

Policy Statements of the Board of Regents, Texas Tech University System

[as of: 08-15-2025]

Policy statements adopted by the Board of Regents (“BOR Policy Statements”) provide system-wide policies and procedures in greater detail than may be appropriate for the *Regents’ Rules*. As such, BOR Policy Statements supplement various provisions of the *Regents’ Rules*.

BOR Policy Statements must be initially adopted by the Board, and any subsequent changes to a BOR Policy Statement must be approved by the Board.

As such, BOR Policy Statements take precedence over institutional operating policies, and just as an institutional operating policy may not conflict with a provision of the *Regents’ Rules*, institutional operating policies must conform to and not conflict with the provisions of BOR Policy Statements.

The following BOR Policy Statements have been adopted or amended by the Board:
