guidelines.

   • Any other intentional bodily contact in a sexual manner.

   (2) **Non-Consensual Sexual Intercourse** – Sexual penetration or intercourse, however slight, with a penis, tongue, finger, or any object, and without consent. Penetration can be oral, anal, or vaginal.

(2) Submission to or rejection of such conduct is used as a basis for decisions affecting employment or education; or
(3) Such conduct has the purpose or effect of interfering with the individual’s work or educational performance or of creating an intimidating, hostile, or offensive working or educational environment. To constitute an intimidating, hostile, or offensive working or educational environment, the complained of conduct must be either severe or pervasive.

Examples of inappropriate behavior that may constitute unlawful sexual harassment or Sexual Misconduct include, but are not limited to:

5. Reporting Concerns

a. All students, employees, and third parties are strongly encouraged to promptly report any incidents of Sexual Misconduct to the University Title IX Coordinator, Title IX Deputy Coordinators, or Office of EEO.

b. All students, employees, and third parties may also report incidents of Sexual Misconduct to law enforcement, including on-campus and local police. Reporting Parties may choose to notify law enforcement and will be provided the assistance of a Title IX Coordinator, Title IX Deputy Coordinator, or Office of EEO in contacting these authorities if the individual wishes. For a list of Law Enforcement Agencies, please see page 45[JC1]. Reporting Parties may also decline to notify law enforcement of incidents of Sexual Misconduct.

c. An individual who experiences any form of sexual, domestic, or dating violence is encouraged to seek immediate medical care. Also, preserving DNA evidence can be key to identifying the perpetrator in a sexual violence case. Victims can undergo a Sexual Assault Forensic Exam (SAFE) performed by a Sexual Assault Nurse Examiner (SANE) to preserve physical evidence with or without police involvement. If possible, this should be done immediately. If an immediate medical exam is not possible, a SANE may still collect evidence up to 4 days following a sexual assault. With the examinee’s consent, the physical evidence collected during this medical exam can be used in a criminal
d. An individual who experiences any form of Sexual Misconduct should also preserve other evidence relevant to the complained of activity, such as items of clothing, photographs, phone records, text messages, computer records, and other documents.

e. If an employee is a Responsible Employee and receives information about Sexual Misconduct, reporting is required. Responsible Employees have a duty to promptly report all known details of incidents of sex discrimination, sexual harassment, nonconsensual sexual contact, nonconsensual sexual intercourse, sexual assault, Sexual Misconduct, sexual exploitation, public indecency, interpersonal violence, and stalking to the University Title IX Coordinator, Title IX Deputy Coordinators, or Office of EEO. Responsible Employees are not confidential reporting resources.

f. Disclosures to licensed clinical and/or mental health professionals acting in their professional role in the provision of services are not subject to the foregoing mandatory reporting requirements. These employees include physicians, psychologists, nurses, counselors, and those performing services under their supervision. These employees are encouraged to provide students or employees with information and guidance regarding University reporting options and available resources but will not report or otherwise refer instances of sexual harassment/misconduct to University administrators without the student or employee’s express permission. Students may make confidential reports to the University Student Counseling Center Program of Assistance for Students (PAS). Likewise, employees may make confidential reports through the Employee Assistance Program.

6. Office of Civil Rights Complaints

Nothing in this policy shall prevent a student from presenting a charge of discrimination or other grievance covered by this policy to an external agency, such as the United States Department of Education: Office of Civil Rights (OCR), 400 Maryland Avenue, SW Washington, DC 20202-1100, Customer Service Hotline#: (800) 421-3481, http://www.ed.gov/ocr.

7. Non-retaliation

Retaliation against a person who reports a potential violation under this policy, assists someone with a report of a violation, or participates in any manner in an investigation or in the resolution of a complaint made under this policy is strictly prohibited and will not be tolerated. Retaliation includes, but is not limited to threats, intimidation, reprisals and/or adverse actions related to an individual’s employment or education. TTUHSC will take appropriate steps to assure that a person who in good faith reports, complains about, or participates in an investigation pursuant to this policy will not be subjected to retaliation. Individuals who believe they are experiencing retaliation are strongly encouraged to lodge a complaint with the University using the same procedure outlined in this policy.

Individuals who are found to have retaliated under this policy will be subject to disciplinary action, up to and including termination of employment, expulsion from the University, or being barred from University premises and events.
8. Confidentiality

The confidentiality of both the Reporting Party and the Responding Party will be honored by the University to the extent possible without compromising the University’s commitment and obligation to investigate allegations of Sexual Misconduct, to protect the University Community, and to the extent allowed by law. However, because the University also has an obligation to maintain an environment free of Sex Discrimination and Sexual Misconduct, many University employees have mandatory reporting and response obligations and may not be able to honor a Reporting Party’s request for confidentiality. The Title IX Coordinator will evaluate requests for confidentiality.

9. Faculty/Staff and Student Relationships

TTUHSC is committed to the promotion of professional and educational relationships and open channels of communication among all individuals. The faculty/staff and student relationship is of the highest value and impacts a student's educational experience. Consensual relationships, including affectionate liaisons or other intimate or close relationships between faculty and students in a faculty members class or with whom the faculty member has an academic or instructional connection are prohibited. Faculty/staff with direct or indirect teaching, training, research oversight or direction, supervisory, advisory, or evaluative responsibility over the student should recognize and respect the ethical and professional boundaries that must exist in such situations. If questions arise about situations involving faculty/staff and student relationships, they can be directed to the student's Academic Dean or the Assistant Vice President for Student Services.

B. Complaint Process Involving Employees, whether Faculty, Staff, or Students. Grievance or Complaint Processes

1. A grievance is a formal complaint pertaining to adverse actions taken on the basis of the student’s protected status or other violation of law or TTUHSC policy. A violation of a University policy alone does not necessarily constitute a violation of law or an action prohibited by law.

2. Grievances and Investigations—Complaints Involving Employees, Whether, Faculty, Staff, or Students If a student has a complaint This grievance process is applicable to all students who choose to complain about Sexual Misconduct, unlawful discrimination, harassment, or other violations of the law that adversely affect their educational environment and the Responding Party is an employee, whether faculty, staff or student, the general provisions relating to employees and the employee complaint procedures set forth in TTUHSC OP 51.02 and TTUHSC OP 51.03 shall apply. In addition, in student complaints involving employees, the following provisions shall apply:

   a. These procedures are entirely administrative in nature and are not considered legal proceedings.

   b. All grievance complaint investigations and procedures will be non-adversarial in nature. These procedures are entirely administrative in nature and are not considered legal proceedings. Additionally, mediation will not be used to resolve complaints.

   c. The filing of a grievance complaint shall not affect the ability of TTUHSC to pursue academic and disciplinary procedures for reasons other than the student’s filing of a grievance complaint.

   d. A student may consult with the Assistant Vice President for Student Services University Title IX Coordinator, the Deputy Coordinators, or Office of EEO to determine if he/she wishes to file a formal grievance complaint. Students wishing to file a grievance complaint should complete the grievance—complaint form located available at http://www.ttuhsc.edu/title-ix/ https://www.ttuhsc.edu/studentservices/grievanceforms/. However, even if a formal grievance—complaint is not filed, the Assistant Vice President for Student Services University Title IX Coordinator or Office of EEO may notify key personnel conduct an investigation regarding the allegation, at his or her discretion, about
the allegation, and other action may be taken by TTUHSC as deemed appropriate. Other actions include, but are not limited to, conferring with supervisors or other administrators concerning inappropriate behavior occurring within their area of responsibility and informing alleged offenders of TTUHSC’s policy and educating departments and supervisors as needed on this and other policies.

e. If the grievance complaint involves the Assistant Vice President for Student Services/University Title IX Coordinator and/or Deputy Coordinators, the grievance complaint should be presented to the Equal Employment Opportunity Office of EEO.

f. Student complaints of Sexual Misconduct, discrimination or harassment by an employee will be investigated jointly by the Assistant Vice President for Student Services or his/her designee/University’s Title IX Investigators and the Office of Equal Opportunity/EEO.

g. The investigation may consist of the review of the grievance complaint and any supporting documentation, examination of other relevant documentation, and interviews with relevant individuals. Both parties may notify the University’s Title IX Investigators and the Office of EEO of any witnesses and other evidence relevant to the complaint. The extent of the investigation and its procedures will be determined by and at the discretion of the Assistant Vice President for Student Services/University Title IX Coordinator or the Equal Employment Opportunity Office of EEO. Additionally, other administrators may be consulted to assist with the investigation.

h. After the investigation is complete, the Assistant Vice President for Student Services/University Title IX Coordinator or Equal Employment Opportunity Office of EEO or designee will provide a written determination/notice in writing to the student who has filed the grievance complaint, the accused parties/responding party, and the appropriate administrators of the following:

i. Determination of the outcome;

ii. The finding of the Office of EEO is final and not appealable by either party;

iii. In the event of a finding of a violation of TTUHSC OP 51.02 or TTUHSC 51.03 is made, appropriate disciplinary action will be taken as determined by the appropriate administrator; and

iv. If either party disagrees with the imposed disciplinary action or lack thereof because the disciplinary action imposed substantially varies from the range of disciplinary actions normally imposed for similar infractions, he or she may appeal within five days to the Title IX Coordinator. However, if the disciplinary action recommended is tenure revocation, proceedings will be pursuant to TTUHSC OP 60.10.

i. The findings of the Assistant Vice President for Student Services or the Office of Equal Employment Opportunity is final and not appealable. The Reporting Party and Responding Party will be simultaneously notified in writing of any changes to the results that occur prior to the time such results become final, and when such results become final.

In the event a finding of a violation of this policy is made, appropriate disciplinary action will be taken as determined by the appropriate administrator.

3. Any disciplinary taken in connection with a grievance complaint filed pursuant to this policy shall be reported in writing to the Assistant Vice President for Student Services/University Title IX Coordinator and the Office of Equal Employment Opportunity/EEO at the time the disciplinary action is implemented. Confirmation of the disciplinary action can be provided via copy of a counseling or other written disciplinary action, resignation, termination document, etc.

4. At the conclusion of the investigation, the student shall be advised that if the discrimination or unlawful activity persists, the student should contact the University Title IX Coordinator or Officer of Equal Employment Opportunity/EEO. Likewise, in the event the student believes unlawful retaliation for filing a grievance complaint has taken place,
the student should contact the Vice President for Student Services University Title IX Coordinator or the Office of Equal Employment Opportunity EEO, and/or file a grievance for retaliation.

5. In the event of a finding of a violation of this policy, the University Title IX Coordinator or Office of Equal Employment Opportunity EEO will follow up with the grievant student within 60 days to ensure that the complained of behavior has ceased.

1. In addition, in complaints of Sexual Misconduct against employees the provisions of TTUHSC OP 51.03 (5) (b) shall apply and control.

Grievances and Investigations —— Complaints Involving Other Students

Grievances and investigations of formal complaints against other student(s) pertaining to adverse actions taken on the basis of the student’s protected status or other violation of law or TTUHSC policy are guided by the Student Conduct Procedures outlined in the Student Handbook, Part II and Part IV, B, as applicable. This Section B of this Part IV of the Student Handbook contains the processes and procedures pertaining to Sexual Misconduct involving other Students.

Sexual Misconduct Complaints Process Involving Other Students

1. Grievances and investigations of formal complaints against other student(s) pertaining to adverse actions taken on the basis of the student’s protected status or other violation of law or TTUHSC policy are guided by the Student Conduct Procedures outlined in the Student Handbook, Part II and Part IV, B, as applicable. This Section B of this Part IV of the Student Handbook contains the processes and procedures pertaining to Sexual Misconduct involving other Students.

2. These procedures are entirely administrative in nature and are not considered legal proceedings.

3. All complaint investigations and procedures will be non-adversarial in nature. Additionally, mediation will not be used to resolve complaints.

4. Jurisdiction.

a. Part IV of the Student Handbook shall apply to conduct that occurs on TTUHSC premises, at TTUHSC sponsored activities, and to off-campus conduct that adversely affects TTUHSC and/or pursuit of its objectives. On a case-by-case basis, the Title IX Coordinator or the Deputy Title IX Coordinator for Students and/or his/her designee, in his or her sole discretion, shall determine whether this Part IV of the Student Handbook should be applied to conduct occurring off premises. Part IV may also be applied to behavior conducted online, via email, or other electronic medium. Students should also be aware that online postings such as blogs, web postings, chats and social networking sites are in the public sphere and are not private. These postings can subject a student to allegations of conduct violations if evidence of policy violations is posted online. TTUHSC does not regularly search for this information but may take action if and when such information is brought to the attention of University officials.

b. Each student shall be responsible for his/her conduct from the time of the application for admission through the actual awarding of a degree, even though conduct may occur before classes begin or after classes end, as well as during the academic year and during periods between terms of actual enrollment. Part IV of the Student Handbook
shall apply to persons who withdraw after alleged violation, who are not officially enrolled for a particular term but who have a continuing relationship with TTUHSC, or who have been notified of their acceptance.

c. This Part IV. BC. of the Student Handbook refers to processes and procedures pertaining to Sexual Misconduct. For all other types of misconduct, refer to Part II of the Student Handbook.

35. Timelines

a. It is recommended that reports of Sexual Misconduct should be received by the Title IX Coordinator or the Deputy Title IX Coordinator for Students within ten (10) university working days of the alleged incident to initiate conduct procedures. There is no time limit on reporting violations; however, the longer someone waits to report an offense, the more difficult it becomes to obtain information and evidence regarding the incidents.

b. Incidents should be resolved within 60 days of notice regarding the incident, not including appeal. This timeline may vary depending on the availability of individuals participating in the process, availability of evidence, delays for concurrent criminal investigations, breaks between academic semesters, and other delays.

6. Standards of Evidence

The proceedings are not restricted by the rules of evidence governing criminal and civil proceedings. The standard of proof used in TTUHSC proceedings in Part IV. BC. of the Student Handbook is the preponderance of evidence. The term “preponderance of evidence” is defined as a circumstance in which the evidence as a whole shows that the fact(s) for which proof is being sought are more likely than not.

7. Reporting Allegations of Sexual Misconduct

To file an allegation(s) of Sexual Misconduct against student(s) or student organization(s), individuals should complete the complaint form at http://www.ttuhsc.edu/title-ix/. Incomplete Complaint of Sexual Misconduct forms can be found as Appendix A in the Student Handbook. The written allegation should describe the action or behavior in question. Individuals may also file a report in person at 3601 4th Street, Room 2C400 located in the Office of Student Services. However, even if a formal complaint is not filed, the University Title IX Coordinator or Deputy Title IX Coordinator for Students may conduct an investigation regarding the allegation, at his or her discretion.

8. Confidentiality

a. The confidentiality of both the Reporting Party and the Responding Party will be honored by the University to the extent possible without compromising the University’s commitment and obligation to investigate allegations of Sexual Misconduct, to protect the University Community, and to the extent allowed by law. However, because the University also has an obligation to maintain an environment free of Sex Discrimination and Sexual Misconduct, many University employees have mandatory reporting and response obligations and may not be able to honor a Reporting Party’s request for confidentiality. The Title IX Coordinator will evaluate requests for confidentiality.

b. The willful and unnecessary disclosure of confidential information by anyone, including the Reporting Party or Responding Party, may affect the integrity of the investigation.

c. Students may make confidential reports to the University Student Counseling Center Program of Assistance for Students (PAS). Likewise, employees may make confidential reports through the Employee Assistance Program.
All Reporting Parties may also make confidential reports to local rape crisis centers or to other licensed clinical and/or mental health professionals acting in their professional role of providing those services.

9. Anonymity

TTUHSC understands the sensitive nature of incidents involving Sexual Misconduct. Further, the University is mindful of Reporting Parties’ desire, in some cases, to report an incident without disclosing their name or other identifying information. TTUHSC will always attempt to protect a student’s anonymity if that is the student’s request. Doing so, however, can oftentimes make it more difficult to thoroughly and effectively investigate an incident. TTUHSC will work with each student on a case-by-case basis to find the approach that best fits the student’s wants and needs.

10. Reporting Criminally

Some instances of Student Misconduct may also constitute a violation of state, federal, or local law. Students have the option to report misconduct to the University, to local law enforcement, or to both. TTUHSC administrators are happy to assist students in making a report to law enforcement, and will even accompany the student if he or she wishes.

Nothing in this policy shall limit a person from seeking assistance or filing a complaint with an outside agency.

TTUHSC will provide educational options in lieu of conduct proceedings in certain situations. Examples of the amnesty provision include, but are not limited to:

- Victims of misconduct who were engaging in minor policy violations, such as underage drinking or drug use, at the time of the incident;
- Students who offer assistance to others by calling medical personnel or law enforcement; or;
- Students who bring their own use, addiction, or dependency to alcohol, drugs, or other addictions to the attention of the University TTUHSC prior to any conduct incidents or reports.

Abuse of amnesty provisions can result in a violation of the Code of Student Conduct. Amnesty does not preclude students from being charged with allegations of misconduct related to Actions against Members of the University Community and Others. The amnesty provisions do not impact criminal proceedings or charges, mandatory reporting to state licensing boards, or actions required to comply with professional ethic requirements. Amnesty does not preclude students from being required to meet with University TTUHSC staff and to participate in conditions such as counseling. The Deputy Title IX Coordinator for Students can assist with questions related to amnesty provisions.

12. Conduct Procedures

Considering Sexual Misconduct Procedures

a. Intake and Initial Inquiry

Upon notice of an alleged Sexual Misconduct, the Deputy Title IX Coordinator for Students will appoint a Title IX Investigator to review allegations of Sexual Misconduct. The Deputy Title IX Coordinator for Students, in his or her sole discretion, may appoint more than one Title IX Investigator or co-investigators to review an allegation of Sexual Misconduct. Reported allegations of misconduct have varying degrees of complexity and severity. Therefore, the investigation procedures described below may vary. The Title IX Investigator will inquire, gather and review information about the reported student Sexual Misconduct and will evaluate the accuracy, credibility, and sufficiency of the information. Incidents will not be forwarded for a hearing officer unless there is reasonable cause to believe a policy has been violated. Reasonable cause is defined as some credible information to support each element of the offense, even if that information is merely a credible witness or Reporting Party statement. If it is determined that the information reported does not warrant an allegation, a policy warning letter may be issued to any individual involved to clarify the policy that was in question. Unsupported allegation with no credible information will not be forwarded to a hearing. When an initial report of misconduct by a third party does not identify the victim or the victim is not available, the Title IX Investigator will investigate the reported incident to fullest extent of the information available. When a Recording Party is identified but is reluctant and/or refuses to participate in the investigative process and/or the Sexual Misconduct process entirely, TTUHSC will make every attempt to follow the wishes of the Reporting Party while weighing the interests of the university community and the possibility of a continuing threat. If the Recording Party does not want to participate in the investigative process but has no aversion to TTUHSC pursuing conduct action with respect to the named Responding Party, TTUHSC will proceed with the Sexual Misconduct process to the extent of the information available.

ab. Remedies and Resources

i. Remedies

TTUHSC will take immediate action to eliminate hostile environments, prevent reoccurrence and address any effects on the victim and community. This may include immediate steps to protect Reporting Parties even before the final outcome of the investigations, including prohibiting the Reporting Party from having any contact with the Responding Party. These steps will attempt to minimize the burden on the Reporting Party while respecting due process rights of the Responding Party. Remedies for students may include, but are not limited to counseling.
services, victim’s advocate assistance, modifications to parking assignments, and modifications to academic schedule. Remedies will be evaluated on a case-by-case basis.

ii. No Contact Orders

When initial inquiry indicates persistent and potentially escalating conflict between two members of the University Community, a No Contact Order may be issued as a remedial, non-punitive deterrent to further conflict or situational complication. A No Contact Order will be issued by the Deputy Title IX Coordinator for Students via the student’s official TTUHSC email. The notice serves as an official directive that the student(s) have no contact with the other listed parties. Contact cannot occur in person, by telephone, email, text message or other electronic means of communication, or through a third party (other than an attorney). Should contact need to occur, the student should coordinate with the Deputy Title IX Coordinator for Students. This notice may also come with other information related to changes in class schedule or other restrictions to facilitate the No Contact Order. Failure to comply with the No Contact Order is considered retaliation and will result in disciplinary action, including possible suspension or expulsion. Violations of No Contact Orders may also result in possible violation(s) under Part II of the Student Handbook, and/or a referral to the Texas Tech Police Department during the completion of the conduct process. The term of a No Contact Order is indefinite, unless otherwise stated in the Order.

iii. Resources

**Sexual Violence.** TTUHSC has a variety of resources to assist students involved in conduct processes or experiencing concerns related to other student conduct. Resources include, but are not limited to assistance in reporting criminal behavior to the Texas Tech Police Department or Lubbock Police Department, counseling services, medical assistance, student legal services, academic support referrals, and other support services.

bc. Interim Actions

The Reporting Parties may request and the University may implement interim measures, as may be necessary to assure the safety and well-being of the participants in the complaint process, to maintain an environment free from harassment, discrimination, or retaliation, and to protect the safety and well-being of the University Community. The Title IX Coordinator or Deputy Title IX Coordinator for Students will decide if and what interim measures are necessary. Additionally, other appropriate University officials may be consulted regarding interim measures. Such interim measures may include, but are not limited to:

- Separating the Reporting Party’s and Responding Party’s academic interactions;
- Forbidding contact between parties involved in a complaint; or
- Suspending the right of the Responding Party to be present on campus or otherwise altering the University status of the Responding Party.

Other interim measures may be implemented depending on the Responding Party’s relationship with the University. These interim measures may be kept in place through the conclusion of any review, investigation, or appeal process. Interim measures can be implemented regardless of whether or not the Reporting Party pursues formal University or criminal action.

c. Immediate Temporary Suspension – Students

A student may be temporarily suspended and/or referred to the Texas Tech Police Department pending completion of conduct procedures if, in the judgment of the Deputy Title IX Coordinator for Students, or on recommendation of a Title IX Investigator, the physical or emotional well-being of a student or other students or members of the university community could be endangered or if the presence of the student could significantly
disrupt the normal operations of TTUHSC. The Deputy Title IX Coordinator for Students or his/her designee will initiate appropriate conduct procedures to address the disruptive behavior within five (5) university working days from the date of temporary suspension. A student who receives an interim suspension may request a meeting with the Deputy Title IX Coordinator for Students or his/her designee to demonstrate why an interim suspension is not merited. Regardless of the outcome of this meeting, the University may still proceed with the scheduling of a campus Hearingconduct proceedings. Upon immediate temporary suspension, the student may no longer attend classes, use TTUHSC or TTU services and/or resources, and is not allowed to be on campus until the conduct proceedings under Part IV have been concluded. Any instances whereby the student should need to return to campus must be coordinated through the Deputy Title IX Coordinator for Students and the Texas Tech Police Department. Conduct, on or off campus that typically results in interim suspension under Part IV includes but is not limited to:

1. A significant and articulable threat to the health or safety of a student or other member(s) of the university community;
2. Sexual Assault, other forms of Sexual Misconduct that are creating a hostile environment for the victim and the remedy for the harassment requires temporary separation;
3. Violation of a No Contact Order;
4. Retaliatory harm, discrimination or harassment

d. Notice of Involvement.

When preliminary information indicates that certain, identifiable student(s) are associated with the reported incident, those student(s) will be asked to meet with a Title IX Investigator. In addition to other possible sanctions, conditions and/or restrictions, and in the event that a student fails to respond to written notification, an administrative hold may be placed on the student’s record to prevent further registration and transcript receipt. The administrative hold will remain until such time as the Title IX Investigator receives an appropriate response. Failure to comply with or respond to a notice issued as part of conduct procedure and/or failure to appear will not prevent the Deputy Title IX Coordinator for Students from proceeding with disciplinary process. Likewise, failure of a student to respond to notification to appear may result in additional alleged violations and result in a charge of Failure to Comply in Part II of the Student Handbook.

e. Student Rights and Responsibilities

Prior to the formal investigative process, a student will be provided a Student Rights and Responsibilities document. This document will be reviewed and signed by the student prior to an interview with the Title IX Investigator. The Student Rights and Responsibilities document informs the student of his or her rights to be exercised before and during the investigative process. Information gathered during the course of the investigation and student conduct process may only be shared with faculty, staff, students, and/or advisors who are directly involved in the incident or necessary to the student conduct process. Information gathered may also be disclosed in compliance with a judicial order or lawfully issued subpoena.

A student has a right to:

1. A prompt, fair, and equitable process;
2. Be accompanied by an advisor to any meeting or Hearing an “advisor” can be any one of the following: a member of TTUHSC Community (faculty, staff, or student), a Victim's Advocate, a parent or legal guardian, a relative, or in situations involving criminal legal proceedings, an attorney. An advisor’s role is that of support –
he or she may not speak on behalf of the student and does not have an active, participatory role in the
conduct process. If an advisor for the accused student is an attorney, an attorney from the Office of General
Counsel may attend the hearing on behalf of TTUHSC. The Reporting Party and/or Responding Party is
responsible for presenting his or her own information, and therefore, advisors are not permitted to speak or
participate directly in any hearing unless authorized by the Hearing Officer. Students should select an advisor
whose schedule allows attendance at the scheduled date and time for the hearing, as delays will not be allowed
due to the scheduling conflicts of an advisor, except at the discretion of the Hearing Officer upon written request
five (5) University business working days in advance of the scheduled hearing date.

iii. Students are expected to cooperate with the TTUHSC Sexual Misconduct process, but
may elect not to participate in the investigation process, either in part or entirely. In other words
however, if a student chooses not to provide information during the investigation, they will not be allowed to present new
information during the Hearing; similarly, if a student provides only limited information during the investigation
(i.e., answering some of the Investigator’s questions but not others), then during the Hearing, the student will only
be permitted to speak to the information he or she provided, with no additional commentary. The rationale for
this policy is to prevent either party from presenting new evidence at the Hearing that was available during the
investigative process for the purpose of disadvantaging the other party. NOTE: See Pre-Hearing Process, below,
for details on inclusion of new, previously unavailable information after conclusion of the investigative process.

iv. The opportunity to provide information and evidence in support of his/her case;

v. Know if they have been issued any allegations of misconduct;

vi. Know the range of sanctions that may be imposed for a conduct violation, if one is alleged and found to have occurred;

vii. Know the TTUHSC conduct policies and procedures, and where to find them;

viii. Know that any information provided by the student may be used in a conduct proceeding;

ix. Know that if a student makes any false or misleading statement(s) during the investigation or Hearing the
student will be subject to further disciplinary action under Part II of the Student Handbook.

It is the student’s responsibility to:
1. Be responsive to all correspondence from the University;
2. Provide information relevant to the incident or situation;
3. Be honest and provide true and accurate information during the investigation;
4. Review the TTUHSC Student Handbook: Code of Professional Student Conduct in order
to fully understand all aspects of the student conduct Title IX adjudication process.

13. Investigation Procedures

a. Intake and Initial Inquiry

Upon notice of alleged Sexual Misconduct, the Deputy Title IX Coordinator for Students will appoint a Title IX
Investigator to review the allegations. The Deputy Title IX Coordinator for Students, in his or her sole discretion,
may appoint more than one Title IX Investigator or co-investigators to review an allegation of Sexual Misconduct.
Reported allegations of misconduct have varying degrees of complexity and severity. Therefore, the investigation and
resolution procedures described below may vary. The appointed Title IX Investigator(s) will inquire, gather and review information about the reported student Sexual Misconduct and will evaluate the accuracy, credibility, and sufficiency of the information.

The Title IX Investigator will conduct an initial meeting with the Reporting Party and inform him/her of on and off-campus resources, immediate safety and security measures, procedural options, and the University TTUHSC policy regarding retaliation. If the Reporting Party is not willing or able to submit his/her complaint in writing, notes taken by the Title IX Investigator may be used to initiate an investigation.

Incidents will not be forwarded to Formal Investigation unless there is reasonable cause to believe a policy has been violated. Reasonable cause is defined as some credible information to support each element of the offense, even if that information is merely a credible witness or Reporting Party statement. If it is determined that the information reported does not warrant an allegation, a policy warning letter may be issued to any individual involved to clarify the policy that was in question. Unsupported allegations with no credible information will not be forwarded to Formal Investigation.

When an initial report of misconduct by a third party does not identify the victim or the victim is not available, the Title IX Investigator will investigate the reported incident to fullest extent of the information available. When a Reporting Party is identified but is reluctant and/or refuses to participate in the investigative process and/or the Sexual Misconduct process entirely, TTUHSC will make every attempt to follow the wishes of the Reporting Party while weighing the interests of the University Community and the possibility of a continuing threat. If the Reporting Party does not want to participate in the investigative process but has no aversion to TTUHSC pursuing conduct action with respect to the named Responding Party, TTUHSC will proceed with the Sexual Misconduct process to the extent of the information available.

b. Formal Investigation

A trained Title IX Investigator will conduct a thorough, reliable, and impartial investigation of the reported incidents including meeting with the party bringing the Complaint to finalize the Reporting Party’s statement, interview witnesses, collect evidence, create timelines, and receive information from the Responding Party.

When initial inquiry indicates a concurrent police investigation is occurring, the Title IX Investigator will, where possible, collaborate with the Texas Tech Police Department during investigation. Elements of this collaborative investigation may include the Title IX Investigator coordinating with responding officers at the scene of the incident, joint interviews with police detectives, and evidence sharing. The Title IX Investigator will never take physical custody of any physical or electronic evidence, but will work closely with the Texas Tech Police Department to inspect, analyze, and incorporate physical or electronic evidence into the Investigative report.

During the investigative process, Reporting Parties and Responding Parties are responsible for providing all information or evidence that they believe should be considered.

Once the investigative process is complete, the Title IX Investigator will compile the relevant information and evidence into an Investigation Report, which may include a timeline of the event(s), statements from interviews, physical and electronic evidence, a breakdown of the discrepancies in the various interviews, and credibility considerations. The Title IX Investigator will document any physical or electronic evidence in a manner that is conducive and un-obstructive to concurrent or forthcoming police investigations.
Reporting Parties and Responding Parties A student will have access to the completed Investigation Report and/or investigative materials relevant to the allegation(s) after the formal investigative process has concluded. In order to protect confidentiality, Reporting Parties and Responding Parties are not given copies or Investigation Reports and/or investigative materials.

14. Informal Administrative Resolution

The Informal Resolution process is voluntary. If after the initial inquiry/investigation, the Responding Party accepts responsibility for the allegations of the Code of Student Conduct outlined in an Investigation Report, and the Reporting Party agrees, the student Responding Party can choose to resolve the issue informally.

During Administrative Resolution, the Deputy Title IX Coordinator for Students will, in consultation with the appropriate University dean, review the Investigation Report and, if applicable, propose findings and specify appropriate sanctions. The Responding Party may be given up to three (3) days to review the informal resolution and decide if they would like to accept or decline the proposed findings and sanctions.

Should the student Reporting Party wish to participate in the Informal Resolution Process, the Title IX Investigator conducting the initial inquiry/investigation will inform the student of the proposed findings and appropriate sanctions for the misconduct. To participate in the Informal Resolution process, a student must accept both the finding and the sanctions. If accepted, the Responding Party waives their right to a formal resolution, the process ends, the finding is final, and there is no appeal. The case will only be reopened if new material, previously unavailable is presented. The Informal Resolution, or any other form of mediation will not be utilized to resolve cases involving Title IX allegations, such as sexual harassment, sexual violence, or other forms of Sexual Misconduct.

15. Hearing Procedures

a. Prehearing/Formal Allegations Assigned

Once the investigative process is complete, if the case is not otherwise resolved through informal resolution, the student Reporting Party and the Responding Party will be given notice of a Pre-Hearing Meeting scheduled outside of the student’s parties’ academic schedules. Should the Reporting Party or the Responding Party not participate in the Pre-Hearing, the conduct process may continue without their participation, including the assignment of allegations and Hearing. During this meeting, the Reporting Party and the Responding Party will be given the opportunity to review the Investigation Report, relevant evidence, and other documents to be used in the Administrative or University Discipline Hearing. Other documents include notification of Responding Party’s allegations, name of Hearing Officer, list of potential Hearing Officers panel, and Hearing script. Following the Pre-Hearing, the Reporting Party and the Responding Party will be notified, via the notification procedures, outlined in the Student Handbook of a date, time, and location of the Hearing.

While students the Reporting Party and the Responding Party may identify errors in their own statements during the Pre-Hearing, they are not able to add additional information to the Investigation Report unless that information, in the judgment of the Title IX Investigator, was unavailable during the investigative process and is pertinent to the consideration of the case. If a student discovers new, previously unavailable information during the time after the Pre-Hearing but before the Hearing, the student should inform the Title IX Investigator immediately. If the new information is pertinent to the consideration of the case, the Title IX Investigator will determine whether the new information should be included in the Investigation Report or presented...
verbally during the Hearing. If there is new evidence introduced, other involved parties would also be given the opportunity to provide a response to any new evidence that will be presented in the Hearing.

Formal Allegations will be assigned during the Pre-Hearing per the information and evidence gathered during investigation. Allegations are assigned for deliberation in the Hearing by the Hearing Officers to determine the student’s Responding Party’s responsibility for misconduct. An Allegation Letter will be provided to the student-Responding Party in the Pre-Hearing Meeting or via other methods of notice. The Title IX Investigator will schedule the Final Hearing no sooner than five (5) university working days from the date of the last Pre-Hearing. The five-day period can be waived by the Deputy Title IX Coordinator for Students upon consultation with the involved student(s)parties.

b. Hearing

After proper notice has been given to the Reporting Party and the Responding Party students, TTUHSC may proceed to conduct a hearing and render a finding of Responsible or Not Responsible for the Responding Party’s alleged misconduct and if appropriate, decide appropriate sanctions, conditions, and/or restrictions. deliver a decision or recommendation respectively. The Deputy Title IX Coordinator for Students shall appoint a panel of three Hearing Officers to conduct a Hearing under依据 the Handbook. All persons serving as Hearing Officers shall be oriented and trained to adjudicate a sexual misconduct case in accordance with this Handbook. If there is a conflict of interest, or appearance thereof, with one of the selected Hearing Officers, that person will recuse themselves and the Deputy Title IX Coordinator for Students shall appoint another person to the panel. Additionally, both the Reporting Party and the Responding Party may raise issues of conflicts of interest with regard to the potential Hearing Officer panel to the Title IX Coordinator or Deputy Title IX Coordinator for Students within three (3) days after notice has been given to the parties of the panel members. The Title IX Coordinator will weigh these issues and resolve them accordingly. No party has a right to disqualify a Hearing Officer panel member absent a demonstrated bias.

The Hearing may be held and a decision or recommendation made, regardless of whether the Reporting Party or the Responding Party the student responds, fails to respond, attends the hearing or fails to attend the hearing. Should the Reporting Party or the Responding Party the student fail to attend the Hearing, the Hearing Officers may consider the information and render a decision.

Hearings are closed to the public. Both the Reporting Party and Responding Party have the right to be present at the Hearing; however, they do not have the right to be present during the deliberation. Arrangements can be made so that Reporting Party and Responding Party do not have to be in the hearing room at the same time. To request changes in the scheduled hearing time, students the parties should contact the Deputy Title IX Coordinator for Students not less than three (3) days prior to the scheduled hearing.

As provided in further detail in the Title IX Hearing Script, The the Title IX Investigator presents the investigation report, evidence, witnesses, allegations, and questions for deliberation in the Hearing. The Hearing Officers may question the Title IX Investigator, Reporting Party, Responding Party and any witnesses throughout the Title IX Investigation. The Reporting Party and Responding Party do not have the right to question each other nor witnesses directly but may do so through the Title IX Investigator. The Reporting Party and Responding Party have the right to add or make additional comments about the facts of the case. The Hearing Officers may ask questions to all participants through the Title IX Investigator. Should new evidence be presented without prior discussion with the Title IX Investigator, the hearing Hearing may be halted to consider the inclusion of this information. Impact statements will also be halted if they are shared prior to the sanctioning phase of the hearing. In the event the Hearing Officers remove a student due to misconduct in the hearing process (Reporting Party, Responding Party, or witnesses) the alleged
misconduct will be forwarded to the Deputy Title IX Coordinator for Students or his/her designee. In regard to removal of the student, the Deputy Title IX Coordinator for Students or his/her designee will forward the alleged misconduct to the appropriate student conduct administrator, who will follow the conduct process in Part II of the Student Handbook in regard to adjudication of the alleged misconduct.

Following the hearing, the Hearing Officers will deliberate and will render a finding of Responsible or Not Responsible for the Responding Party’s decision in regard to the alleged misconduct as well as decide any sanctions, conditions and/or restrictions if applicable. The Hearing Officers will inform the Deputy Title IX Coordinator for Students in writing within five (5) University working days of the decision(s). Outcomes of the Hearing will be provided to the Reporting Party and the Responding Party student(s) in writing within five (5) University working days of the conclusion of the Hearing.

Either the Reporting Party or Responding Party may utilize Disciplinary Appeal Procedures outlined in sub-section “d)” below.

c. Conduct Outcomes/Findings (Sanctions, Conditions, Restrictions)

The Hearing Officers may impose sanctions, including but not limited to those described in Part II of the Student Code, conditions and/or restrictions as a result of a Hearing where the student Responding Party is found responsible.

If the allegation involves a student organization, the Hearing Officers may meet with a University staff member whose professional capacity involves the advising of the organization. This staff member may provide information relevant to potential sanctions, conditions, and restrictions for the Hearing Officer.

All records concerning a student or student organization related to the disciplinary process will remain on file with the Deputy Title IX Coordinator for Students for a minimum of seven (7) years from the date the case is completed through a Hearing and/or disciplinary appeal procedures.

d. Conduct Appeal Procedures

Either the Reporting Party or Responding Party A student may appeal the decision or the sanction(s), condition(s) and restriction(s) imposed by the Hearing Officers by submitting a written appeal to the Executive Vice President of Academic Affairs or his/her designee within five (5) University working days of receiving the written decision. The appeal must clearly set forth the grounds for the appeal, together with the evidence upon which the appeal is based. A disagreement with the decision alone shall not constitute grounds for appeal. The only proper grounds for appeal, and the only issues that may be considered on appeal are as follows:

i. A procedural [or substantive error] occurred that significantly impacted the outcome of the hearing (e.g. substantiated bias, material deviation from established procedures, etc.)

ii. The discovery of new evidence, unavailable during the original hearing or review of the case, which could substantially impact the original finding or sanction. A summary of this new evidence and its potential impact must be included; and

iii. The sanctions imposed substantially vary from the range of sanctions normally imposed for similar infractions.
Either the Reporting Party or Responding Party may appeal the decision of the Hearing Officer. The Deputy Title IX Coordinator for Students will provide the request for appeal to the other party and provide opportunity for response.

The Executive Vice President of Academic Affairs will review the appeal to determine if the appeal is timely and properly sets forth the appropriate grounds for appeal, with adequate accompanying evidence. If any of these requirements are not met, the appeal will be dismissed, and the original decision of the Hearing Officers will be final. If an appeal is granted, the results of the appellate process as outlined below will be final.
If the Executive Vice President of Academic Affairs designated appeal officer determines that new evidence should be considered, he/she may return the complaint to the original Hearing Officers to reconsider the new evidence, or may order a new Hearing. If new evidence is considered, the Hearing Officers may increase, decrease, or otherwise modify the sanctions, conditions, and/or restrictions. The Hearing Officers or designee will notify the student of the outcome using the written notice procedures within eight (8) University working days of the decision. The decision is final and may not be appealed. If a new Hearing is ordered, all hearing Conduct Procedures in Part IV.C.15 will be followed. The Hearing Officers will notify the student Reporting Party and Responding Party of the outcome using the written notification procedures within five (5) University working days of the decision. The decision of the new Hearing Officers is final and may not be appealed.

If the Executive Vice President of Academic Affairs or designee determines that a material procedural or substantive error has occurred, he/she may return the complaint to the original hearing officers with instructions for another hearing in light of the appellate findings. All hearing Conduct Procedures described in Part IV will be followed. The original Hearing Officers will notify the student in writing of the outcome using the written notification procedures within five (5) University working days of the decision. This decision is final and may not be appealed. In those cases in which the error cannot be cured by the original Hearing Officers (i.e., some cases of bias), the Executive Vice President of Academic Affairs or designee may order a new hearing with new panel of Hearing Officers. If a new Hearing is ordered, all hearing Conduct Procedures in Part IV will be followed. The new Hearing Officers or designee will notify the student in writing of the outcome within five (5) University working days of the decision. The decision of the new Hearing Officers is final and may not be appealed.

If the Executive Vice President of Academic Affairs determines that the sanctions imposed substantially vary from the range of sanctions normally imposed for similar infractions, the Executive Vice President of Academic Affairs or designee may then increase, decrease or otherwise modify the sanctions, conditions, and/or restrictions instead of returning the case to the original Hearing Officers or convening a new Hearing. The Executive Vice President of Academic Affairs will notify the student in writing of the outcome using the written notification procedures within five (5) University working days of the decision. The decision of the Executive Vice President of Academic Affairs is final and cannot be appealed.

The Deputy Title IX Coordinator for Students shall make all reasonable efforts to timely notify the student Reporting Party and Responding Party of the status of the appeal throughout the appellate process, and shall make all reasonable efforts to notify the student Reporting Party and Responding Party as to the result of the appeal within five (5) University working days after the final decision is rendered. The appeals officer’s decision is final.

16. Follow up

a. After the judgment and sanctions become final and all appeals, if any, are exhausted, the Reporting Party shall be advised that if the complained of activity persists, the party should contact the Deputy Title IX Coordinator for Students. Likewise, in the event the student believes retaliation for filing a complaint has taken place, they should contact the Deputy Title IX Coordinator for Students.

b. The Deputy Title IX Coordinator for Students will follow up with the Reporting Party within sixty (60) days after conclusion of the matter to ensure that the complained of behavior has ceased.
PART V. STUDENT RECORDS
A. General Policy

Policies and procedures concerning student records are based on respect for the privacy of the individual. To minimize the risk of improper disclosure, academic records are maintained separately from disciplinary records. (During the time of disciplinary suspension or expulsion, the notice is placed in the student's permanent file.) The conditions for access to each are set forth in the Student Handbook and complies with federal and state statutes and with registered student organization guidelines. The procedures set forth below apply to all persons formerly or currently enrolled at Texas Tech University Health Sciences Center.

B. Address of Record

Students must maintain an accurate permanent address with the Office of the Registrar. The address is used for official notifications including billing and notification of official university requirements. Students should maintain a current local address and telephone number that is used by university officials, and/or student organizations and the campus community.

C. Student Access to Educational Records

All current and former students of the university have the right to access their educational records as provided by law.

Notification of Rights under FERPA for Postsecondary Institutions the Family Educational Rights and Privacy ACT (FERPA) afford eligible students certain rights with respect to their education records. (An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) These rights include:

1. The right to inspect and review the student’s education records within 45 days after the day Texas Tech University Health Sciences Center receives a request for access. A student should submit to the Office of the Registrar a request by completing and submitting HSC OP 77.13 Attachment B that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

   a. Generally if the Education Record is covered under FERPA, the student may inspect or review the education record at the Office of the Registrar, but does not have the right to receive copies of the education record unless a student is effectively prevented from onsite inspection or review of his/her education record. The student may then have a right to receive copies of the education record at the student's expense after evaluation of the circumstances by the Office of the Registrar.

   b. Official copies of academic records or transcripts will not be released for students who have a delinquent or unpaid financial obligation to the University, have a “hold” at the University, or have an unresolved disciplinary action pending at the University, provided that applicable law does not otherwise require disclosure of the records.

2. The right to provide written consent before the university discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

The school discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by Texas Tech University Health Sciences Center in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include
a volunteer or contractor outside of the [School] Texas Tech University Health Sciences Center who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the [School] Texas Tech University Health Sciences Center.

[Optional] Upon request, the school also discloses education records without consent to officials of another school in which a student seeks or intends to enroll. [NOTE TO POSTSECONDARY INSTITUTION: FERPA requires a school to make a reasonable attempt to notify each student of these disclosures unless the school states in its annual notification that it intends to forward records on request.]

3. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the [School] Texas Tech University Health Sciences Center to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Center
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

4. A student may waive the right of access to confidential letters of recommendation in the areas of admissions, job placement and receipt of awards.

5. Personally identifiable information such as rank in class, personal conduct, grade point average, academic progress, etc., shall not be released to non-authorized personnel without the written consent of the student.

D. Records Not Accessible to Students

The following are records not accessible to students:

1. Records of instructional, administrative and educational personnel that are kept in the sole possession of the maker, are used only as a personal memory aid, and are not accessible or revealed to any other person except a temporary substitute for the maker of the record;

2. Records of the Texas Tech Police Department, subject to the provisions of 34 C.F.R. 99.8;

3. Records relating solely to an employee of TTUHSC in his/her capacity as an employee that are not available for any other purpose, unless the Student is employed as a result of his/her status as a Student;

4. Student medical and counseling records created, maintained, and/or used only in connection with providing medical treatment or counseling to the Student, that are not disclosed to anyone other than the individuals providing the treatment; and

5. Alumni records or other records that contain information about an individual after he/she is no longer a Student at that agency or institution (e.g., information gathered on the accomplishments of alumni).
E. Disclosure of Education Records

FERPA permits the disclosure of PII from students’ education records, without consent of the student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, §99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. An institution may disclose PII from the education records without obtaining prior written consent of the student –

• To other school officials, including teachers, within Texas Tech University Health Sciences Center whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31 (a)(1)(i)(B)(1) – (a)(1)(i)(B)(2) are met. (§99.31 (a)(1))

• To officials of another school where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34. (§99.31 (a)(2))

• To authorized representatives of the U. S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State postsecondary authority that is responsible for supervising the university’s State-supported education programs. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal-or-State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31 (a)(3) and 99.35)

• In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31 (a)(4))

• To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§99.31 (a)(6))

• To accrediting organizations to carry out their accrediting functions. (§§99.31 (a)(7))

• To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31 (a)(8))

• To comply with a judicial order or lawfully issued subpoena. (§99.31 (a)(9))

• To appropriate officials in connection with a health or safety emergency, subject to §99.36. (§99.31 (a)(10))

• Information the school has designated as “directory information” under §99.37. (§99.31 (a)(11))

• To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense, subject to the requirements of §99.39. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding. (§99.31 (a)(13))
• To the general public, the final results of a disciplinary proceeding, subject to the requirements of §99.39, if the school determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the student has committed a violation of the school's rules or policies with respect to the allegation made against him or her. (§99.31 (a)(14))

• To parents of a student regarding the student’s violation of any Federal, State, or local law, or of any rule or policy of the school, governing the use of possession of alcohol or a controlled substance if the school determines the student committed a disciplinary violation and the student is under the age of 21. (§99.31 (a)(15))

F. Student's Request to Amend Records

Students have the right to request an amendment of their educational records and information directly relating to them. This section does not include procedures for students challenging individual grades. Grade appeal and grievance procedures are set forth in the individual Student Handbooks for each School and the TTUHSC Student Handbook/Code of Professional Conduct. The request is limited to inaccurate, misleading or otherwise inappropriate records and information. The procedures set forth below shall be followed to amend the records.

1. Student who believes that his/her Education Records are inaccurate or misleading, or that the records violate his/her privacy rights, must first request an informal discussion regarding the questionable item with the Office of the Registrar, who may or may not honor the request.

2. If the result of the informal discussion with the Office of the Registrar is not satisfactory to the Student, and the Student still wishes to have the record corrected, the Student should submit a Student Request to Amend Education Records form HSC OP 77.13 to the Executive Vice President for Academic Affairs or designee. The request shall clearly identify the part of the record the Student believes should be changed, and specify why it should be changed, i.e., why the Student believes the record is inaccurate, misleading or in violation of his/her privacy rights. [Note: The substantive judgment of a faculty member regarding a Student's work, expressed in grades or evaluations, is not within the purview of the right to seek amendment of Education Records under this section. This section does not include procedures for Students challenging individual grades. Grade appeal and grievance procedures are set forth in the individual Student handbooks for each School and the TTUHSC Student Handbook/Code of Professional Conduct.]

3. After receiving the written request from the Student for a change in his/her Education Records, the Executive Vice President for Academic Affairs (“ESVPAA”) or designee shall request, and the Office of the Registrar shall provide, a written statement that explains why the request for the change in the Education Record was denied at the informal stage. After reviewing the request by the Student and the response of the Office of the Registrar, the ESVPAA or designee will provide written notification to the Student whether or not TTUHSC will implement the change. If not, the ESVPAA or designee will notify the Student of the right to a hearing to challenge the information believed by the Student to be inaccurate, misleading, or in violation of the Student's rights.

