Approved: August 9, 2019

Next Scheduled Review: July 2021

1. Purpose

- a. The Texas Tech University System (“System”) and its component universities (referred to herein collectively as the “University”) recognize freedom of speech and expression as a fundamental right and seek to ensure free, robust, and uninhibited debate and deliberations by students enrolled at the University as well as other persons. This regulation is intended to protect the expressive rights of persons guaranteed by the constitutions of the United States and the State of Texas by recognizing freedom of speech and assembly as central to the mission of the University and ensuring that all persons may assemble peaceably on University campuses for expressive activities, including to listen to or observe the expressive activities of others. For purposes of this regulation, “expressive activities” means any speech or expressive conduct protected by the First Amendment to the United States Constitution or by Section 8, Article I, Texas Constitution, and includes assemblies, protests, speeches, the distribution of written material, the carrying of signs, and the circulation of petitions.

2. Outdoor Common Areas

- a. The University’s common outdoor areas are deemed traditional public forums, and any person is permitted to engage in expressive activities in those areas of the University campus.
