07.02 **Audits.**

07.02.1 Mission statement. The mission of the Office of Audit Services (OAS) is to enhance and protect organizational value by providing risk-based and objective assurance, advice, and insight.

07.02.2 Objectives. The OAS shall:

- a. provide independent, objective assurance and consulting services designed to add value and improve the operations of the TTU system; and
- b. assist the TTU system in accomplishing its objectives by using a systematic, disciplined, and risk-based approach to evaluate and

improve the effectiveness of risk management, control, and governance processes.

07.02.3 Standards of audit practice. The OAS shall comply with generally accepted government auditing standards, the international standards for the professional practice of internal auditing, and the code of ethics promulgated by The Institute of Internal Auditors.

07.02.4 Organizational responsibility and reporting relationships.

a. The OAS is established by the board in accordance with the Texas Internal Auditing Act (“the Act”). The board, through the Audit Committee, is responsible for the employment, compensation, and dismissal of a Chief Audit Executive (the “CAE”) to manage the affairs of the OAS. The chancellor has the authority to make recommendations to the Audit Committee on the employment and dismissal of the CAE. The CAE reports: directly to the board; functionally through the Audit Committee; and administratively to the chancellor. Administrative reporting to the chancellor facilitates the day-to-day operations of the OAS and includes:

- (1) approval of travel or other expenses;
- (2) human resource administration, including compensation and evaluation of OAS staff members other than the CAE; and
- (3) other functions as may be delegated to the chancellor by the Audit Committee.

b. Annually, the Audit Committee shall evaluate the performance of the CAE.

07.02.5 Independence. To ensure independence and objectivity, OAS reports to the board through the Audit Committee. Additionally, the staff of OAS has no direct responsibility or authority for activities or operations that may be audited or reviewed. Auditors do not develop and install procedures, prepare records, make management decisions, or engage in any other activity that could be reasonably construed to compromise their independence. Auditors

are not, however, precluded from making recommendations and suggestions for the improvement of governance, risk management, and internal control processes. An audit or review does not substitute for or relieve other TTU system personnel of their assigned responsibilities.

07.02.6 Scope of work. The comprehensive scope of work of the OAS is to determine if the TTU system's network of risk management, control, and governance processes is functioning in a manner that will enable goals and objectives of the TTU system to be met and to evaluate and improve the effectiveness of the TTU system's risk management, control, and governance processes. Specifically, the scope of work shall provide reasonable assurance that such processes are designed and operating in a manner to ensure:

- a. risks are effectively identified and managed;
- b. risk management processes and internal control systems are adequate, effective, and efficient;
- c. organizational performance management and accountability systems are effective;
- d. the governance process facilitates sound decision making, organizational effectiveness, appropriate communications, and promotion of ethics and values;
- e. financial, managerial, and operating information is accurate, reliable, and timely;
- f. employees' actions are in compliance with policies, standards, procedures, and applicable statutes and regulations;
- g. resources are acquired economically, used efficiently, and adequately protected;
- h. programs, plans, and objectives are achieved; and
- i. systems are designed and implemented with proper control structures.

07.02.7 Accountability and responsibility. The CAE, in the discharge of his or her duties, shall be responsible and accountable to the board through the Audit Committee to:

- a. develop a flexible annual audit plan using appropriate risk-based methodology and submit the plan to the board through the Audit Committee for review and approval; the CAE shall consider for inclusion in the plan any risks or control concerns identified by management, and consider the scope of work of internal and external assurance and consulting service providers, as appropriate, for the purpose of providing optimal audit coverage to the TTU system at a reasonable overall cost;
- b. oversee the execution of the annual audit plan;
- c. report significant issues related to the risk management, control, and governance processes of the TTU system, including potential improvements to those processes, and provide information concerning the resolution of such issues;
- d. report annually to the board, the chancellor, the governor, and state agencies, as required by the Act, on the activities of the OAS;
- e. provide information periodically on the status and results of the annual audit plan and the sufficiency of department resources, including OAS personnel, to address identified risks within a reasonable time frame;
- f. coordinate with other control and monitoring functions (including, but not limited to, the Office of the General Counsel, the police departments of the component institutions, the State Auditor's Office, other state agencies, and external assurance and consulting providers) to maximize the efficient and effective use of audit resources;
- g. maintain a professional audit staff with sufficient knowledge, skills, experience, and professional certifications to meet the requirements of the audit mission and objectives;