4. Upon receiving a written request from the Student for a hearing, the ESVPAA or designee shall arrange for a hearing and provide written notice to the Student reasonably in advance of the date, time and place of the hearing. The hearing will be conducted according to the following procedures:

   a. The hearing shall be conducted by a hearing official or committee appointed by the President or designee. Such individual(s) must have no direct interest in the outcome of the case and shall decline to serve if a conflict of interest, or an appearance of a conflict of interest, exists with either the Student or the Office of the Registrar.
b. At least five (5) days prior to the date scheduled for the hearing, the Student and the Office of the Registrar, shall submit to each other, as well as to the hearing official or committee, any and all pertinent documents and a list of witnesses and advisors who are to be involved in the hearing process. The Student may, at his/her own expense, be assisted or represented by one or more individuals of his/her own choice, including an attorney. If the Student has an advisor, the Office of General Counsel shall represent the University. The Student and the Office of the Registrar are each responsible for presenting relevant information. Therefore, the advisors and/or attorneys for the Parties are not permitted to speak or participate directly in the hearing.

c. At the hearing, the Student shall have the opportunity to present evidence to support his/her position that the content of the relevant educational record is inaccurate, misleading and/or otherwise in violation of the privacy rights of the Student.

d. Any additional information regarding the hearing procedures will be provided to the Student when notified of the right to a hearing.

e. Within seven (7) business days after the conclusion of the hearing, the hearing officer or chair of the hearing committee, if applicable, will transmit the decision in writing to the Student, the Office of the Registrar, and the S–EVPAA or designee. The decision must include a summary of the evidence and the reasons for the decision. If, as a result of the hearing, the hearing official or committee determines that the information in the Education Record is not inaccurate, misleading, or otherwise in violation of the privacy rights of the Student, the Student will be notified of the right to place a statement in the record contesting the information in the record or stating why the Student disagrees with the decision of the agency or institution, or both. Any statement provided by the Student shall be maintained with the contested portion of the record for as long as the record is maintained. In the event the contested portion of the record is later requested, the statement shall be disclosed with the record to the extent it pertains to the contested portion.

TTUHSC will only use aircraft and aircraft operators that are flight worthy and are certified and operate under Subchapters F & G, Parts 91, 119, 121, 125, or 135 as applicable in Chapter 1, Federal Aviation Regulations, 14 Code of Federal Regulations (the “C.F.R.”). In addition all qualified used pursuant to this provision must be piloted, at a minimum, by pilots that are fully qualified and insured in the aircraft being flown, possessing a commercial pilot certificate with instrument rating.

C. Travel Using Personal Vehicles

1. Transportation Generally. The University recognizes that students occasionally use personal vehicles while engaged in University-related activities on campus and in the local area. Because personal automobile insurance will be looked to first in the event of an accident, all persons who use their personal vehicles while conducting University business should be made aware of the possibility of personal liability related to such use. No coverage for personal injuries or property damage is available to students if they drive their personal vehicles on university-related activities as defined hereinabove.

2. Reimbursement for Costs of Personal Vehicles. Mileage costs related to any significant use of personal vehicles to conduct University-related business unrelated to required academic experiences, e.g. clinical rotations, clerkships, etc. may be reimbursed.

3. Use of Personal Vehicles Not Required. No individual shall be required to use a personal vehicle to perform University-related activities with the exception of travel to and from clinical affiliation sites.

4. Policy Concerning Use of Personal Vehicles by Students.

   a. Use of personal vehicles by students to drive to University-related activities is discouraged.

   b. If students use their personal vehicles, and/or transport other students as passengers, their personal insurance will be primarily responsible for any liability that may arise from such use.

D. Policy Concerning Student Releases and Medical Authorization

Each student who travels by any form of transportation to participate in a University-related activity, including but not limited to academically-related field trips, courses, competitions, or contests, or non-academic activities, must, prior to such activities,
execute a copy of the Student Liability Release Form (Attachment A) and the Authorization for Emergency Medical Treatment (Attachment B) which are attached to this policy.

International Travel by Students.

Students traveling abroad for any TTUHSC related reason (e.g., conferences, research, competition, community service, mission work, etc.) in any status (i.e. undergraduate, postgraduate, graduate, supported by scholarships, assistantships, institutional, etc.) must abide comply with HSC OP 10.29 and procedures and complete the required forms through the Office of Global Health (see HSC OP 10.29) regarding procedures for Pre-Departure 4. (a.), 1; 2(a-e) and Exit Counseling 5 1(a-c).

Students are not permitted to travel to a nation that is subject to a Travel Warning issued by the United States Department of State. To determine if a country is the subject of such a travel advisory, contact the Office of International Affairs (OIA) or the U.S. Department of State Office in Washington, DC at 202-647-4000 or through the web at http://travel.state.gov/travel/cis_pa_tw/tw/tw_1764.html. In the event the Department of State issues a travel advisory to which a student will be traveling, OIA will contact the student immediately. If the country has been placed on the Travel Warning list, the student must cancel the trip.

When an emergency occurs, procedures for Planned Response to Emergencies Abroad will be followed (HSC OP 10.29, Attachment B).

E. Guidelines Concerning Safe Travel Practices

1. Each administrative unit approving University-related travel, especially travel that involves students, is encouraged to promulgate guidelines that encourage safe driving and minimize risks of injury during that travel.

2. Registered student organizations are free to make such off-campus trips as are deemed worthwhile by the membership and sponsors of the organization. Participation in such off-campus trips and activities is at the students’ own risk. If personal injury or accident should occur to students or other persons during such activities, TTUHSC will assume no responsibility, financial or otherwise.

3. Faculty and staff sponsors and organization officers are urged to take all possible pre-cautions to ensure the safety and well-being of all persons participating in off-campus activities.

4. There is no official registration procedure for official off-campus trips, and there are no official excused class absences for students who participate in off-campus trips sponsored by student organizations. Students will be responsible for making their own individual arrangements with instructors for class work missed while participating in an off-campus trip. Instructors may set their own requirements for class work missed under such circumstances: they must grant students an opportunity to make up all course work missed while participating in an official off-campus trip.
PART X. MISCELLANEOUS POLICIES
A. Policies and procedures for certain items, including, but not limited to, academic advisement, academic review, appeals, attendance in academic courses, auditing courses, clinical attire, grades, promotions/dismissal, grievance procedures and student employment may be referenced in the various Schools' student handbooks and/or catalogs.

1. Absences

Please refer to the individual School's catalogs and/or handbooks for more specific details relating to your program.

2. Academic Requirements

Academic requirements vary with each TTUHSC School and particular degree program in which the student is enrolled. Students should consult with their respective School's academic/program advisor and/or School's catalog for specific details.

3. Admissions and Applicants

The educational policies of the TTUHSC are founded upon the regulations of the Board of Regents of the Texas Tech University System. TTUHSC is an upper-level, graduate, and professional study institution. The application and admissions policies for TTUHSC are outlined in the individual Schools' catalogs.

Most programs at TTUHSC have a deadline for receipt of applications and supporting documents. These deadlines vary by program and application year. Applicants are advised to contact the program to which they are seeking admission for specific deadline dates.

4. Adding and Dropping Courses

Consult with your academic department for deadline dates for adding and/or dropping courses. Students should make an appointment with his/her advisor to complete appropriate documentation. Students dropping a course to the point of zero hours of enrollment are considered to be withdrawing from the School's program. Please refer to the individual Schools' catalogs and/or handbooks for more specific details relating to your program.

5. Affiliation

The Student Government Association is the official organization representing students. Students may identify with off-campus programs and activities as individuals, but not as representatives of the student body.

6. Attendance

The faculty member responsible for the course determines attendance requirements for each course. A student who fails to attend any class for any reason is responsible for the material presented in class, assignments, examinations, announcements, etc. to the same extent as though the student had attended the class. Please refer to the individual School's catalogs and/or handbooks for more specific details relating to your program.
B. Bacterial Meningitis

a. **General.** Meningococcal disease is a potentially life-threatening infection caused by the bacterium *Neisseria meningitidis*. Bacterial meningitis is an inflammation of the membranes that surround the brain and spinal cord. This disease affects approximately 3000 Americans each year, including 100-125 people on college campuses, leading to 5-15 deaths per year among college students.

b. **Risks and Exposures.** The organism is spread from person-to-person through the exchange of respiratory and throat secretions such as coughing and kissing. Sharing cigarettes, water bottles, eating utensils and food, may increase your exposure. Resident Hall-style living may also play a role as crowded environments facilitate the spread of the infection.

c. **Symptoms and Diagnosis.** Early diagnosis is important. Your healthcare provider may use a combination of clinical symptoms and laboratory tests to diagnose the disease. Seek medical attention immediately if one or more of these symptoms appear:

- High fever
- Severe Headaches
- Vomiting
- Light sensitivity
- Stiff neck
- Nausea
- Lethargy
- Seizures
- Confusion and sleepiness
- Rash or purple patches on skin

d. **Possible Treatment and Consequences If NOT Treated.**

Antibiotic treatment may be effective if exposure and disease is detected early. Possible consequences of the disease, include, but are not limited to:

- Permanent brain damage
- Kidney failure
- Learning disability
- Gangrene
- Coma
- Convulsions
- Hearing loss
- Blindness
- Limb damage that may require amputation
- Death
e. **Prevention.**

Vaccinations may be effective against 4 of the 5 most common bacterial types that cause 70% of the disease in the United States. Vaccinations typically take 7-10 days to become effective, with protection lasting 3-5 years. The vaccination is generally safe—most common side effects may include redness and minor pain at the injection site for up to two days.

**Medical and Religious Exemptions**

**2010-2011 Texas Vaccine Exemption Information**

7. The state of Texas in law grants and acknowledges the right of parents to exempt their children from vaccination requirements for day care, school, and college for reasons of conscience including a religious belief or for medical reasons. In 2003, the Texas legislature passed changes to the statutes expanding the reasons a parent can claim an exemption but the Health Department has questionably also increased the bureaucratic red tape necessary for claiming the exemption. There are specific procedures for requesting an official state form and submitting it to the school or for completing a medical exemption that all take some time so please don’t wait until the last minute to get your papers in order.

For everyone claiming an exemption for the first time after 9/1/03, you must comply with the new law. If you’ve submitted an old religious belief or for medical reasons form prior to 9/1/03, you are grandfathered under the old law (see notes below) and do not need a new form. The vaccine exemption forms for reasons of conscience including a religious belief are only for students claiming a vaccine exemption for the first time after 9/1/03 when the new law went into effect. If you need to request forms from the state health department, you can do it by fax, mail, personal visit, or through an online submission form. If you send your request by mail, we suggest sending it registered mail with a receipt so you can keep track of your request. If you send it by fax, set your fax machine to print out a delivery receipt. We would like to keep track of the Health Department’s processing time.

According to the Texas Dept. of State Health Services: Online requests must be made through the web submission form posted at [https://corequest.dshs.texas.gov/](https://corequest.dshs.texas.gov/).

8. **Required Immunizations**

In order to protect the health of our students and the health of the patients with whom they come in contact, TTUHSC requires all entering students to provide documentation of all immunizations as listed below. Immunization requirements are based on regulations, guidelines and recommendations available as of October, 2012 from the Texas Administrative Code (TAC), Texas Department of State Health Services (DSHS), the U.S. Centers for Disease Control and Prevention (CDC), and the U.S. Advisory
Committee for Immunization Practices (ACIP). The meningitis requirement must be sent in immediately and all other requirements must be met prior to orientation.

9. Tuberculosis Surveillance

- Tuberculosis surveillance for Covered Individuals is based on current U.S. Department of Health and Human Services, Centers for Disease Control and Prevention (CDC) Recommendations and Reports (December 30, 2005, 54 (#RR-17):1-147), Guidelines for Preventing the Transmission of Mycobacterium tuberculosis in Health-Care Settings.

Exposure Management

- Institutional management of exposure to: (1) blood-borne pathogens, (2) body fluids and, (3) other miscellaneous exposures is based on regulations, guidelines and recommendations available as of October, 2012 from the Texas Administrative Code (TAC), Texas Department of State Health Services (DSHS), the U.S. Centers for Disease Control and Prevention (CDC).

10. Working with Affiliated Entities-Student Drug Screenings, HSC OP 77.15

a. Defined Terms

   I. For purposes of this policy the term “Student” does not include residents in the Schools of Medicine or School of Pharmacy.

b. Background

   I. TTUHSC enters into affiliation agreements with various health care clinical entities ("Affiliated Entities"), such as hospitals and other facilities, in order to provide clinical experience opportunities for its students enrolled in TTUHSC clinical education programs.

   II. Affiliated Entities may establish more stringent standards for students who wish to do a clinical rotation at the affiliated entity, than those required by TTUHSC as part of its admission process. Affiliated Entities may require students, among other things, to undergo and satisfactorily pass additional background checks and/or drug screenings as a pre-requisite to participating in a clinical rotation at the Affiliated Entity.

   III. Clinical rotations are an essential element in certain degree programs' curricula. Students who cannot participate in clinical rotations due to a positive drug screening may be unable to fulfill the requirements of a degree program. TTUHSC schools may NOT mandate this requirement for all students. It applies solely to those students who must fulfill the requirement for participation in a clinical rotation at an Affiliated Entity.

c. Clinical Placement

   i. Placements at Affiliated Entities for clinical rotations will be based on the learning objectives as defined by each program consistent with the learning objectives of each student. Determination of unacceptable results of a drug screening will be made by the Affiliated Entity. Any student placed with an Affiliated Entity that requires additional background checks and/or drug screens, who cannot meet these requirements, must discuss all available options with their School's Office of Student Affairs or their designee.
ii. Affiliated entities may conduct their own drug screening. If the student fails the drug test and is consequently denied externship placement, s/he shall be subject to disciplinary action in accordance with the TTUHSC policies.

d. Responsibility of the School

The student’s School shall:

i. Notify the student of the Affiliated Entity’s requirements for a drug screen, to include the type(s) of drug screen required by the Affiliated Entity, deadlines to meet the Affiliated Entity’s requirements, a list of approved drug screen testing vendors, and a completed Authorization, Attachment “A,” for signature by the student.

ii. Receive the student’s drug screen test results, which shall be maintained in a confidential, locked file separate from the student’s primary educational records.

iii. Notify and ensure the Affiliated Entity that all students prior to their clinical rotation have met their drug screening requirements.

e. Responsibility of the Student

i. The student shall pay for the cost of any and all drug screening required by an Affiliated Entity that is designated for student matriculation by TTUHSC provided articles b, c, d, below are met. The student shall be responsible for the cost of any necessary re-test or subsequent tests at TTUHSC designated Affiliated Entity(s) and any drug screening required by an Affiliated Entity selected for matriculation by the student.

ii. The student shall complete the drug screen prior to the deadlines provided by the School and meet the guidelines of the Affiliated Entity. Failure to complete the drug test prior to the deadlines may result in an additional expense to the student, and/or delay in, or denial of, rotation in the Affiliated Entity.

iii. The student shall use a drug screen vendor from the designated vendors provided to the student by his/her School and/or the Affiliated Entity. 1) Results from a vendor NOT on designated by the School and/or Affiliated Entity will not be accepted and the student shall be required to have the drug screening test(s) conducted by an approved vendor.

iv. The student will be required to sign a valid consent and authorization, Attachment “A,” consenting to the drug screening and giving the vendor performing the test permission to provide the drug screen test results to the person designated by the School to receive student drug screen tests results under this policy.

f. Student Refusal to Consent to Drug Screen

Any student who fails or refuses to consent to a drug screen required by an Affiliated Entity to which the student has been assigned by his/her School shall be subject to disciplinary action in accordance with the TTUHSC Student Handbook/Code of Professional and Academic Conduct, the Schools’ written policies, if any, and this policy.
**g. Period of Validity – Drug Screen Results**

i. Unless otherwise required by an Affiliated Entity, drug screen test results will generally be valid for the time the student is in the program within the School unless there is a break in enrollment, defined as not enrolled for one full semester.

ii. Students may be required to undergo drug screening more than once depending on the requirements of each Affiliated Entity in which the student is placed to meet their learning objectives or the number of Affiliated Entities at which the student is placed.

