

## Jones AT&T Stadium North End Zone Renovation

View of the North End Zone Seating

### Project

**Description:** This project constructed seating for 6,000 spectators. The structure is concrete with aluminum benches. The Athletics Ticket Office remained and the seating was built on each side of the building. The seating was opened in 2009.

**Project Budget :** \$6,000,000

**Project Cost:** \$6,000,000