- h. establish a quality assurance and improvement program to ensure compliance with professional standards, consistency, and quality in OAS operations;
- i. consider performing advisory services to assist management in meeting its objectives, examples of which may include facilitation, process design, training, and other advisory services;
- j. evaluate significant new or changing services, processes, operations, systems, and control processes coincident with their development, implementation, and/or expansion;
- k. report to the Audit Committee when the CAE has reason to believe that senior management has accepted a level of residual risk that may be unacceptable;
- l. keep the Audit Committee informed of emerging trends and successful practices in internal auditing;
- m. assist in the investigation of suspected fraudulent activities within the TTU system and keep appropriate management, the chancellor, and the board, through the Audit Committee, informed of such investigations; and
- n. coordinate any external audit or investigative effort performed by certified public accountants, the state auditor's office, or other auditors; this coordination may include scheduling of entrance and exit conferences, assisting with fieldwork, and/or reviewing management responses to findings and recommendations of the external auditors.

07.02.8 Authority.

- a. The CAE and staff of the OAS are authorized to:
 - (1) have full, free, unrestricted access to all functions, manual and electronic records (including student, personnel, and medical records), property, and personnel relevant to any audit or review; documents and information entrusted to auditors during the course of an engagement shall be handled in a prudent manner;

- (2) have full and free access to the board through the Audit Committee and to the chancellor;
 - (3) allocate resources, set frequency and duration of audits, select subjects, determine scopes of work, and apply the techniques required to accomplish audit objectives; and
 - (4) obtain the necessary assistance of personnel in units of the TTU system where the OAS performs audits, as well as other specialized services from within or outside the TTU system.
- b. The CAE and staff of the OAS are not authorized to:
- (1) perform any operational duties for the TTU system;
 - (2) initiate or approve accounting or other transactions external to the OAS; or
 - (3) direct the activities of any TTU system employee not employed by the OAS, except to the extent such employees have been appropriately assigned to auditing teams or to otherwise assist the auditors.

07.03 **Fraud policy.**

The TTU system is committed to the highest standards of moral and ethical behavior. These standards and the subject of appropriate behavior are outlined in the operating policies of the component institutions and in various TTU system and board policies, which shall be observed by all TTU system students and employees. All officers, employees, and students are expected to obey all federal, state, and local laws and may be subject to disciplinary action for a violation of those laws.

The purpose of this policy is to address fraudulent acts. Fraudulent activity of any kind, including for the benefit of the TTU system, is expressly prohibited. This policy establishes the procedures and responsibilities for reporting and resolving instances of known or suspected fraudulent acts. For purposes of this policy, fraud is defined as follows:

An intentional perversion of truth for the purpose of inducing another in reliance upon it to part with some valuable thing belonging to him or to surrender a legal right. A false representation of a matter of fact, whether by words or by conduct, by false or misleading allegations, or by concealment of that which should have been disclosed, which deceives and is intended to deceive another so that he shall act upon it to his legal injury. Any kind of artifice employed by one person to deceive another.

- 07.03.1 For purposes of this policy, the definition of fraud as per the above shall include, but not be limited to, the following:
- a. an intentional or deliberate act;
 - b. depriving the TTU system or a person of something of value or gaining an unfair benefit; and
 - c. using deception, false suggestions, suppression of truth, or other unfair means which are believed and relied upon.
- 07.03.2 A fraudulent act may be an illegal, unethical, improper, or dishonest act, including but not limited to:
- a. embezzlement;
 - b. misappropriation, defalcation, misapplication, and other fiscal irregularities, and destruction, removal, or concealment of property;
 - c. alteration or falsification of records or other documentation;
 - d. false claims by students, employees, vendors, or others associated with the TTU system;
 - e. theft of any asset including, but not limited to, money, tangible property, trade secrets, or intellectual property;
 - f. inappropriate use of computer systems, including hacking and software piracy;
 - g. bribery, rebate, or kickback;

- h. conflict of interest; or
- i. misrepresentation of facts.

07.03.3 Fraudulent act determination. While a fraudulent act may have criminal and/or civil law consequences, the TTU system is not required to use a determination by a criminal justice authority to criminally prosecute as the basis for determining whether an act is fraudulent. It is the internal determination that the above criteria are present that defines an act as fraudulent under this policy.

07.03.4 Duties and responsibilities. Administrators at all levels of management are accountable for setting the appropriate tone of intolerance for fraudulent acts by strictly displaying the proper attitude toward complying with laws, rules, regulations, and policies, including ethics policies. In addition, administrators shall be cognizant of the risks and exposures inherent in their area of responsibility, and shall establish and maintain proper internal controls which will provide for the security and accountability of the resources entrusted to them.

Any member of the campus community who has a reasonable basis for believing a fraudulent act has occurred has a responsibility to promptly notify one of the following:

- a. his or her supervisor;
- b. the appropriate administrator;
- c. the OAS; or
- d. the component institution's police department.

Employees who, in good faith, report unlawful activity are protected by the Texas Whistleblower Act against any retaliation by the TTU system for making such a report. The reporting member of the campus community shall refrain from confrontation of the suspect, further examination of the incident, or further discussion of the incident with anyone other than the employee's or student's supervisor or others involved in the resulting review or investigation. Persons

found to be making frivolous claims under this policy shall be disciplined, up to and including termination of employment or expulsion from the TTU system.

- 07.03.5 Investigation. Supervisors and administrators at all levels of management who become aware of suspected fraudulent activity are to respond in a consistent and appropriate manner and shall report the suspected activity to the OAS. With the concurrence of the CAE, the supervisor or administrator may treat the incident as an administrative issue and have a qualified individual or individuals perform an objective review as considered necessary.

The OAS has the primary obligation for investigating reported incidents to the extent considered necessary for resolution. The OAS may contact other TTU system departments, including, but not limited to, the Office of General Counsel and the component institution's police department, to establish the necessary team to proceed with the review or investigation. The investigative team shall attempt to keep source information as confidential as possible. In those instances where the investigation indicates criminal activity, the investigation shall be turned over to the component institution's police department or other appropriate law enforcement agency. As required by law, the OAS shall notify the state auditor's office of suspected fraudulent activity.

All affected departments and/or individuals shall cooperate fully with those performing a review or investigation, including the OAS, law enforcement officials, regulators, and any other parties involved. During all aspects of the review or investigation, the constitutional rights of all persons shall be observed. Suspects and others involved in the review or investigation shall be treated consistently without regard to past performance, position held, length of service, race, color, religion, sex, age, disability, national origin, or veteran status.

- 07.03.6 Disciplinary actions.
- a. Employees found to have participated in fraudulent acts as defined by this policy shall be subject to disciplinary action, including termination. Additionally, employees suspected of perpetrating fraudulent acts may be placed on administrative leave during the course of the investigation.

- b. In any case in which an investigation leads to a disciplinary action, the Office of Human Resources, Office of the General Counsel, and other appropriate offices shall be consulted prior to taking such actions. Criminal or civil actions may be pursued against employees who participate in fraudulent acts.
- c. An employee terminated by reason of involvement in the perpetration of a fraud will ordinarily be terminated without eligibility for rehire. Actions to be taken shall be determined without regard to past performance, position held, length of service, race, color, religion, sex, age, disability, national origin, or veteran status.
- d. Students found to have participated in fraudulent acts as defined by this policy shall be subject to disciplinary action pursuant to the operating policies of the component institution. In those cases where disciplinary action is warranted, the Dean of Students, Office of Student Services, Office of the General Counsel, or other appropriate office shall be consulted prior to taking such actions. Additionally, criminal or civil actions may be pursued against students who participate in fraudulent acts.

The relationship of other individuals or entities associated with the TTU system found to have participated in fraudulent acts as defined by this policy shall be subject to review, with possible consequences including termination of the relationship. In those cases where action is warranted, the Office of the General Counsel or other appropriate office shall be consulted prior to taking such actions. Additionally, criminal or civil actions may be taken against individuals or entities associated with the TTU system who participate in unlawful acts.

- 07.03.7 Fraud reporting. The results of investigations conducted by the OAS shall be communicated, either orally or in writing, as determined by the CAE, to the board and to the chancellor and/or other appropriate administrators.

