

Master Services Agreement  
 Northstar Group Services, Inc.  
 200B Parker Drive, Suite 580  
 Austin, TX 78728

24 Hour Emergency Response 1.800.283.2933

THIS MASTER SERVICES AGREEMENT ("Agreement") made as of February 22, 2016, or the last signature date, whichever is later ("Effective Date") by and between Northstar Recovery Services, Inc. and its Subsidiaries ("Northstar") and Texas Tech University System ("TTUS"), to perform restoration and recovery services following catastrophic damage identified in each Work Order, and pursuant to the GSA Contract GS-10F-0205U. To the extent there is a conflict between the GSA Contract and this Agreement, the Agreement will prevail.

#### I. CONTRACT DOCUMENTS AND REFERENCES

1. Exhibit "A"- Work Order describing the particular scope of work to be performed (the "Work")
2. Exhibit "B" - Time and materials rate schedule for completion of scope of work.
3. All other documents or addendums will be provided as subsequent attachments and considered to be a part of this Agreement.

#### II. TERMS AND CONDITIONS

1. **TERM:** This Agreement shall commence on the Effective Date and shall continue for a term of two (2) years. This Agreement shall automatically renew for successive one (1) year terms unless written notice of termination is provided to the other party. Either party may terminate this Agreement for any reason by providing at least 120 days prior written notice. Northstar reserves the right to modify its rates (Exhibit "B") by submission of the modified rates to TTUS at least thirty (30) days prior to each yearly anniversary date of this Agreement, which rates must be agreed upon by TTUS in order to become effective. If TTUS does not agree to the modified rates, then Northstar, in its sole discretion, shall have the right to immediately terminate this Agreement, or continue the Agreement with modification of the rates.
2. **PRICE:** Work performed hereunder shall be contract priced as indicated in Exhibit "B" and subject to the terms and conditions contained therein for labor, materials and equipment. The parties agree that TTUS, as an agency of the State of Texas, qualifies for exemption from state and local sales and use taxes pursuant to the provision of the Texas Limited sales, Excise, and Use Tax Act.
  - i. Northstar will invoice TTUS weekly for services rendered, and TTUS agrees to make payment to Northstar within 30 days of receipt of invoice.
  - ii. Upon completion, the balance of Northstar's fees and charges for completion of the scope of work will be paid within 30 days from TTUS's receipt of the final invoice from Northstar.
  - iii. All amounts stated in this Agreement are in United States Dollars and are due and payable as such.
3. **PAY AUTHORIZATION:** If TTUS possesses insurance coverage applicable to the Work, to the extent permitted TTUS will authorize each insurance carrier providing that coverage to make payment directly to Northstar.
4. **RESPONSIBILITY FOR PAYMENT:** TTUS acknowledges that it is responsible for timely payments of all amounts due to Northstar under this Agreement, and the lack of insurance coverage, or the failure or delay of any insurance carrier to make payment to TTUS or Northstar, will not relieve TTUS of its responsibility for timely payment to Northstar pursuant to the terms of this Agreement.
5. **INVOICING AND PAYMENT:** Northstar shall submit to TTUS itemized invoice(s) setting forth the total amounts due in accordance with Exhibit "B" for services rendered in performance of each Work Order. Invoices will be payable by University within 30 days of receipt. Interest may be assessed on invoices not paid within thirty (30) days of receipt