**h. Drug Screen Results**

i. Diluted Specimen. Should the vendor report that the screening specimen was diluted, thereby precluding an accurate drug screen test, the student, at his/her expense, will be required to complete and successfully pass a new drug screen test.

ii. Negative Drug Screen Results. The School which receives the a student's drug screen test results, may release negative drug screen test results to the student, provided the student has signed the appropriate release form, Attachment A.

iii. Positive Drug Screen Results. A positive drug screen is any instance in which a drug screen report shows a positive test for one or more of the drugs on the panel required by the Affiliated Entity.

iv. Any student with a positive drug screen will not be placed in any clinical facility pending review and outcome of appeal with the vendor.

v. The student has the right, at his/her expense, to request an independent review of any positive drug screen, by an independent Medical Review Officer, provided by the vendor. There will be an additional charge if review by the Medical Review Officer is requested, and the student is responsible for all costs related to this review.

vi. Any appeal based on a positive drug screen is solely between the student, the Medical Review Officer and the vendor. The student's School will not become involved in the appeal of a positive drug screen.

vii. If, after review by the independent Medical Review Officer, there is no valid medical basis which would cause or contribute to the positive drug screen, the test results will stand, at which point the student will be referred to the School’s Office of Student Affairs for disciplinary action in accordance with this policy and the School’s written policies.

**i. Confidentiality of Records**

i. Drug screening reports and all records pertaining to the results are considered confidential information with restricted access to the extent allowed by law.
j. Re-admission

i. Any student who is withdrawn due to a positive drug screen without medical validation will only be eligible for readmission to any TTUHSC program of study in accordance with the School’s readmission policies.

ii. If accepted for readmission after the required period of time, the student must, at his/her own expense, provide a negative drug test and satisfactory documentation of completion of any remedial action required by the School.

k. Right to Change Policy.

i. TTUHSC reserves the right to change, modify, amend or rescind this policy in whole, or in part at any time.

Credit by Exam

Specific credit by examination policies may be found in each of the Schools’ catalogs and/or student handbooks; however, the School of Nursing does not offer Credit by Exam. Pass or fail grades earned on examinations for these courses will not be considered in determining grade-point averages. TTUHSC Schools may elect not to accept credit by examination, where it is determined that such academic achievement may hinder the success on national licensure exams/certifications.

Disabilities (Students)

TTUHSC OP 10.15 complies with the American with Disabilities Act (ADA), Section 504 of the Rehabilitation Act of 1973, and state and local requirements regarding students with disabilities. Under these laws, no otherwise qualified and competitive individual with a disability shall be denied access to or participation in services, programs and activities of TTUHSC solely on the basis of the disability.

Students with grievances related to discrimination on the basis of a disability should review the Student Handbook, Part IV Anti-Discrimination. The grievance process would include the ADA Compliance Officer for Students. Any student seeking accommodations on the basis of disability must register as a disabled student with the ADA Compliance Officer for Students in the Office of Student Services and must provide all required documentation of disability. Students seeking accommodations must complete an application for disability services and provide supporting documentation. For more information, visit www.ttuhsc.edu/HSC_OP10.15.pdf.

Discrimination/Equal Opportunity

No person shall be excluded from participation in, denied the benefits of, or be subject to discrimination under any program or activity sponsored by TTUHSC on any basis prohibited by applicable law, including but not limited to, race, color, national origin, religion, sex, veteran status or disability. Grievances related to discrimination on the basis of race, religion, national origin or age should be pursued through regular administrative channels. Academic problems are to be handled in the academic administrative structure culminating in review by the individual School's Dean. The individual Schools as noted in their Schools’ catalogs should direct non-academic student matters to the Office of Student Services. For more information, visit https://www.ttuhsc.edu/hsc/op/op51/op5101.pdf, Equal Employment Opportunity Policy and Affirmative Action Plan.
Employment Grievance

A student wishing to pursue a grievance concerning employment with the University and who has not found satisfaction or resolution with his or her immediate supervisor or the person in charge of that department may contact the Office of Equal Employment Opportunity in accordance with the grievance procedures outlined in the TTUHSC OP 70.10, Non-faculty Employee Complaint and Grievance Procedures. The procedures manual may be reviewed in the Office of Equal Employment Opportunity.

Exams

Please refer to the individual School’s catalogs for more specific exam details relating to your program. Any student seeking exam accommodations on the basis of disability must register as a disabled student with the ADA Compliance Office for Students in the Office of Student Services and must provide all required documentation of disability. Appropriate and reasonable accommodations, if any, will be determined by the ADA Compliance Office for Students in the Office of Student Services.

Financial Policies

Students must meet all financial responsibilities due the University. The writing of checks on accounts with insufficient funds, the non-payment or delinquent payment of outstanding loans, and failure to meet any other financial obligations to the University, are considered a lack of financial responsibility. Financial irresponsibility can subject the student to action by TTUHSC, including, but not limited to, denial of registration, withholding of grades and transcripts and possible adjudication under the Code of Professional and Academic Conduct. In addition, failure to meet financial obligations to the University may result in:

a. Cancellations of the student's registration if tuition and registration fees are not paid by the 12th class day and 20th class day (4th class day and 15th class day in summer), or if a returned check given in payment of tuition and fees is not redeemed by that time;

b. Loss of University check writing privileges and possible criminal prosecution for writing insufficient fund checks and for failure to pick up a returned check;

c. A flag placed on a student's academic records preventing future registration (before registering or requesting a transcript, students may check on the presence of flags on their records by contacting the Office of the Registrar); and/or,

d. Reporting of financial problems to a credit agency or a collection agent.

Grades/Grading

a. The instructor assigned to a course has the responsibility for determining a grade and for judging the quality of academic performance.

b. The processing of formal appeal procedures is the responsibility of the School which administers the course. A copy of the grade appeal procedures may be found in the individual Schools' catalogs and/or handbooks. A student must file a formal written appeal within 5 days of the beginning of the next semester in accordance with the individual Schools’ policy regarding student grade appeals. A grade can be formally appealed only when there is demonstrable evidence that prejudice, arbitrary or capricious action on the part of the instructor has influenced the grade. The burden of proof that such an unfair influence has affected a grade rests with the student who appeals the grade. Only final course grades may be formally appealed to the responsible academic
dean. Earlier grades and other academic grievances may be discussed with the instructor involved and with the chair of the department or division involved. After a degree has been posted, no further adjustments can be made on the record except under extraordinary circumstances as determined by the Dean of the School the student is enrolled under.

Graduation Procedures

a. Degree requirements are published in the individual School’s catalogs.

b. Prior to graduation, all candidates for TTUHSC degrees are required to:

i. Complete all graduation requirements set forth by the applicable School;

ii. Complete and return to the Office of Student Services the University’s Intent to Graduate form in the semester before anticipated graduation (the student’s “diploma name” as requested in the Intent to Graduate form is printed on her/his diploma, and information provided by the student is used in commencement programs);

iii. Be registered in the semester the certificate or degree is to be conferred unless the student is granted an exception by the dean of their school;

iv. Attend an Exit Interview session scheduled by the Student Financial Aid Office for students who have received financial assistance, which must be repaid after graduation.

Health Services and Health Insurance Information

a. The Texas Tech Physicians Family & Community Medicine clinic provides health services to TTUHSC students who are currently enrolled and have paid the Student Health Fees as part of tuition and fees. To receive health services, you must present a Student I.D. card at the time of the appointment. If you also have private insurance in addition to Student Health Services, you will need to submit your receipt for the co-pay to your insurance company for reimbursement.

The Student Health Fee covers only those services provided by the Family & Community Medicine clinic and specific laboratory and radiology service performed at cooperating locations. All other charges incurred are your responsibility.

b. Clinic Procedures

i. Please call to make an appointment. If you need to be seen for a sudden illness, please call that day as early as possible. If you need to be seen after clinic hours, call your campus’s clinic phone number and ask to leave a message for the on-call physician. When you check in, please inform the receptionist that you are a TTUHSC student. If you come to the clinic without an appointment, it may be necessary for you to wait for a physician. Immunizations, paper work, and routine procedures are not ordinarily considered urgent care, and may not be taken care of on the same day as requested. If you have a health emergency that requires you to be seen at a hospital emergency room, go to the hospital listed for your campus under “Clinic Locations.” Visits to an emergency room that generate a charge from either TTUHSC or the hospital are your responsibility.
ii. If the student receives a bill from the Health Sciences Center for services covered by the medical service fees, please contact the Office of Student Services at (806) 743-2300.

iii. **Students are expected to have hospitalization insurance coverage for each semester enrolled.** Students should be prepared to provide proof of coverage at the time of registration.

iv. TTUHSC will make available information on student health insurance providers for all registered students in the University. Students may investigate other insurance plans. Insurance information can be found on the Office of Student Services, www.ttuhsc.edu/studentservices.

**Interprofessional Education**

All TTUHSC students, regardless of school affiliation, will be required to complete a non-credit, online course in interprofessional education. Implementation of this requirement will vary across schools and degree programs. Students should consult their academic/program advisor and/or school catalog for additional information.

**Interprofessional Practice and Education (IPE) Core Curriculum**

All TTUHSC students, regardless of school affiliation, will be required to complete the IPE core curriculum prior to graduation. The IPE core curriculum is composed of two components including successful completion of a non-credit online course (>70% accuracy on the knowledge post-test) and successful participation in at least one registered IPE learning activity. Failure to complete the IPE core curriculum will result in delayed graduation. Students should consult their academic/program advisor and/or school catalog for additional information.

**Notification of Student Death**

The Office of Student Services is the Office of the Chancellor's liaison regarding notification of any student deaths. Schools must notify the Assistant Vice President for Student Services immediately in the event of any student death.

**Program of Assistance for Students**

Personal counseling services are available to all TTUHSC students through the Program of Assistance for Students (PAS). Through the PAS, licensed counselors are available to assist students with all types of problems, including stress associated with academic, legal, or financial concerns; depression, anxiety, and/or other emotional problems; family and relationship issues; alcohol and drug abuse; and other mental health and wellness issues. For more information or to request assistance, please call 1-806-743-1327 or 1-800-327-0328. In after-hours situations, these PAS phone numbers serve as a 24-hour crisis line. In the event of an emergency, the answering service will connect the student with the counselor who is on call. Through PAS, TTUHSC students and their dependents are eligible to receive five free counseling sessions per year. Additional information about PAS services is published in a brochure that is available from student affairs personnel on all campuses and is also posted on the Office of Student Services website at the following address: http://www.ttuhsc.edu/studentservices/documents/PAS_Document.pdf.

**Student Emergency Contact Information**

Students must keep their Emergency Contact Information current. To do so, visit webraider.ttuhsc.edu and sign in. Select the "MyTech (for Students)" tab and look in the "Personal Information" box. Click "Update Emergency Contacts" and fill in your information.
Student Publications

a. The Daily Toreador student newspaper and La Ventana yearbook are free of arbitrary and capricious censorship and advance-copy approval, when operated and published within the canons of responsible journalism as established by the University Committee on Student Publications.

b. All aspects of TTU/TTUHSC Student Publications shall be the responsibility of the President of the appropriate component institution and therefore under his/her direction.

Registration

a. Registration is coordinated by the Office of the Registrar in cooperation with the School in which the student enrolls. Tuition and fees are payable in full at the time of registration unless other arrangements have been completed. Registration for new students is completed as a step in the orientation process, or with the assistance of the Schools’ Student Affairs or Coordinators office.

b. To be eligible for registration, the student must have been officially admitted as a new student, or officially readmitted following an absence, and must have satisfied all admission requirements, or must be a continuing student who is eligible to continue as a student at the University. Any student deemed ineligible due to academic, administrative or disciplinary sanction will be barred from registration. Students must provide all final transcripts to the Office of the Registrar by the end of the first semester in which they are enrolled or a hold will be placed preventing registration in future semesters. *See Student Record and Transcript Policy located at http://www.ttuhsc.edu/registrar/documents/student.record.transcript.policy.pdf

c. Late Registration. Students are expected to register at their earliest opportunity. A student who registers late is assessed a charge. Consult the Office of the Registrar for deadline dates for registration.

Religious Holy Days

a. A student who intends to observe a Religious Holy Day should provide written notice, at the earliest possible date prior to the absence, to the following: (1) the instructor of each affected class and (2) the Director of Student Affairs of his/her School. A student will be excused from attending class(es), examinations, or other required activities for the observance of a Religious Holy Day, including travel for that purpose. A student whose absence is excused under this section will be allowed to take an examination or complete an assignment within a reasonable time and at the sole discretion of the instructor of record and/or the Director of Student Affairs before or after the absence.

b. A student who is excused under the above provision may not be penalized for the absence; however, the instructor may appropriately respond if the student fails to satisfactorily complete the missed assignment or examination within the above-stated time.

c. Any disputes regarding this policy should be submitted in writing to the TTUHSC President or his/her designee. Any decision by the President or his/her designee regarding the dispute shall be final.

d. This policy does not apply to any student absence for a Religious Holy Day which may interfere with patient responsibilities or patient care.
State Residency Classification

Students are responsible for registering under the proper residence classification and for providing documentation as required by the institution. If there is any question about the right to classification as a resident of Texas, it is the student’s obligation, prior to the time of enrollment, to ask for an official determination by the Office of the Registrar.

Non-residents who live in Texas taking only online courses are charged non-resident tuition and fees. An applicant whose classification as a resident of the State of Texas is not clearly established should request a Residency Questionnaire from the Office of the Registrar.

Sexual Harassment Policy

Harassment of students of the basis of sex is a violation of §106.31 of Title IX of the Education Amendments of 1972. The Deputy Title IX Coordinator for Students is the Assistant Vice President for Student Services, 2C400 Academic Classroom Building, (806) 743-2300. Student concerns about sexual harassment which include faculty, staff, or students should be directed to the individual School’s Dean.

Tuition and Fees Installment Payment Options

i. Texas Education Code, Section 54.007, provides that state-supported institutions of higher education shall provide students with the election to pay tuition and fees during the fall, spring, or long summer semesters in installments. TTUHSC offers the following payment alternatives:

ii. Full payment of tuition and fees in advance of the beginning of the semester; or

iii. One-half payment of tuition and fees in advance of the beginning of the semester and separate one-fourth payments prior to the sixth and eleventh class weeks, respectively.

iv. TTUHSC shall develop procedures which will provide that students may elect to pay tuition and fees using the payment alternative.

v. TTUHSC is authorized to establish payment due dates in advance of the beginning of a semester and prior to the sixth and eleventh class weeks respectively so that required payments have been received and student records have been appropriately updated on the dates required by law.

vi. If a student elects to pay tuition and fees using the payment alternative, he or she shall be assessed an installment option fee in addition to the required payment of tuition and fees. The fee developed and recommended for approval shall reflect all costs incurred in operating and handling payments under the installment alternative. The rates of the fee shall be approved by the Board of Regents.

vii. If a student who has elected to pay tuition by installment fails to pay in full all amounts of tuition, other registration fees, installment option fee, late payment fees, and other authorized fees by the end of the business day of the last day of the semester, then he or she will be dropped from School for failure to pay.

viii. TTUHSC shall develop procedures so that students are notified of the requirements, provisions, and penalties of the installment payment options.
Annual Biennial Approval of Student Fees: The Board of Regents shall approve the assessment and collection of fees from Texas Tech University Health Sciences Center (TTUHSC) and Texas Tech University (TTU) students. The amounts to be collected are presented in a Global Fee Document to the Board of Regents annually two years for approval.

**Students who withdraw from TTUHSC or drop all courses during a term that receive(d) financial aid.**

It’s important for students who receive financial aid and withdraw or drop all courses during the term to be aware of the refund policies and to understand the impact they will have on the aid released and the continued financial aid eligibility. Current refund policies for students who withdraw or drop all courses during a term are determined by the Higher Education Title IV refund regulations.