07.04 **Budget rules and procedures.**

07.04.1 Fiscal year. The TTU system fiscal year shall be September 1 through August 31.

07.04.2 General.

- a. The board is required by law and Section 01.02.8.d(3), *Regents' Rules*, to approve an annual budget covering the operation of the ensuing fiscal year. This budget shall be prepared within the limits of revenue available from legislative appropriations and estimated local and other funds.
- b. The budget is to be constructed along organizational lines and using appropriate fund groupings required by state law or recommended by the State Auditor's Office or the State Comptroller's Office.
- c. The board has the overall responsibility for the budget; however, limitations of time make it impractical for the board to address budget issues other than major policies and priorities. The board effectively discharges its budgetary responsibilities by reviewing and approving general policies. Detailed budgetary development and control is delegated to the chancellor, the presidents, and the chief fiscal officers.
- d. The annual budget shall be prepared and adopted well in advance of the fiscal period and shall include all anticipated operating revenues, expenditures, transfers, and allocations. Adjustments to the budget shall be approved in accordance with board policy set forth in Section 07.04.5, *Regents' Rules*.
- e. The chief fiscal officers are responsible for the compilation of estimates of revenues and the development of appropriate contingencies.
- f. The principal officers of the TTU system shall develop recommendations on major budgetary policies and programs. These policies include such items as salary and wage increases, differential allocations to certain programs, implementation of new programs, reduction or elimination of existing programs, and

other budgetary items. The board's budgetary policies shall be communicated by the presidents, with the assistance of the chief fiscal officers of the component institutions, to the deans, directors, and departmental heads.

- g. The chancellor and presidents, with the assistance of the chief fiscal officers, shall present budget recommendations to the board that include a comparison of the proposed budget with those of previous years, explanation of major changes, description of programs added or eliminated, and salary and wage policies.
- h. The chief fiscal officers are responsible for communicating with budgetary units and providing each unit a copy of its approved budget.

07.04.3 Budgets and other expenditure certifications.

- a. Administrators must receive an approved budget from the chief fiscal officer or designee prior to expending funds or committing to expenditures. The chief fiscal officers are responsible for certifying that funds are available for each approved budget.
- b. Expenditures requiring board approval, including the annual operating budget and certain construction projects, must have a certification statement by the chief fiscal officer. The purpose of the statement is to provide the board an objective analysis for the adequacy of the funding proposed. Certification of the adequacy of funding may be made with or without qualifications. If the certification is qualified, these qualifications shall be specifically identified by the chief fiscal officers.

07.04.4 Budget adjustments. Budget adjustments to the annual operating budget or to other expenditures requiring board approval are defined in the following sections. Budget adjustments may not be divided to fall within lower levels of approval. Approvals must be obtained prior to the effective date of action for the following:

- a. Board approval:
 - (1) Board approval is required for:

- (a) adjustments that establish a new budget in excess of \$1,000,000 or increase an existing budget to an amount of more than \$1,000,000; and

 - (c) adjustments to an employee's total salary or wage rate that result in an annual increase of \$2,000 or less.
 - (3) All budget adjustments of \$1,000,000 or less to the TTUSA's original operating budget.

- (4) Adjustments authorized by law.
- c. President's approval is required for the following:
 - (1) All budget adjustments of \$1,000,000 or less to the institution's original operating budget.
 - (2) Non-statutory adjustments to the total salary or wage rate of an employee of the institution when such an adjustment is 10% or more per annum. However, this requirement does not apply to:

- e. The chancellor and presidents may delegate budget authority to appropriate budget and financial officials.
- f. Budgetary control.
 - (1) An essential element of budgeting is the establishment of effective budgetary control. Budgetary control shall ensure that expenditures do not exceed available funds.
 - (2) The chief fiscal officers are responsible to the presidents, the chancellor, and the board for maintaining budgetary

controls. All expenditures in the institutions must be made within approved budgets. Administrators are not authorized to commit funds without a budget approved by the chief fiscal officers or designee. The chief fiscal officers shall inform the respective chief executive officer of any deviations greater than \$100,000 from this policy, including a list of individual fund accounts with deficit fund balances at the end of each fiscal quarter.