TTUS INITIALS: JB

- of the invoice. The rate of interest that accrues on an overdue payment is defined in Texas Government Code, Chapter 2251.025, Interest of Overdue Payment, which is generally stated as Prime Rate (on July 1st) plus 1% effective the following September 1st.
6. CAUSES BEYOND CONTROL: If any circumstance or event which is beyond the reasonable control of Northstar delays the performance of any of Northstar's obligations under this Agreement, or makes any of Work obligations impossible to perform, Northstar will not have any liability to TTUS for that delay or nonperformance.
  7. ACTIVITIES OF OTHERS: Unless specifically made part of the Work, Northstar will not be responsible for the coordination or performance of any activity or obligation undertaken by persons other than Northstar and its sub-contractors.
  8. CHANGE ORDERS: Assignments given to Northstar personnel in writing that deviate from initial understanding of Work will be considered a Change Order. Change order forms will be submitted in writing to TTUS or its authorized representative.
    - i. Northstar agrees that approved Change Orders will be tracked separately for billing purposes and submitted under the assigned change order code.
  9. PRE-EXISTING CONDITIONS: Northstar and TTUS acknowledge that the property which is the subject of the Work has been involved in a fire, flood or other casualty. To the extent allowed by Texas law, Northstar will perform the Work, but cannot, and therefore does not, guarantee that any of that property will be operational or free from defect following completion of the work.
  10. BEST EFFORTS: In the event either party is prevented from performing any of its obligations under this Agreement or a Work Order by force majeure, such party's obligations will be suspended during the period of such force majeure, provided, however, to the extent permitted under Texas law, the provisions of this Article 10 will not excuse the payment of any invoice for Work performed or the performance of any other financial obligation under this Agreement or a Work Order.
  11. DISPOSAL: Any disposal of hazardous material (including specimens or samples), or any property that contains hazardous material, made by Northstar under this Agreement will be made in the name of TTUS, or its designated vendor, and under any applicable generator number or other identification assigned to TTUS or its designated vendor.
  12. RESPONSIBILITY: Northstar will be responsible to perform the Work in accordance with the terms of this Agreement, including the Work performed by its employees and subcontractors. TTUS will be responsible for the actions of TTUS employees; and the presence or release of any hazardous material on or from the Site.
  13. CONSENTS AND PERMITS: Any federal, state or local permits, surcharges or consents required for the performance of the Work are the responsibility of TTUS; provided that, if made a part of the work, Northstar may obtain such permits and consents at TTUS's expense. Both Northstar and TTUS will comply with all applicable governmental regulations, statutes, laws and ordinances.
  14. INDEMNITY: Northstar agrees to indemnify and hold harmless TTUS and its Board of Regents, directors, officers, employees and agents, from and against any and all claims, demands, causes of action and liabilities of any nature, whether for damages to the property, and/or the conditions to which this Agreement pertains, to the extent that such claim, demand, cause of action and/or liability is attributable to the breach of contract or other fault of Northstar.
  15. CONFIDENTIAL INFORMATION: To the extent permitted by the Texas Public Information Act, Northstar and TTUS mutually agree to maintain in confidence and will not, directly or indirectly, disclose or use, either during or after the term of this Agreement, any proprietary or confidential information belonging to the other party, whether it is in writing or permanent form, except to the extent necessary to perform the work until such time as said information has become public knowledge. TTUS strictly adheres to all statutes, court decisions and the opinions of the Texas Attorney General with respect to the

- disclosure of public information under the Texas Public Information Act, Chapter 552, Texas Government Code.
16. JURISDICTION, VENUE AND GOVERNING LAW: The parties hereby irrevocably consent to the laws of the state of Texas in connection with any action or proceeding arising out of or relating to this Agreement, or breach of this contract. The parties also consent to Lubbock, Texas as venue.
  17. DISPUTE RESOLUTION. The parties shall utilize the Dispute Resolution process provided for in Texas Government Code 2260 for all disputes arising from this Agreement. Neither the execution of this Agreement by TTUS nor any other conduct of any representative of TTUS relating to the contract shall be considered a waiver of TTUS's sovereign immunity to suit.
  18. AUDIT. During the term and for seven (7) following the expiration or sooner termination of this Agreement, NorthStar shall, upon reasonable prior notice and during ordinary business hours, (i) make available to TTUS or a person designated by TTUS all records, books of account and statements maintained by TTUS with respect to Work performed under this Agreement electronically, and (ii) permit TTUS and the State of Texas Auditor's Office, at their sole expense, upon reasonable prior notice and during ordinary business hours, to audit NorthStar's books and records relevant to its operations under this Agreement. If an audit discloses excess billings to TTUS, then NorthStar shall pay to TTUS the amount of any deficiency within fifteen (15) days after NorthStar's receipt of a copy of the audit report and an invoice. Further, if an audit discloses excess billings to TTUS in excess of five percent (5%), then NorthStar shall pay TTUS the sum of the deficiency plus the cost of the audit within fifteen (15) days after NorthStar's receipt of a copy of the audit report and an invoice.
  19. ENTIRE AGREEMENT: This Agreement and the exhibits hereto comprise the entire agreement of the parties respecting the services to be performed. No engagements, promises, representations, or warranties have been made by either party except as in expressly stated in this Agreement and its exhibits, and the parties hereby expressly disclaim all implied warranties. All modifications to this Agreement shall be in writing, signed by both parties hereto.
  20. COUNTERPARTS: This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
  21. SEVERABILITY: If any provision of this Agreement shall be deemed invalid, illegal or unenforceable in whole or in part, neither the validity of the remaining part of such provision nor the validity of any other provision of this Agreement shall in any way be affected thereby.