Federal Refund and Repayment calculations must be performed for students who receive Title IV (Pell, FSEOG, Perkins and/or Stafford Loans) funds and officially withdraw from all courses, drop out of all courses, are expelled, take an unapproved leave of absence, or fail to return from an approved leave of absence prior to the 60% date of the term. All “unearned aid” must be returned to the federal aid programs as determined by the Federal Refund and Repayment calculations.

a. The requirements for Title IV program funds are separate from the university refund policy. As such, you are responsible for unpaid institutional charges remaining after the refund calculation. You are also responsible for charges/balances created by the returning of Title IV program funds that the school was required to return.

b. If you have questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID (1-800-433-3243). TTY users may call 1-800-730-8913. Information is also available on Student Aid on the Web at [www.studentaid.ed.gov](http://www.studentaid.ed.gov).

In order to keep all the financial aid issued in each term, students must be enrollment for at least 60% of the term. After this point in the term students have earned 100% of the Title IV funds released for the term. Therefore, it is in your best interest to maintain attendance and complete at least one class each term that you receive federal aid to avoid repayment of funds.

**How the calculation works:**

1. Number of days attended ÷ Days in semester = % of semester completed
2. Total $ disbursed X % completed = Earned $
3. Total $ disbursed - Earned $ = $ to be returned

Once it is determined that you owe money back to any of the federal aid programs, you will be ineligible to receive further federal aid at TTUHSC or any other institution, until this debt is cleared.

To remain eligible for financial aid, a student must maintain satisfactory academic progress. This consists of two categories:
1. grade point average on hours attempted (qualitative)
2. hours successfully completed (quantitative) based on hours enrolled.

As a general rule, a student must successfully pass 75% of the hours they attempt (hours as of the census date).

PART XI. STUDENT COMPLAINT OR GRIEVANCE POLICIES AND PROCEDURES
The following narrative summarizes TTUHSC’s student complaint or grievance policies and procedures. Links to specific policies and procedures are provided on the Office of Student Services website: http://www.ttuhsc.edu/studentservices/Student_Grievances.aspx.

It is the policy of the Texas Tech University Health Sciences Center to affirm the right of its students to a prompt and fair resolution of a complaint or grievance involving allegations of inappropriate behavior by other TTUHSC students or by TTUHSC personnel toward students. Policies and procedures exist for the following areas of student complaints:

- Complaints regarding the general or academic misconduct of another student
- Complaints regarding discrimination
- Complaints regarding student records
- Complaints regarding employment at TTUHSC
- Complaints regarding grades or grading
- Complaints regarding other types of mistreatment
- Other institutional-level student complaint procedures

The Student Resolution Center, which is located on the Texas Tech University campus in Lubbock, serves as a neutral, objective third party to provide students in the Texas Tech University System including TTUHSC with informal assistance in resolving student-related problems, conflicts, and disputes. The Student Resolution Center is available by phone to assist all TTUHSC students in identifying appropriate complaint-resolution procedures and resources.

A. Complaints regarding the general or academic misconduct of another student
Policies and procedures governing complaints regarding the general or academic misconduct of students are defined in the Code of Professional and Academic Conduct (Student Code), which is published as Part II of this handbook. Students, faculty, and staff are all encouraged to report violations of the Student Code in accordance with the Disciplinary Procedures outlined in the Student Code.

B. Complaints regarding discrimination
This handbook identifies several policies intended to ensure the fair and equitable treatment of all members of the university community. The processes for filing complaints are detailed in the TTUHSC Operating Policies and Procedures. The following list identifies key institutional policies governing complaints regarding discrimination:

- HSC OP 10.15, Americans with Disabilities Act
- HSC OP 51.01, Equal Employment Opportunity Policy and Affirmative Action Plan

C. Complaints regarding student records
HSC OP 77.13, Student Education Records, provides detailed information about filing complaints relating to student records.

D. Complaints regarding employment at TTUHSC
Information about employment grievances for students who are employed at TTUHSC is provided in HSC OP 70.10, Non-faculty Employee Complaint and Grievance Procedures. This policy covers complaints concerning issues pertaining to wages, hours, working conditions, performance evaluations, merit raises, job promotions, job assignments, or similar matters involving management decisions concerning the employee.
E. Complaints regarding grades or grading
The processing of formal grade appeal procedures is the responsibility of the school which administers the course. Relevant school policies are listed below:

- School of Health Professions: Student Complaint Resolution and Hearing Policy (addresses academic and non-academic issues, including grade appeals)
- School of Medicine–Lubbock: Student-Faculty Dispute Resolution Policy, Grading Policy, Promotions Policy, and policies and procedures for Challenging Student Records or Grades
- School of Nursing: Academic Grade Challenges/Appeals
- School of Pharmacy: Grade Grievance Resolution
- Graduate School of Biomedical Sciences: Grade Appeals Policy

F. Complaints regarding other types of mistreatment
Students who feel that they have been mistreated in a manner that is not directly addressed by any of the specific policies identified above are encouraged to refer to the policies and procedures governing student complaints, grievances, and appeals within their school.

Relevant school policies include the following:

- School of Health Professions: Student Complaint Resolution and Hearing Policy (addresses academic and non-academic issues, including grade appeals) and Academic Misconduct Policy (addresses academic complaints against a student)
- School of Medicine–Lubbock: Student-Faculty Dispute Resolution Policy, Student-Student Dispute Resolution Policy, Part IV Anti-Discrimination and Title IX,
- School of Nursing: Academic Grade Challenges/Appeals and Complaint or Grievance Resolution (Non-Grade Related)
- School of Pharmacy: Nontrade Grievance Resolution
- Graduate School of Biomedical Sciences: Appeals Policy for Students and Grade Appeals Policy

Students should process their complaints or appeals through the appropriate channels. Procedures are delineated in the policies identified above. Students are required to bring their concerns to the designated student affairs officer of their school. The student affairs officer in each school is as follows:

- School of Health Professions: Associate Dean for Admissions and Student Affairs
- School of Medicine-Lubbock: Assistant Dean for Student Affairs
- TTUHSC School of Nursing: Assistant Associate Academic Dean for Student Affairs and Student Affairs
- School of Pharmacy: Assistant Dean for Student Services
- Graduate School of Biomedical Sciences: Assistant Dean

The deans of the schools have final authority in resolving disputes related to academic issues, such as grading and promotion, and in non-academic issues involving the school’s faculty and staff.

Every effort should be made to resolve complaints against faculty and other school personnel at the school level. If the complaint is about personnel or services at the institutional level, the student is advised to contact the TTUHSC Office of Student Services in accordance with the following institutional-level student complaint procedures. These procedures are also published on the Office of Student Services website.
G. Other Institutional-Level Student Complaint Procedures

The procedures defined below apply to student complaints that fall outside the scope of other institutional and school-based policies and procedures governing specific types of student complaints (Student Complaint or Grievance Policies and Procedures), including, for example, student complaints against staff members employed at the institutional level or against TTUHSC administrators. The TTUHSC Office of Student Services will administer this institutional policy and will insure that due process is afforded to all concerned.

1. **Early Resolution**
   Prior to contacting the TTUHSC Office of Student Services, the student shall attempt to resolve the issue with the individual(s) involved. If the student is not satisfied with the outcome after meeting with the individual or does not feel comfortable talking to the administrator or staff member involved, the student may contact the Assistant Vice President for Student Services. The student shall address the issue and initiate action under this policy within 30 days of the event giving rise to the complaint.

2. The Assistant Vice President for Student Services may counsel the student to discuss the issue with the involved administrator or staff member. If the student does not feel comfortable talking to the person involved, the Assistant Vice President of Student Services will investigate the complaint, attempt to reconcile differences, and propose a solution. The Assistant Vice President for Student Services will provide a written statement of his or her recommendation to all parties within ten working days following the initial receipt of the student’s report of the complaint. All involved parties will then have ten working days to respond. Every effort should be made to resolve the issue without going beyond this level. The Assistant Vice President of Student Services will attempt to facilitate a resolution before proceeding with a hearing, as described below. (If the complaint is against the Assistant Vice President for Student Services, the student should meet with the Executive Senior Vice President for Academic Affairs, who will follow the procedures outlined here.)

3. **Filing a Hearing Request**

   If the student is not satisfied with the recommendation of the Assistant Vice President for Student Services, he/she may file a request for a hearing by submitting a written complaint to the Assistant Vice President for Student Services. The hearing request must include a specific statement of the student’s complaint, an explanation of what remedy the student seeks, and a copy of the Assistant Vice President for Student Services’ recommended resolution.

   If the student files a request for a hearing, a Student Hearing Committee as defined below must convene within 15 working days.

4. **Hearing Procedure**

   Upon receipt of a written request for a hearing, the Assistant Vice President for Student Services will appoint a Hearing Committee according to the following procedure:

   a. Each party will propose in writing a list of four TTUHSC faculty, staff, and/or students to serve on the Hearing Committee. The Assistant Vice President for Student Services will contact one person from each list in order of the submitting party’s preference to determine the person’s willingness to serve. Through this process, one person will be selected from each list. The two people selected will then select a third member (a TTUHSC faculty or staff member) and these individuals will comprise the Hearing Committee. This group will select a chair from among themselves.
b. The Assistant Vice President for Student Services will provide technical assistance and support to this committee.

c. As soon as the hearing is scheduled, the chair of the Hearing Committee will send a written notice to all involved parties. The notice will specify the time, place, and nature of the hearing, plus a brief description of the complaint. The notice will also confirm the right of all involved parties to present witnesses and evidence and to be accompanied by counsel for advisory purposes only.

d. At least three days prior to the hearing, all parties will provide to the chair of the Hearing Committee and the Assistant Vice President for Student Services a list of the names of any witnesses or counsel who will attend the hearing. If the student will be represented by counsel, the University may be represented by the Office of General Counsel. The student and the involved individuals(s) shall have access to all information to be considered by the Hearing Committee, including the names of all persons giving evidence.

e. The student and the involved parties shall attend the hearing and be offered an opportunity to state their positions and present testimony and other evidence relevant to the case. The responsibility of establishing the validity of the complaint rests with the student.

f. The Hearing Committee chair may keep a recording of the hearing, which shall include date, time, and location of the hearing, names of those present, and any evidence introduced (e.g., records, written testimony, duplicated materials).

5. Committee Decision

   a. After completion of the hearing, the Hearing Committee shall meet in closed session and prepare a written recommendation. Copies of the Hearing Committee chair’s report shall be forwarded to the involved parties within five working days.

   b. The appeal must be made, in writing, within three working days, to the Executive Vice President for Academic Affairs.

   c. The Executive Vice President for Academic Affairs will review the complaint resolution and render a decision within five working days. The decision of the Executive Vice President for Academic Affairs is final.

   d. If the Executive Vice President for Academic Affairs is serving as a mediator in the case, then the President or his designee will review the complaint resolution and render a decision within five working days. The decision of the President is final.

6. Complaint Forms

   It is the policy of the Texas Tech University Health Sciences Center to affirm the right of its students to a prompt and fair resolution of a complaint or grievance involving allegations of inappropriate behavior by other TTUHSC students or by TTUHSC personnel towards students. Policies and procedures for student complaints can be found in the TTUHSC Student Handbook (http://www.ttuhsc.edu/studentservices/documents/HSC_Institutional_Student_Handbook.pdf).

TTU Rawls Golf Course at Texas Tech University and Troon Golf, LLC
HISTORY

Between 2001-2003, Texas Tech University constructed the Rawls Golf Course, with the financial help of a major gift from Jerry S. Rawls. The Course was originally managed completely by University employees. Because of a number of consistent years of significant financial losses (totaling approximately $2.5M), the decision was made to issue an RFP for course management, and Troon Golf was chosen in 2009.

The original agreed upon length of the agreement was four years, and two subsequent two-year approved renewals have taken the partnership through its term (ending in 2017).

NEW AGREEMENT

A new Request for Proposal (RFP) was issued in the Spring of 2017 for management of the Rawls Course. Troon was again selected as the most qualified and capable company for providing management services by the selection committee.

The major financial terms of this partnership are outlined below, with both the terms in the ‘old’ agreement and proposed ‘new’ agreement:

<table>
<thead>
<tr>
<th>Section</th>

<th>New Agreement</th>

<tr>

<td>$21,500 annually and fixed fee for retail manager of $7500</td>
</tr>
</tbody>
</table>
The **Base Management Fee** for FY2016 based on the new agreement’s terms would have been approximately $85,067. No **Incentive Management Fee** would have been paid to Troon, as Net Operating Income (NOI) was below $0.00.

Up to this point (eight years), Troon has only expensed funds for **capital improvements** for minor repairs and maintenance of the facility and equipment. No reserve has been established, nor has approval been given to expend for any major capital improvements. The new agreement calls for a required 1.5% of each month’s Gross Revenues to be reserved towards more significant capital improvements to the Course.

ASU OP 06.23, Tenure and Promotion Standards and Procedures, with proposed revisions
Angelo State University
Operating Policy and Procedure

OP 06.23: Tenure and Promotion Standards and Procedures

DATE: Upon approval {Effective Fall 2017}

PURPOSE: The purpose of this Operating Policy/Procedure (OP) is to establish the system, rules, and procedures by which tenure-track and tenured faculty members achieve tenure and rank promotions.

REVIEW: The OP shall be reviewed every three years or as needed by the Provost and Vice President for Academic Affairs (PVPAA) and the Faculty Select Committee. This policy may be amended only by action of the Board of Regents of the Texas Tech University System.

POLICY/PROCEDURE

This policy describes the process by which members of the faculty employed in a full-time tenure-track position at Angelo State University apply for academic tenure and/or promotion. Consistent with ASU Operating Policies 52.02, 52.03, and 52.15, and in line with federal and state law, faculty members are protected during this process from discrimination on the basis of race, religion, gender, sexual orientation, age, national origin, and/or disability. This policy is implemented upon approval of the Board of Regents. All tenure-track and tenured faculty members are subject to this policy’s applicable provisions and procedures including those not addressed in any former policy. The tenure of faculty members who have attained tenure under prior policies at ASU shall not be adversely affected by amendments to this policy.

1. Expected Career Progression for Tenure-Track Faculty Members

   a. Tenure-track faculty members are expected to follow a standard timeline for career progression which includes academic tenure and academic rank promotions.

      (1) Assistant Professor – This is the initial rank to which tenure-track faculty members shall normally be appointed. Faculty members should be aware that Assistant Professors are employed on a probationary basis. The decision to reappoint the faculty member for the following academic year is based on a review of performance as outlined in OP 06.28.

      (2) Associate Professor – No later than the beginning of the sixth year of credited service, faculty members must apply for tenure and promotion to Associate Professor unless an exception has been granted as provided in 1.c below. This faculty rank is awarded concomitantly with a successful tenure application.
(3) Professor – This is the final tenured faculty rank. To be awarded, a faculty member must complete a minimum of four (4) years of creditable service at the rank of Associate Professor at Angelo State University. Application for this promotion may occur at the beginning of the fifth year of service at Angelo State University. *Promotion to Professor is not guaranteed on the basis of time served.* The application process for promotion to Professor must follow the same process as the application for tenure, and shall be awarded based on evaluation of merit according to the Departmental performance criteria.

b. If a faculty member is hired with service credit from another institution, as outlined in 4.b.3 and 4.f.4.a & b, the faculty member shall begin the tenure and promotion timeline at the point after which that credit has been applied.

c. Exceptions to the timeline above must be approved by the faculty member’s Department Chair, College Dean, the PVPAA, and the President of the University.

2. Definition of the College Tenure and Promotion Committee (CTPC)

a. The purpose of the CTPC is to evaluate candidates’ applications and make an independent recommendation to the Dean of the College and the PVPAA.

(1) Each CTPC shall include at least four (4) eligible tenured faculty members from that College.

(2) Department Chairs, Deans, and Associate Deans are ineligible to serve on the CTPC.

(3) All departments within the College must be equally represented to the extent possible.

(4) If a department cannot provide the proper number of representatives to the CTPC, the Department Chair of the affected department may appoint a tenured faculty member from a department within that Department’s College to serve a one-year term in order to create equal representation.

(5) If a College contains fewer than four (4) eligible faculty members, the Dean of the College shall invite eligible faculty members from a different College to serve a one-year term.

(6) Members for the CTPC shall be elected from eligible candidates as defined in this section by all tenured and tenure-track faculty in each department. Each elected member shall serve for a two-year term. Department Chairs are eligible to vote, but Deans and Associate Deans are not.

(7) The Dean of the College is responsible for organizing the election of the CTPC.