- (3) It is the responsibility of the department head (e.g., dean, chair, director) or designated financial manager to exercise budget control. These officers have the primary responsibility to control expenditures under their budget authority. Upon approval of the budget, department heads are responsible for assuring there is no deviation from the approved budgets.
- (4) The chief fiscal officers shall assure that monthly reports of revenues and expenditures are made available to each budget unit.

07.05 Debt management policy.

- b. To the extent permitted by law, the board may grant to the chancellor, or the chancellor's designee, the authority to issue short-term indebtedness. 07.05.2 RFS debt management policy.

- a. The TTU system and its components are eligible to participate in the RFS.
- b. The TTU system shall use the following guidelines for the RFS:
 - (1) Debt proceeds will be used only for capital expenditures or bond issuance costs. Generally, capital expenditures are for assets having a useful life of over one year. Buildings and other major capital projects shall be financed for a period of up to the lesser of the project's estimated useful life or 40 years. Equipment shall be financed for a period up to the lesser of its projected useful life or 10 years.
 - (2) To the extent required by law, the Texas Higher Education Coordinating Board shall be notified of project costs in accordance with the relevant rules promulgated by the Coordinating Board.
 - (3) Individual revenue streams considered for debt service must meet a 1.15 debt coverage ratio test, unless the debt is issued as tuition revenue debt, in which case it must meet a 1.00 debt coverage ratio test. Debt coverage is defined as total revenue divided by total debt service.

- (4) Debt service shall be collected from departments at the component institutions in the amount of the 1.15 ratio, as noted in Subdivision (4) of this subsection, until the maximum reserve accumulated is equal to a department's maximum annual debt service for the remaining debt outstanding. When the maximum reserve is reached, the debt service shall be collected in the amount of a 1.00 ratio.

Long-term issuances also are subject to the examination and approval of the Texas Attorney General. (Note: Sec. 1231.041(b), *Texas Government Code*, eliminates the requirement for institutions of higher education to seek approval by the Texas Bond Review Board for bonds rated AA– or better, unless state general revenue is pledged on the debt.)
- c. The TTU system shall use the following general guidelines for the RFS:
- (1) As long as RFS debt remains outstanding, the TTU system shall prepare end-of-fiscal-year certifications. The certifications, signed and approved by the vice president for fiscal affairs of the component institution, shall be submitted to the vice chancellor and chief financial officer no later than November 15 of each year and shall be used for reporting on the status of the RFS to the chancellor and the board. The certifications shall include the following:
 - (a) A comparison of revenue projections with those actually collected in the previous year and an updated assessment of anticipated future revenues. If actual

revenues were not sufficient, a written report to the board must be provided. This report must address why the revenues were insufficient and the impact on the institution's current and future ability to pay for its share of debt service.

- (b) Verification that the institution has sufficient funds that may be pledged and are available for the next fiscal year's principal/interest payments.
 - (c) Verification that the institution is in compliance with all RFS bond covenants and *Regents' Rules* requirements relative to the issuance of RFS debt.
- (2) The vice chancellor and chief financial officer shall prepare an annual report on the status of RFS obligations for the chancellor and the board. The report shall include the following:

- (2) HEAF indebtedness shall be payable with state appropriated moneys. Maturities shall not exceed 10 years. HEAF bonds shall be competitively bid. HEAF notes (e.g., commercial paper notes) need not be competitively bid. HEAF indebtedness is subject to approval by the Texas Attorney General.
- (3) No more than 50% of the annual HEAF allocation of component institutions shall be used for paying debt service on HEAF indebtedness issued on behalf of component institutions.
- (4) HEAF debt proceeds are not permitted by law to be used for maintenance, minor repairs, operating expenses, student housing, intercollegiate athletics, or auxiliary enterprises.

07.05.4 Equipment financing. Procedures for equipment financing under the commercial paper program(s) are as follows:

07.05.6 Post tax-exempt issuance compliance. Procedures shall be maintained in the Office of Treasury and Cash Management that comply with all applicable federal tax law requirements ensuring that interest earned by the holders of tax-exempt bonds is not taxable under Section 103 of the U.S. Internal Revenue Code.

07.06 **Credit extension.** The chancellor, or the chancellor's designee, is authorized to approve the sale of goods and services on credit provided that: there is a public purpose for the sale that can be documented; and controls limiting risk of loss have been established and reviewed by the OAS.
