

# Missions

*Date last revised: 03-06-2025*

*[see last page for list of amendments adopted]*

---

The mission statements herein are the only mission statements authorized to be used without prior approval of the board.

**Texas Tech University System.** The mission of the Texas Tech University System is to provide leadership and support services for Texas Tech University, the Texas Tech University Health Sciences Center, the Texas Tech University Health Sciences Center at El Paso, Angelo State University, and Midwestern State University in the attainment of each component's individual mission.

**Texas Tech University.** As a public research university, Texas Tech advances knowledge through innovative and creative teaching, research, and scholarship. The university is dedicated to student success by preparing learners to be ethical leaders for a diverse and globally competitive workforce. The university is committed to enhancing the cultural and economic development of the state, nation, and world.

**Texas Tech University Health Sciences Center.** As a comprehensive health sciences center, our mission is to enrich the lives of others by educating students to become collaborative healthcare professionals, providing excellent patient care, and advancing knowledge through innovative research.

**Texas Tech University Health Sciences Center at El Paso.** The mission of Texas Tech University Health Sciences Center at El Paso is to improve the lives of people in our State and our community by focusing on the unique health care needs of socially and culturally diverse border populations through excellence in integrated education, research, and patient care.

**Angelo State University.** Angelo State University provides highly competitive graduates to the global marketplace by delivering quality programs in a values-focused and student-centered teaching and learning environment

**Midwestern State University.** Midwestern State University aims to empower students and our community through a commitment to academic excellence, personal growth, and a culture of lifelong learning, inquiry, and innovation.