(8) No faculty member shall serve consecutive two-year terms on the CTPC, unless a consecutive term is necessary in order to meet the requirements of the CTPC as described in this section.
(9) The Dean of the College shall call the first CTPC meeting and give the committee charge, which shall include the election of a chair. The chair shall serve for one year only and an individual faculty member may not serve consecutive terms.

(10) If a member of the CTPC is applying for promotion, it is the candidate’s responsibility to notify the appropriate Department Chair and College Dean before the date by which promotion portfolios are submitted for consideration. The College Dean shall hold a special election to replace the candidate for a one-year term. If the candidate fails to give proper notice, the candidate shall be disqualified from consideration for promotion until the following year.

3. Process to Establish Department-Level Performance Criteria
   a. Each academic department shall establish, communicate, and periodically review specific and measurable performance criteria for its tenure-track and tenured faculty members. Each department, in collaboration with the Dean of the College, is responsible for ensuring that all performance criteria are specifically stated, measurable, and aligned with the stated mission of the Department, the College, and the University. These criteria shall be used as the standard for all performance evaluations described below.

   b. Each Department shall follow the general process below for the creation and establishment of these performance criteria. The Department may exercise reasonable discretion to modify the following process to account for unforeseen circumstances.

      (1) All tenured and tenure-track faculty members in the department shall be given the opportunity to participate in the process.

      (2) The Department Chair shall appoint a tenured faculty member to distribute the current performance criteria, solicit suggested revisions from the department tenured and tenure-track faculty members, organize those suggestions, and provide a summary report to the department’s tenured and tenure-track faculty members.

      (3) The Department Chair shall call a meeting of the tenured and tenure-track Department faculty to discuss and vote upon the list of suggested changes to departmental criteria. Suggestions that receive a majority of votes will be summarized by the Department Chair and submitted to the College Dean.

      (4) The College Dean, in collaboration with the PVPAA, shall review the submitted criteria and either approve them or return them to the Department for further revision.

      (5) This process shall continue until the College Dean and the PVPAA approve the suggested criteria.

   c. All performance criteria must be classifiable into one of three categories as defined below. The lists below are only guidelines that departments may use to guide the creation of their criteria. Acceptable criteria must be more specific and measurable than what is listed below.
(1) **Teaching** – This category includes criteria regarding student learning goals. These criteria may include (but are not limited to): evaluations of course content and delivery, demonstration of current knowledge in the discipline, new course design and implementation, construction of in-house textbooks and other instructional materials written for the purpose of enhancing ASU student learning, and/or student advising.

(2) **Research and Creative Works** – This category includes criteria related to the development of new knowledge, product, and/or theory in the faculty member’s discipline. By definition, work produced in this category must have demonstrable value to populations other than the University’s students. A wide variety of activities may fit into this category, some of which may be (but are not limited to): peer-reviewed print or electronic publications, non-print presentations, professional conference presentations, funded grant applications and reports, patents and other intellectual property, curatorships, and/or artistic productions and performances.

(3) **Professional Service** – This category includes criteria related to organizational citizenship, defined as service behaviors which either support the internal functioning of the University or enhance the reputation of the University in the community and region. Activities that fit into this category may include (but are not limited to): Part-time administrative duties (such as serving as a Department Chair), University committee service of all types, consultations with external organizations (paid or unpaid), invited addresses, leadership in University symposia and workshops, active membership in professional organizations and societies, and community-based activities such as serving on nonprofit boards.

d. Department Chairs are responsible for ensuring that performance criteria are published and available to all tenured and tenure-track faculty members in the Department.

e. Department Chairs and College Deans shall be jointly responsible for reviewing these performance criteria to determine if they still align with the needs of students, needs of the department and the College, and the mission of the University. This review shall occur at least once every three years, but may occur more often if needed. If the criteria are determined to be in need of revision, the Department Chair shall initiate the department’s review procedures after notifying the Dean of the College. **If revisions of the criteria are not completed and approved by the College Dean and the PVPAA before the last Friday before the fall semester begins, the current criteria shall remain in place, unamendable, for the duration of that academic year.**

f. Revisions of department criteria may not unfairly disadvantage tenure-track faculty members by creating a situation where new standards cannot be reasonably achieved before the sixth-year tenure evaluation.

4. **Admission to Tenure: Timeline**

   a. The only faculty appointments that may lead to tenure are: Assistant Professor, Associate Professor, and Professor.

   b. Admission to tenure is a six-year probationary process. Unless a faculty member has been granted permission to apply for tenure at an earlier date in accordance with Section 4(e)
below, the University shall not recommend candidates for tenure prior to their sixth year of service (as calculated based on the conditions that follow):

(1) The six-year timeline shall begin in September of the first academic year following the faculty member’s appointment.

(2) This timeline cannot be reduced by previous appointments that were not tenure-eligible.

(3) A faculty member hired in possession of tenure-eligible service time at another university may request that a maximum of three (3) years of service be applied toward the required six-year probationary timeline. Approval for this request must be obtained from the faculty member’s Department Chair, College Dean, and the PVPAA. The PVPAA has the right to reduce the recommended credit to fewer than three (3) years.

c. In certain circumstances, it may be necessary to consider awarding tenure to a faculty member at the time of hire. To do so, the candidate’s application materials must follow the process below. The candidate may be employed before tenure is granted, however, employment does not guarantee tenure.

(1) The candidate’s tenure application materials shall be evaluated by the tenured faculty in the relevant department. After electing a chair, the tenured faculty must vote to approve or deny a recommendation of tenure.

(2) The result of this vote shall be given to the (acting) Department Chair, who shall write either a concurring or dissenting opinion.

(3) The department’s vote and the (acting) Department Chair’s opinion shall be given to the College Dean, who shall write either a concurring or dissenting opinion.

(4) The department’s vote, the (acting) Department Chair’s opinion, and the College Dean’s opinion shall be given to the PVPAA, who shall make a recommendation to the President.

(5) The President shall make a recommendation to the Board of Regents who have the sole authority to confer tenure.

d. All time accrued in full-time service at Angelo State University while employed in a tenure-eligible position and at the appropriate rank shall count toward the six-year probationary period. Upon the request of the faculty member, the timeline may be suspended by the PVPAA after consulting with the faculty member’s Department Chair and College Dean. If the request to suspend the timeline is not approved, the faculty member may file an appeal with their Department Chair or College Dean within 30 days of the PVPAA’s decision. The appeal shall be heard by the PVPAA within 30 days of the appeal, and a decision shall be rendered within 14 days of the hearing. Only one such appeal shall be allowed.

e. A faculty member may apply for permission to be evaluated for tenure and promotion before six years of service credit have been accumulated (hereafter called “early tenure”). Permission to apply for early tenure does not explicitly or implicitly mean that early
tenure shall be granted. The process below shall be followed to potentially receive this permission:

(1) The faculty member shall submit a formal request for permission to apply for early tenure to the Chair of the Department by March 1. This request shall include a letter from the faculty member that summarizes the arguments for granting permission and a complete and current curriculum vitae.

(2) The Department Chair shall write a brief opinion of the faculty member’s merit for early tenure and submit all materials to the College Dean by March 25.

(3) The College Dean shall write a brief opinion of the faculty member’s merit for early tenure and submit all materials to the PVPAA by April 15.

(4) The PVPAA and the President of the University shall review the submitted materials and decide to either grant or deny permission to apply for early tenure.

(5) The faculty member shall receive notification of this decision by May 1. If the request to be evaluated for early tenure is approved, that evaluation shall commence in the next academic year according to the schedule of events described in this policy, Section 4(f)(3).

f. The process for admission to tenure candidacy shall conform to the following sequence of activities.

(1) **Years One and Two** - All departments are required to conduct evaluations of tenure-track faculty during Year 1 and at the beginning of Year 2 of their service. These evaluations are governed by the processes outlined in the University’s annual faculty evaluation policy (see OP 06.28). The Department Chair must also meet with the faculty member as part of this process to discuss progress toward tenure and provide suggestions for improvement, according to the performance criteria set by each department.

(2) **Year Three** – Each department shall conduct a review of its tenure-track faculty during the third year of the faculty member’s probationary timeline using the department’s performance criteria. This procedure must include a written assessment and recommendation regarding the faculty member’s progress toward tenure. If a faculty member is employed in two departments unequally (i.e., 75% in one, 25% in the other), the department containing the majority of this workload shall be responsible for the evaluation. If the faculty member is employed in two departments equally, each department must conduct an independent evaluation according to this procedure. This evaluation shall follow the same timeline shown in Section 9 of this document, as far as it applies.

(a) The Department Chair(s) shall organize a meeting of all tenured faculty members within the department(s) to evaluate third-year faculty members. The Department Chair(s) shall not participate in the meeting, but shall deliver a charge to the committee at the beginning of the first meeting.

(b) The participating tenured faculty members must elect an ad hoc chair for the meeting before evaluations begin.
(c) If there are fewer than three (3) tenured faculty members eligible to participate in this meeting, the Department Chair(s) and the College Dean(s) shall collaborate to invite tenured faculty members from outside the department to participate by contacting departments within the College.

(d) After deliberation, the tenured faculty shall vote by anonymous ballot as to whether the faculty member(s) are making successful progress toward tenure and should be retained based on department criteria of performance. The committee chair shall submit a set of meeting minutes, redacted for anonymity, which summarizes the meeting’s activities. Votes of “NO” must be accompanied by substantive comments supporting the vote. If substantive comments are not provided, the vote will not be counted.

(e) The decision of the tenured faculty, including all ballots and any justification for negative votes, shall be submitted to the Department Chair(s) who shall write a concurring or dissenting opinion.

(f) The faculty decision and the Department Chair(s)’s opinion shall be submitted to the College Dean(s), who shall render a decision regarding renewal of the faculty member’s employment. However, the PVPAA and the President retain the right to overrule this decision.

3) Year Six – In the spring semester of the tenure-track faculty member’s fifth year of service, notification of tenure candidacy shall be sent from the office of the PVPAA to the faculty member.

4) Exceptions to the timeline shall be made for faculty members who were hired with years of service credited to them as outlined in this section.

(a) If one (1) year of service was credited, the evaluations at Years One and Two and the Third-Year evaluation shall correspond to Years 2, 3 and 4 of credited service.

(b) If two (2) or three (3) years of service were credited, the faculty member shall receive a Year One and a Third-Year Review; the Year Two evaluation shall be omitted.

It is the sole responsibility of the faculty member to prepare a portfolio in support of his/her candidacy according to the guidelines and timeline described in Sections 7 and 10 of this document, including any adjustments to the timeline approved by the PVPAA and the President of the University. If a faculty member is employed in two departments unequally (i.e., 75% in one, 25% in the other), the department containing the majority of this workload shall be responsible for the evaluation. If the faculty member is employed in two departments equally, each department must conduct an independent evaluation according to this process.

**The tenure candidate must receive copies of all documents that become part of the candidate’s portfolio as it moves through the process.** This includes copies of signature forms from faculty committees and letters from Department Chair(s) and Dean(s). However, the original materials will not be returned to the faculty member.
The tenure candidate may elect to withdraw a portfolio at any time before it reaches the office of the PVPAA.

The candidate’s documentation shall be evaluated according to the process described in Section 6.

5. Promotion to Professor: Timeline

An application for promotion to Professor may be submitted by a tenured Associate Professor no earlier than at the beginning of the fifth year of service at that rank and according to submission deadlines published annually by the office of the PVPAA.

It is the sole responsibility of the faculty member to prepare a portfolio in support of his/her application for promotion. If a faculty member is employed in two departments unequally (i.e., 75% in one, 25% in the other), the department containing the majority of this workload shall be responsible for the evaluation. If the faculty member is employed in two departments equally, each department must conduct an independent evaluation.

The promotion candidate must receive copies of all documents that shall become part of the candidate’s portfolio as it moves through the process. This includes copies of signature forms from faculty committees and letters from Department Chair(s) and Dean(s).

The promotion candidate may elect to withdraw a portfolio at any time before it reaches the office of the PVPAA.

The applicant’s documentation shall be evaluated according to the process outlined in Section 6.

a. Department Evaluation – the appropriate Department Chair(s) shall organize a meeting of the tenured faculty of the department to vote on the candidates’ portfolios. If there are no tenured faculty members in the Department, tenured faculty members from other Departments within the College shall be appointed by the College Dean.

(1) The Department Chair(s) shall not participate in the meeting or vote regarding the portfolios, but shall deliver a charge to the committee at the beginning of the first meeting. It is permissible to allow tenured faculty members to evaluate the portfolios individually in preparation for this meeting.

(2) An ad hoc chair shall be chosen by the tenured faculty from among those members present before evaluating portfolios.

(3) A vote by anonymous ballot shall be conducted where each tenured faculty member shall vote to approve or deny tenure.

(4) The ad hoc chair shall tabulate the results, witnessed by the members of the committee, and complete the required form indicating the decision made (approve, deny, or tie). The committee chair shall submit a set of meeting minutes, redacted for anonymity, which summarizes the meeting’s activities. Votes of “NO” must be
accompanied by written substantive comments supporting the vote. If substantive comments are not provided, the vote will not be counted.

(5) The required forms, ballots, and justifications shall be submitted to the appropriate Department Chair(s) to complete this step. The Department Chair(s) shall also provide copies of forms and justifications to the candidate.

b. Department Chair Evaluation – the Department Chair(s) shall review the decision of the tenured faculty for each portfolio and then write either a concurring or dissenting opinion regarding each candidate. This opinion shall be inserted into the appropriate tabs in each portfolio, a copy of which shall be distributed to the candidate. The portfolio shall then be submitted to the appropriate CTPC(s) for review.

c. CTPC Evaluation - the CTPC(s) shall review the decision of the tenured faculty and the Department Chair(s) for each portfolio and then vote to approve or deny tenure based on its own evaluation of the portfolio against the relevant department performance criteria. Committee members may not participate in this meeting via teleconference. The College Dean may not participate in the proceedings of the CTPC.

(1) The vote shall be anonymous, and all votes shall be tallied in the presence of the committee members.

(2) The committee chair shall submit a set of meeting minutes, redacted for anonymity, which summarizes the meeting’s activities. Votes of “NO” must be accompanied by written substantive comments in support of the vote. If substantive comments are not provided, the vote will not count.

(3) The CTPC chair(s) shall complete the signature forms and collect the ballots and any necessary justifications, which shall all be submitted to the College Dean(s) for review.

d. College Dean Evaluation – the College Dean(s) shall review the decision of the tenured faculty, the Department Chair(s), and the CTPC(s) for each portfolio and then write either a concurring or dissenting opinion regarding each candidate. This opinion shall be inserted into the appropriate tab in each portfolio, a copy of which shall be distributed to the candidate. The College Dean(s) must also provide a copy of the CTPC forms and justifications to the candidate at this time. The portfolio shall then be submitted to the PVPAA for review.

e. PVPAA Evaluation – the PVPAA shall review the decision of the tenured faculty, the Department Chair(s), the CTPC(s), and the College Dean(s) for each portfolio. The PVPAA shall add a memo indicating approval or disapproval of each candidate for inclusion into the portfolios, and then submit all documentation for the President’s approval.

f. President’s Evaluation – the President shall make recommendations for tenure and /or promotion to the Board of Regents based on personal judgment of the candidate’s portfolio and also on the results of the evaluative process described above. Only the Board of Regents may award tenure.
7. **Guidelines for the Construction of Tenure and Promotion Portfolios**

All tenure and promotion portfolios shall be contained in a hardcover binder with tabs separating each section from the others. *It is the responsibility of the faculty member to provide enough plastic page covers to accommodate the letters and other documentation that will be added during the evaluation process. No other documentation beyond what is listed below shall be considered during portfolio evaluations.*

The original documentation generated by the tenure and promotion process, including ballots, meeting minutes, inserted letters and all faculty-submitted materials shall be archived in the office of the PVPAA. Faculty members may request from the PVPAA access to the original documentation.

**Tenure and Promotion Portfolio Guidelines**

a. The tab identifying the first section shall be labeled “Forms”. The following items must be included:

   (1) PVPAA letter indicating tenure eligibility for probationary faculty or a signed form indicating the applicant has completed four (4) years of credited service at the Associate Professor rank and is therefore eligible for promotion to Professor

   (2) An empty plastic cover to allow for the insertion of the completed Department-level recommendation form

   (3) An empty plastic cover to allow for the insertion of the completed CTPC-level recommendation form

b. The tab identifying the second section shall be labeled “Department Criteria”. *It is the responsibility of the faculty member to insert a copy of the approved Departmental performance criteria into this section so that they may be referenced during the review process.*

c. The tab identifying the third section shall be labeled “PVPAA’s Memo”.

d. The tab identifying the fourth section shall be labeled “Dean’s Letter”.

e. The tab identifying the fifth section shall be labeled “Department Chair’s Letter and Annual Evaluations”. In addition to the Department Chair(s) signed letter, an official, signed copy of each annual faculty evaluation must be included.

f. The tab identifying the sixth section shall be labeled “Curriculum Vitae”. This section shall include a complete version of the candidate’s CV, including work that was performed at another university for candidates hired with service credit.

g. The tab identifying the seventh section shall be labeled “Teaching Effectiveness”. The following items must be included:

   (1) Summary course evaluation reports (IDEA reports) for all classes taught at ASU during the relevant period (probationary period or period since last promotion).
(2) A personal essay describing the ways in which the candidate’s teaching knowledge and skills have developed positively during the relevant period, how this has translated into outcomes, and how these outcomes meet the Department’s performance criteria. The essay should reference qualitative evidence of teaching and advising effectiveness beyond what is reflected on the IDEA reports.

h. The tab identifying the eighth section shall be labeled “Scholarly Activity”. The following items must be included:

1. A list of all specific scholarly works and achievements completed during the candidate’s relevant period (probationary period or period since last promotion).

2. A personal essay describing the ways in which the candidate’s scholarly activity has developed positively over the relevant period, how this has translated into outcomes, and how this work meets the Department’s performance criteria. The candidate should narratively describe the development of his/her scholarly activities so that the reader may see how the activity reflected in the CV has contributed to the candidate’s professional growth.

i. The tab identifying the ninth tab shall be labeled “Professional Service”. The following items must be included:

1. A dated list (bulleted or numbered) of service activities completed during the candidate’s relevant period (probationary period or period since last promotion).

2. A personal essay describing in detail these relevant service activities, how these activities have contributed to the mission of the University and to the candidate’s professional development, and how these activities meet the Department’s performance criteria.

8. Termination Rules and Procedures for Grievance

a. Faculty may be involuntarily separated from their employment with the University in the following ways:

1. Termination with immediate effect - this is defined as an immediate revocation of the current employment appointment for a non-tenured tenure-track faculty member.

2. Non-reappointment - this is defined as the University’s refusal to offer further employment to a non-tenured tenure-track faculty member beyond the end of the current employment appointment.

3. Denial of tenure - this is defined as termination as a result of a failed tenure candidacy. The tenure-track faculty member shall receive a terminal appointment for the next academic year before the termination takes full effect.

4. Revocation of tenure and termination with immediate effect - this is defined as an immediate revocation of both tenure status and employment with the University for a tenured faculty member.
b. Tenure-track faculty members who are denied tenure with the University may appeal according to the process outlined in OP 06.29 (Faculty Tenure Denial and Non-Reappointment and Tenure Revocation).

c. The revocation of tenure by the University from a tenured faculty member shall automatically initiate a review process as outlined in OP 06.29 (Faculty Tenure Denial and Non-Reappointment and Tenure Revocation).

This section describes the procedure by which this operating policy may be amended. No other amendments may be made outside of this procedure.

a. The Faculty Select Committee (FSC) shall consist of two (2) members from each undergraduate college, elected by the tenured and tenure-track faculty in an election administered by the office of the PVPAA and the President of the Faculty Senate. The representatives from each college may not come from the same department. The election must be designed such that a remedy exists in case the election results violate this rule.

b. The office of the PVPAA is responsible for calling the initial meeting of the Faculty Select Committee (FSC) to begin the revision process.

c. The chair of the FSC shall convene the committee regularly to review the current operating policy and make a list of recommendations for revision, which shall then be submitted to the office of the PVPAA.

d. The initial list of recommendations shall be submitted for review to the Faculty Senate through the office of the PVPAA. The Faculty Senate shall produce a list of suggested changes, attach this list to the original recommendations, and return the documents to the PVPAA.

e. All documentation shall be submitted for review to the Department Chairs through the office of the PVPAA. The Department Chairs shall produce a list of suggested changes and attach this list to the original recommendations and the suggestions of Faculty Senate. All documentation shall then be returned to the office of the PVPAA.

f. All documentation shall be submitted for review to the Deans’ Council through the office of the PVPAA. The Deans’ Council shall produce a list of suggested changes and attach this list to the original recommendations, the suggestions of the Faculty Senate, and the suggestions of the Department Chairs. All documentation shall then be returned to the office of the PVPAA.

g. The office of the PVPAA shall return all lists of suggested changes to the chair of the FSC. The FSC shall meet to integrate the suggested changes into a new draft, which shall be returned to the office of the PVPAA and cycled through the approval sequence described in this section.

h. When a draft of the policy has been approved by all stakeholders, it shall be submitted to the President of the University for approval and then to the Board of Regents.
i. If, after three (3) complete cycles of revision, a consensus has not been reached regarding revisions to this policy, the PVPAA shall appoint an *ad hoc* committee composed of three (3) representatives from the Faculty Senate and three (3) representatives from the Deans’ Council to reach consensus.

### 10. Generic Calendar for Tenure/Promotion Workflow

a. The University shall evaluate faculty members for tenure and/or promotion according to the following timeline if at all possible.

b. The office of the PVPAA may make reasonable adjustments to this timeline to account for unforeseen circumstances that make it untenable. Any adjustments made shall apply to all candidates under evaluation and may not be used to selectively advantage or disadvantage a particular candidate. Adjustments must also be approved by the President of the University.

ASU OP 06.29, Faculty Non-Reappointment and Tenure Revocation with proposed revisions
Angelo State University
Operating Policy and Procedure

OP 06.29: Faculty Non-Reappointment and Tenure Revocation

DATE: August 1, 2017 {Effective fall 2017}

PURPOSE: The purpose of this Operating Policy/Procedure (OP) is to outline and ensure understanding of procedures concerning the non-reappointment and dismissal of faculty or tenure revocation of tenured faculty.

REVIEW: This OP will be reviewed every three (3) years by the Provost/Vice-President for Academic Affairs in collaboration with the Academic Affairs subcommittee of the Faculty Senate. This policy may be amended only by action of the Board of Regents of the Texas Tech University System.

1. Involuntary Separation of Employment

Termination of tenured faculty, except by resignation, retirement, or under extraordinary circumstances because of demonstrable bona fide financial exigency, will be only for adequate cause shown with the burden of proof on the university.

Adequate cause for termination is directly and substantially related to the fitness of faculty members in their professional capacity and public trust as teachers and scholars. Termination will not be used to restrain faculty members in their exercise of academic freedom or constitutional rights.

There are three categories of involuntary separation from employment for faculty:

a. Revocation of tenure, which is termination of a tenured faculty member’s employment;

b. Non-reappointment, which is the cessation of a non-tenured faculty member’s employment at the end of the stated appointment period, and

c. Dismissal, which is immediate termination for cause of a non-tenured faculty member’s employment before the expiration of the stated appointment period.

2. Tenure Advisory Committee

a. The Tenure Advisory Committee may consider matters pertaining to tenure or academic freedom referred to it by members of the university community. The committee reports to the president. If the president does not approve a recommendation of the committee, the committee will be informed in writing of the reasons for disapproval.

b. The committee will consist of five tenured faculty and two ex-officio members, who are the PVPAA and a dean selected by the Deans’ Council. Each undergraduate college will
elect one member. Each dean’s office will prepare and distribute ballots to the faculty of the respective college. Elected members serve two-year terms. Only tenured faculty teaching full time are eligible for election. Elected faculty members will not be eligible to serve consecutive terms. The Deans’ Council member will serve for three years but will not be eligible to serve consecutive terms. The committee will determine its own procedural rules.

3. Termination Review Procedures for Tenure Revocation, Non-reappointment and Termination Cases

In each faculty termination case reviewed at the request of the faculty member, the issue will be determined by an equitable procedure that affords protection to the rights of the individual and to the interest of the university. In cases where the faculty member agrees that his or her conduct constitutes adequate cause, or does not choose to have a hearing, he or she will offer in writing his or her resignation. That faculty member will give notice of resignation as early as possible to obviate serious inconvenience to the university and to ensure that department objectives and student needs are met.

The procedures for termination described in this section do not negate the right of the president to suspend a faculty member from some or all duties when the president reasonably believes that the allegations, if true, create a likelihood of harm for persons or the university. The suspension will be with pay until such time as the suspended faculty member has been accorded the procedural rights appropriate to his or her appointment type, as described in this section.

a. Tenure Revocation

(1) Mediation and Investigation

Tenure revocation charges will not be filed until reasonable efforts to mediate and conciliate differences between the faculty member and the university have been exhausted. The chair of the Tenure Advisory Committee (or member designated by the committee) and the PVPASA-PVPA (or designee) will attempt to secure a confidential and equitable agreement in no more than twenty business days.

If the mediation efforts fail, the mediators will provide a written, detailed report to the president and the faculty member, and a formal investigation will begin. Together, the chair of the Tenure Advisory Committee (or member designated by the committee) and the PVPASA-PVPA (or designee) will conduct a thorough, confidential, expeditious review of all charges, and report their findings and recommendations to the president. After consideration of the report and recommendations, the president will determine whether to file formal charges to terminate the faculty member’s employment for cause no more than fifteen business days after receiving the report.

(2) The Hearing Panel

In all cases of formal charges, the faculty member will be informed in writing of the charges, which, on reasonable notice, will be considered by a Hearing Panel convened by the president. The Hearing Panel will be made up of five members chosen by the Tenure Advisory Committee from a hearing pool formed of twenty
tenured faculty members. Those members will be elected annually by faculty at large from a ballot prepared and distributed by the PVPASA’s PVPAA’s office. Only tenured faculty teaching full time are eligible for election. Faculty may not serve on the Tenure Advisory Committee and the tenure hearing pool concurrently.

The Tenure Advisory Committee will, by lot, order the names of the members of the hearing pool, assigning each a number from one to twenty. Pool members deeming themselves biased must withdraw from consideration for the Hearing Panel. Either party in the dispute may strike no more than three names from those remaining on the list. The Tenure Advisory Committee designates the five pool members with the lowest numbers remaining on the list to constitute the Hearing Panel. The Hearing Panel will select a chair from its membership and may, if it chooses, request appropriate legal counsel to be furnished by the university but not from the Office of General Counsel. The legal counsel will advise the Hearing Panel but does not vote. The Hearing Panel may also consult with the general counsel of the university on technical and/or procedural questions not directly bearing on the merits of the case if the Hearing Panel considers such consultation appropriate and helpful.

(3) The Hearing

In consultation with the faculty member and the chair of the Hearing Panel, the president will set a date for the hearing. The hearing will be private and confidential unless the faculty member elects to have a public hearing. The Hearing Panel will determine hearing procedures that afford both due process and fairness. The hearing will be non-adversarial in nature.

In every such hearing, the faculty member has the right to appear in person with legal counsel, retained by the faculty member, and to confront and examine witnesses. The faculty member has the right to testify but may not be compelled to do so. The faculty member may introduce all evidence and material, written or oral, which he or she considers to be relevant or material to the case. Neither the Texas Rules of Civil Procedure nor the Texas Rules of Evidence will apply to the hearing.

The university also has the right to legal counsel from the Office of General Counsel in the preparation and presentation of charges and has the same rights in the hearing as those accorded to the faculty member. An audio recording of the proceedings will be made and delivered to the president for submission to the Board of Regents, and a copy of this audio recording will be made available to the faculty member. The recording will be transcribed only on the request of either the faculty member or the president, with the requesting party bearing the transcription costs. The Hearing Panel, by a majority vote of its total membership, will make detailed, written findings of fact on each charge and make specific recommendations with regard to each of the charges and the charges as a whole and supplementary suggestions it deems proper concerning disposition of the case. Minority findings, recommendations, or suggestions will be similarly prepared and transmitted. The chair of the Hearing Panel will deliver the findings, recommendations, and suggestions to the president, who will transmit them along with a recommendation to the faculty member and to the Board of Regents.

(4) The Board of Regents’ Decision
The Board of Regents will consider all relevant material furnished and, by a majority of its total membership, will approve, reject, or amend the findings, recommendations, and suggestions of the Hearing Panel based on the record. Any amendment or change of such findings, recommendation, or suggestions, and the reasons therefore, will be detailed in writing and communicated to the president who will transmit them to the Hearing Panel, which will then study any additional matters presented to it and within forty-five days submit its recommendations to the president. If the Board of Regents then overrules the recommendations of the Hearing Panel, it will state in writing its reasons for its actions in overruling the Hearing Panel’s recommendations to the president, who will transmit the decision to the Hearing Panel. The president will also notify the faculty member in writing of the Board’s decision. This communication will include the findings and recommendations of the Hearing Panel as well as those of the Board. The decision of the Board of Regents will be final.

b. Non-reappointment and Termination

The following procedures on non-reappointment and dismissal for cause apply to untenured tenure-track faculty members and non tenure-track faculty members who have served more than six full years and been granted continuing appointment status. However, each faculty member is entitled to see all of his or her personnel files and, at his or her expense, to obtain a copy of the information contained therein.

(1) The university is not required to give an untenured tenure-track faculty member a reason for a decision of non-reappointment, though such notification may be given, except in cases where it would harm the university. However, each faculty member is entitled to see all of his/her personnel file and, at his/her expense, to obtain a copy of the information contained therein.

(2) Initial Investigation

If an untenured faculty member alleges that a decision not to reappoint him or her is:

(a) Caused by considerations that violates academic freedom;

(b) For constitutionally impermissible reasons; or

(c) Significantly noncompliant with the university’s established standards or prescribed procedures; then

The allegation of improper rationale for non-reappointment, as defined above, will be given preliminary consideration by a faculty committee. The Tenure Advisory Committee is responsible for appointing the faculty committee from within or outside its own membership and for its functioning.

(3) The Hearing Panel and Hearing

If the faculty committee concludes that there is probable cause for the faculty member’s allegation, the Tenure Advisory Committee will notify the PVPASA and PVPAA and convene the Hearing Panel constituted in Section 3 (a.2). The faculty
member will be responsible for stating the specific grounds on which the allegations were based, and the burden of proof will rest upon the faculty member.

The Hearing Panel will consider the allegations using the procedures outlined in Section 3 (a.3). Upon conclusion of deliberations, the chair of the Hearing Panel will deliver its findings, recommendations, and suggestions to the president, who will approve, reject, or amend them based on the record, then transmit them along with the president’s recommendation to the faculty member. The decision of the president will be final.

4. **Timelines for Notice of Non-reappointment**

These notification timelines apply to any notice of non-reappointment that is issued to untenured faculty.

a. Full-time faculty members in their first year with the university whose duties commence with the first semester of the academic year must be notified by the following March 1 if they are not to be reappointed.

b. Full-time faculty members in their first year with the university whose duties commence after November 15 must be notified by the following April 15 if they are not to be reappointed.

c. Full-time faculty members who are in their second year with the university and who are not to be reappointed must be notified by December 15 of the academic year in which the appointment is to terminate.

d. Full-time tenure-track faculty members with more than two years with the university will be notified of non-reappointment by issuance of a terminal contract for one academic year.

e. Full-time faculty members who hold a position by appointment for a fixed time period shall receive notice of non-reappointment in accordance with the terms of the appointment or in accordance with sections a., b., c., or d above.

5. **Policy Implementation, Periodic Review, and Revision**

This policy is to be implemented upon approval by the Board of Regents. All tenured faculty members are subject to this policy’s applicable provisions and procedures including those not addressed in any former policy. The tenure of faculty members who have attained tenure under prior policies at ASU continues. This policy shall not be applied in derogation of any faculty member’s contract rights.

This policy will be comprehensively reviewed in September every three years or as needed, beginning with the 2020-2021 academic year, the Academic Affairs Committee of the Faculty Senate. Recommended changes will go forward with areas of disagreement noted to the deans and department heads for their consideration. The deans and department heads will then recommend changes to the PVPAA, who will take those deemed appropriate forward to the president for review. If the president approves, the proposed revisions will be forwarded to the Board of Regents for its consideration. Under the statutory authority of the State of Texas, the Board of Regents has the sole authority to revise this tenure and promotion policy.
